Stars of Texas Sale - January 20 - Proceeds benefit Texas Angus Foundation

# DONATION HEIFER

This year's heifer was generously donated by 2 Bar Angus and SV Cattle programs, in an effort to support the Texas Angus Foundation's mission of providing youth scholarships and education.

They reached deep into their herds to come up with a truly special heifer, a female that could headline any sale in the nation. 2 Bar Breakthrough 3075 is a true donor prospect with curve bending EPDs across the board, exquisite phenotype and backed by a highly proven cow family.

We at the Texas Angus Foundation would like to be the first to thank Steve and Laura Knoll as well as Guy V and Cecilia Speck for their gracious donation.
