THE FLORIDA FEDERATION OF FAIRS AND LIVESTOCK SHOWS, INC.

The Florida Federation of Fairs and Livestock Shows, Inc. was inaugurated in February of 1951 when representatives of the Florida Fairs determined it was time to have a group working together to exchange ideas, concepts and philosophies of Fair operations and management.

It has grown and prospered from its initial ten Fairs and one associate member to 50 of the State's 52 Fairs chartered under Florida statute 616, the enabling act for not for profit Fairs, and over 260 associate members.

Our associate membership is comprised of those who are a part of, or serve, the Fair industry. Fairs are a large industry in the State of Florida, with attendance in the millions each year.

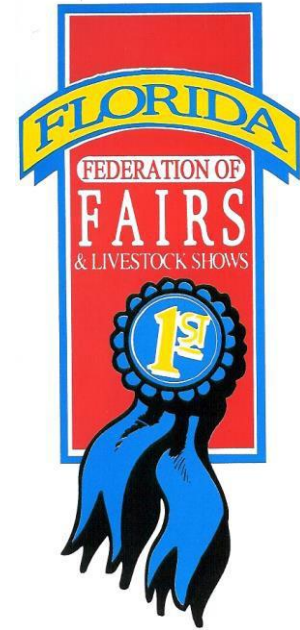

You are invited to be a part of this friendly, informative, educational organization that speaks in a single, unified voice on MANY issues that are of concern to YOU!!
