Dear Calf Scramble Student:

We are writing to remind you that the deadline for purchasing Fort Worth Calf Scramble heifers is **June 1, 2025**. All Calf Scramble purchases should be made by this deadline. **We ask that you notify us immediately if you are unable to purchase a calf and fulfill your obligation to the Calf Scramble Program.**

In the event that a calf you intend to buy is too young to be registered, please complete the purchase certificate and return it to our office. Include with it a letter of affidavit stating that the heifer has been purchased and it will be recorded in your name as soon as the association's guidelines allow. We will keep this letter on file and issue payment to the seller of the heifer as soon as the original registration certificate is received.

Important dates to remember are as follows:
