

2026 Fort Worth Stock Show & Rodeo Equine IQ Contest Speech Topics

- 1) As an advocate for the equine industry, how would you solve the challenge of limited access to large animal care in rural areas?
- 2) Despite today's technological advances, why are horses still important in modern agriculture?
- 3) In what ways is technology transforming horse care and management and what are the potential benefits and challenges of adopting these innovations in the equine industry?
