RULES

1. All Steer Show entries are subject to the Fort Bend County Fair Association General Rules and Regulations and the Livestock General Rules and Regulations.
2. *****Prior to tag-in exhibitors are required to submit their entry and \$50.00 entry fee online at <https://fbcfa.fairwire.com> no later than March 20, 2024. All steers must be tagged in for entry and weighed on Monday, March 25, 2024, at the Fort Bend County Fairgrounds in Barn H between the hours of 5:00 p.m. and 7:00 pm. All paperwork (entry form, W9, and Release of Liability) must be submitted **and completed** by March 20, 2024. Online Entry will only allow the exhibitor to enter one steer online. The exhibitor can still tag-in multiple steers. Each exhibitor will only be allowed to bring one steer to official check-in at Fair time. NO ALTERNATES WILL BE ALLOWED AT THE OFFICIAL FAIR WEIGH-IN. For each division an online entry and /or paperwork (entry form, W9, and Release of Liability) is not submitted and/or not completed by the deadline, there will be a late fee of \$50.00 per exhibitor.**
3. No steer may possess any other tag(s) at tag-in or Fair time other than major show validation tag or Texas State Fair validation tag. Breeder tags must be removed or will be removed by the committee.
4. All animals shall remain in Fort Bend County, at the address listed on the exhibitor's registration form, under the daily care of the exhibitor. Fort Bend County Fair projects are subject to random facility checks by Fort Bend County Fair officials. If an animal is found to be out of the county, during an official check, it will result in the project being disqualified from the Fort Bend County Fair. Animals will be allowed to leave the county overnight for shows, grooming or hoof trimming. Any animal needing to be absent from Fort Bend County for more than 72 hours must notify Fair Office to obtain approval from the Species Captain and/or Livestock Chairman. Eligible Katy I.S.D. students that do not live in Fort Bend County but are zoned to a Fort Bend County school must house their projects in Fort Bend County or the Katy I.S.D. school barn.

5. No animal, once checked in at Fair time, may leave the interior gate premises until designated check-out times. Any animal observed outside the fenced area (i.e., parking lot) is subject to disqualification.
6. Any steer that gets away from the exhibitor more than two (2) times will be tied to the rail and judged from there. In the event that a loose, unmanageable steer cannot be caught by Show Officials in a reasonable amount of time, the steer will be guided to a holding area and judged from the holding area. All show ring rules will apply to the holding area. The steer will not be returned to the arena for any reason. The judge will be informed of Show Officials' decision and asked to continue to judge the steer while in the holding area. As such, the exhibitor will not be eligible for Showmanship.
7. No fans will be allowed on steers anywhere outside of the 6-foot head panels. The only fans allowed are hanging front, side, and rear fans. Not allowed includes butt fans on stands in the aisles and NO personal port-a-coolers
8. Steers will be shown in two division classifications:

9. Steers will be classified at Fair time. It will be the responsibility of the exhibitor to declare the division classification to be entered on the official entry card at the weigh-in at the Fair. However, a final determination of division will be made by the classifier(s) appointed by the Show Management. This determination is based on the visible characteristics of the steer. The judgment of breed classifier(s) is final and not subject to protest. There will be no division classification changes at the time of judging. Any steer in the wrong class will not be allowed to show. If an exhibitor is unable to attend official weigh-in and classification due to other school or Fair related activities, they must inform the Division Captain/Co-Captain in writing and have another exhibitor or Steer Committee Member present the steer.
10. Any steer not classified in the American Division will automatically go to the AOB Division.
11. Judging and sale order will be as follows for the 2024 Steer Show: **There will be one overall Grand Champion & Reserve Champion Steer. The two (2) division champions will compete for the overall Grand Champion steer of the show. The reserve division champions are required to be brought into the show arena. After the Grand Champion has been selected, the Reserve division champion of the breed that furnished the Grand Champion competes with the remaining division champions for Reserve Grand Champion. Show order for 2024 shall be American, AOB. The sale order will be determined in accordance with the Junior Auction rules as outlined in rule #4.**
12. Steers will be judged by division classification and for the purpose of judging may be divided into weight classes as determined by the Steer Captain along with a Director in Charge and Livestock Chairman/Livestock Co-Chairman. **The minimum show weight at Fair Check-in is 1000 pounds.**
13. **Showmanship classes will follow rule 10 (h) in the Livestock Department General Rules.**
14. No change of the color pattern of the animal by painting or dying will be allowed.
15. The 2024 show will be a Slick Shorn show. All steers will not have any hair length longer than ¼” on any part of the body, other than the center of the tail down. If any exhibitor's steer is found to have excessive hair by the steer officials of the Fort Bend

County Fair Association, the exhibitor will be disqualified and asked to remove their steer from the grounds one hour after check-in. An exhibitor will not be allowed to protest a hair length disqualification. **There will not be any "touching up" after the steer has started the check in process and will not be allowed to return to the weigh-in area.**

16. **The Judge's decision is final, including classifiers and hair judge.**

17. Touch-up clipping will only be permitted prior to weigh-in.

18. Exhibitors must furnish their own shavings.
