Co-Founders Constance and Clifton McDerby shared their feelings about Sip N Stroll.

"Our hearts are dedicated to The Ballard House which is why we created this meaningful fund-raising event in 2010," the McDerbys said. "Today our commitment is just as strong now as it was from the start. We invite you to raise a glass, meet a new friend, share a laugh and take it all in while serving

the needs of guests of The Ballard House."

Kathy Ali, Ballard House manager, said the Ballard House is a symbol of the warm and welcome spirit of Katy's community.

"The need for housing assistance has exploded the last couple of years," Ali said. "Now is a critical time to support Cinco Charities as we are daily answering the need from West Houston's growing medical community by

providing patients and their families free lodging and other services so they can concentrate on receiving their treatment."

Sponsorship opportunities and restaurant registrations are still available.

Tickets start at \$65. For more information and to purchase tickets, visit the website sipandstroll.com. For more information about The Ballard House and Cinco Charities, visit theballardhouse.org.
