Wow, now That's What We're Talking About!!!!

What a great event. Sip N Stroll 31st edition is in the history books and we're reflecting on what a great success it was. It takes a village and all partners came together to deliver a great patron experience. Now let's start noticing the impact and ROI.

The weather was perfect for sipping, strolling and merriment and over 1,500 people enjoyed the experience.

Media engagement leading up to the event was strong. The ever-growing Katy and surrounding communities have new faces and new residents to reach so they can learn about Sip N Stroll.

Kroger brought their A-Game with 60' of Kroger Experience Alley featuring elevated food selections for all.

Speaking of elevated experiences, the Designer Plastic Surgery VIP Lounge was VIP indeed with live sultry sounds by Gabe Montoya, Kroger wine and Murray's cheese pairings, Braised Short Rib, pomme puree, caviar bearnaise served by Pearl & Vine Restaurant, and over 50 award-winning wine offerings. New this year featured Advanced Sommelier, Jaime DeLeon personally serving "Jaime's Picks" in the VIP "Ask the Sommelier" section.
