

FREMONT COUNTY FAIR

MISSION STATEMENT

To showcase and promote all citizens of Fremont County's interests and talents, by offering opportunities for participation, education, and enjoyment. To provide well-managed, multipurpose, quality year-round facilities that promote agriculture, industry, natural resources, culture and tourism.

VISION STATEMENT

To provide every guest and exhibitor with a friendly, unique, and satisfying experience, which consistently exceeds their expectations.

VALUES

We have an obligation to support all of Fremont County and to create important venues for education, recreation, and entertainment. To provide our youth with experiences that motivate, educate and develop, productive and positive leaders for the future.

New, positive experiences and competition make our youth stronger by providing opportunities for education, self-discipline, responsibility, recognition and self-esteem.

The ideas and opinions of our employees, volunteers, and the public, are essential in creating a family friendly, successful, financially stable organization.

Providing a memorable showcase for county pride and spirit that will represent the interests and desires of all county citizens we serve.

Maintaining a clean, safe and attractive environment maximizes full use of our facilities and provides a positive impact on our county.

Year-round events and participation by all county citizens of all cultures benefits everyone by promoting awareness and ethnic harmony.
