Youth animals must occupy those designated pens or stalls until released on Sunday, August 7 at 7 a.m. All stalls and pens must be cleaned before 9 a.m. each day and refuse matter disposed of properly in fair designated locations. All tack and animals must be removed from the barns by 10 a.m., Sunday August 7. Stall signs will be provided by the fair and are expected to be properly filled out, put in place upon arrival and maintained by the exhibitor for the duration of the fair. This is a part of Herdsmanship scoring for exhibitors.

- 22. ANIMAL BEDDING:** First bedding of wood chips may be provided, **by sponsor BTI**. It will be the sole responsibility of the exhibitor to secure bedding after first bedding or sponsor bedding is gone. Exhibitors may use straw for the dairy cattle (if staying) stalls and breeding sheep pens. In the Beef Barn: No hay or straw to be used as bedding; wood shavings may be used in all barns. Replacement/freshening wood shavings may not be available. **If additional bedding is needed, please support those businesses who supply shavings in the area. Please do not waste bedding materials.**

- 23. ANIMAL CARE AT FAIR:** While at the fairgrounds, exhibitors are expected to care for and feed their animals, maintain clean stalls and walkways. Properly exhibit their livestock, to the best advantage of both the exhibitor and the animal, at all times. Do not tie any animal with its head pulled abnormally high. Beef Lead Ropes must be standard length.

EXHIBITOR EXPECTATIONS:

24. YOUTH LIVESTOCK CODE OF ETHICS

- A.** Youth Livestock Exhibitors are expected to following the "Fitting and Showing of Animals Rules" (#25) while at the Fremont County Fair.
- B.** No exhibitor may show a market animal which was previously sold at another fair Junior Livestock Show, sale, or auction as a market animal.
- C.** Direct criticism or interference of the judge, show management, other exhibitor or show officials before during or after the fair, is prohibited and may have severe consequences as determined by the Fair

Board.

- D.** While at the fair, the exhibitor shall notify the barn/show superintendent if their animal becomes sick. The barn/show superintendent shall be notified before any medication, oral or injectable is administered.
- E.** Abusive or inhumane treatment of any animal will not be allowed while handling, fitting or showing, or at any time during the Fremont County Fair. Striking an animal to cause swelling or for bracing purposes is not allowed and the use of electrical devices will not be permitted and will be grounds for dismissal.
- F.** All animals that will enter the food chain shall be free of all residue and foreign substance. Treatment of an animal internally or externally with any irritant, or other substances used to change the conformation or appearance of an animal is prohibited. The use of tranquilizers, sedatives, or depressants which alter the physical or physiological state of the animal is prohibited. Injections or insertions of any foreign material under the skin and/or into the flesh of any animal is prohibited.
- G.** The abnormal balancing of breeding animals' udders is prohibited.
- H.** All animals are expected to be kept clean and provided with an adequate nutritional diet with plenty of clean, fresh water for their stay at the Fremont County Fair. Exhibitors shall be reminded that a sale of any animal at the Junior Livestock Sale is a binding contract of sale, and therefore prosecutable by breach of contract. Delivering an animal to your buyer live or processed, which was not the animal purchased would fall under breach of contract. Prior arrangements are to be made with the buyer (i.e. if the animal purchased dies before an animal is transferred and the buyer agrees to a replacement animal, live, or processed rather than compensation.)

FITTING AND SHOWING OF ANIMALS:

- 25.** Exhibitors must accompany, care for and exhibit their own livestock. However, in the interest of safety and education an exhibitor may be assisted at the Fremont County Fairgrounds by 4-H or FFA Educators, another Fremont County 4-H or FFA Member and by an immediate family

member only (father, mother, brother or sister, guardian) in whose name the animal is owned and accepted entry is acknowledged, in washing, grooming and fitting the animal. Assistance is defined as a learning situation where the person doing the assisting is educating the youth members to the technique of fitting and grooming. Exhibitor **MUST** be present and participating during the washing, feeding, grooming and fitting of animals. Anyone found in violation of this rule may be subject to immediate disqualification without recourse.

26. Exhibitors must be able to control their livestock for weigh-in and showing; otherwise animals will be disqualified and must be removed from the fair grounds. Members must accompany and exhibit their own livestock. In cases of two animals in the same class, another **Fremont County 4-H or FFA member** may show one of the animals. While in the show ring the person showing the animal must do so without aid. All adults, except those appointed to be in the show ring, must remain away from the animals, unless helping to secure a loose or runaway animal. In "Showmanship" classes you must exhibit your own animal.
27. Any violation of the following policies will result in immediate disqualification of the exhibitor in the Youth Show. Further forfeiture of awards, future privileges and disciplinary action may be taken by the Fair Board.
 - A. No showing of livestock of any ineligible age or showing unethically fitted livestock. Unethical fitting is deemed to consist of any method which alters the natural conformation of any part of the animal's body. Or any animal having been operated on or tampered with for the purpose of concealing faults or with the intent to deceive.
 - B. The attempted surgical or non-surgical alteration or conformation of an animal is prohibited, except for dehorning. Animals are to be shown in their natural conformation.
 - C. The dying, or artificial changing of existing color pattern and/or color is prohibited
28. While showing or selling animals, the exhibitor shall always appear neat and well groomed. Use good sportsmanship, showmanship, and character; be honest and adhere to rules and ethics herein stated.
29. **DRESS CODE:** Shirts (not T-shirts, tank tops, or tube tops), slacks or jeans (no shorts) and closed toed shoes shall be worn into the Show/Sale Ring. The shirts must have sleeves (cap sleeve or long sleeve) and must be long enough to cover a midriff and not be low cut. **You will be asked to leave the show ring if you do not adhere to the dress code.**
30. All livestock exhibits will be released on Sunday August 7, at 7 a.m. **No early release unless for**

extenuating circumstances with a request in writing, to the Fair Board with approval in advance. Animals are expected to be removed from the fairgrounds prior to 10 a.m. Sunday, August 7. A fine of \$20 per pen shall be levied for assigned pens/stalls not cleaned properly.

ENFORCEMENT OF RULES:

31. If an infraction of the rules occurs, please notify:

First: - The species/building Superintendent

Second: - The Fair General Manager

Third: - Fair Board Member(s)

Each report of rules violation will be reviewed by the Fair Board and appropriate action will be taken. Punishment range from a board review to loss of privilege to show at the Fremont County Fair for the future and violation maybe reported to law enforcement. If the matter is not resolved to your satisfaction, you may file a grievance/protest under protocol defined as follows:

PROTESTS & GRIEVANCES:

All formal protest or grievances must be submitted in writing, be properly signed and accompanied by \$50 cash or certified check (refundable only if protest or grievance is sustained). The protest must plainly state the cause of the complaint or appeal and must be delivered to the Fair General Manager immediately after the occasion for protest or grievance. A protest pertaining to eligibility is most suitable when submitted prior to judging. Judging procedures will not be interrupted for protest investigation. Depending on the basis of the protest, interested parties may be notified and given the opportunity to submit supporting evidence. A decision may be withheld until a complete investigation can be made. No complaint or appeal that an official fair judge overlooked an entry will be considered. If no fault is found in the case of a grievance or protest, the \$50 will be forfeited. In the case a grievance or protest is filed against any specific party and no fault is found, the \$50 will be forfeited to the party against whom the grievance or protest is found. If the protest or grievance does not involve a specific party and no fault is found, the \$50 will be forfeited to the Fair Board to be deposited in the general fund for awards and will be used to offset operational expenses of awards for the youth program.

THE FREMONT COUNTY FAIR BOARD RESERVES THE FINAL RIGHT TO INTERPRET THESE RULES AND REGULATIONS AND THEIR DECISION WILL BE FINAL.

1. To be eligible for this program.
 - A. The producer/breeder of the market goat must be a legal resident of Fremont County.
 - B. All goats must be bred, born, raised and fed within the boundaries of Fremont County and all breeding stock must be housed within the boundaries of Fremont County (with the exception of bucks used in artificial insemination programs.)
 - C. All market goats eligible for this show MUST be owned by a bona fide Fremont County 4-H or FFA Member, in good standing according to the by-laws of those organizations and must be properly entered in the Fremont County Fair Youth Market Goat Show.
 - D. Proof of eligibility must be provided by submitting a completed form per goat nominated as Bred, Fed and Owned.

POLICIES:

1. Exhibitors are to review and abide by all Youth Livestock Rules in this competition guide.
2. Equine Animal Health Requirements are to be met by each exhibitor. Any horse suspected of ill health may not be allowed on the fairgrounds or may be immediately dismissed from the fairgrounds.
3. Youth Horse Show Halter and Performance Classes are open only to qualified Fremont County 4-H/FFA members.
4. The Fremont County Horse Show will use the Wyoming 4-H Equine Competition guidelines which can be found at www.edu/4h/projects/horse. In the event that 4H Guidelines are not clear, the AQHA rulebook will be used to determine appropriate course of action. The judge's interpretation of any rule or guideline is final.
5. **Family Owned Horse:** The family owned horse is defined as one horse that can be shown by multiple members of the direct family (only siblings, no cousins, etc.) Each member must be certified and endorsed to compete on that horse. The horse will be allowed to be shown/run once per youth age category (Jr., Intermediate and Sr.) in each of the horse show events (i.e. showmanship, performance classes, stock classes and timed/speed events).
6. Horse stalls are limited on grounds. Stalls will not be available prior to 6:00 pm, Thursday, July 21, 2022. Horse exhibitors who would like a horse stall must turn in a stall application to their community leader. Those exhibitors who must travel a long distance will be given first priority to stall horses on grounds during the show. Stall assignments will be made by the Horse Show Superintendent. Stalls are to be vacated by Sunday, July 24 (unless prior arrangements have been made in writing and confirmed with the horse show superintendent). Only 2 black stalls per family will be assigned. Stalls are to be striped clean upon departure. A fee of \$20.00 will be charged for stalls not stripped clean.
7. There will be NO STALLIONS allowed in the Youth Horse Show.
8. Halter classes will be judged on the American System and ribbons will be awarded. Breed Champions may be selected, but there will be no overall champion
9. No more than 25 entrants at one time will be allowed to show in any showmanship or performance class.
10. In halter classes, no more than two horses in a class may be exhibited by any single exhibitor. Only one entry per class may be made in a performance class.

11. Exhibitors must be able to control their horses on the grounds at all times.
 12. Any protest must be lodged at the time of the infraction. Disqualification in the ring will be made prior to class placement. The superintendent will be responsible for rule enforcement.
 13. 4-H and FFA members competing in this division must verify that they have owned or leased their horses not later than May 1, 2022.
 14. Halter classes: in reference to horse's age, its birthday should be considered as being January 1 of the year in which it was born, If born anytime in 2018 it will be a four year old, on January 1, 2022.
 15. All quality animals in halter classes are eligible to show at the Fremont County Fair.
 16. The Class title "Any Other Breed" is for purebred horses of specific breeding other than those named. For example: A quarter horse-thoroughbred cross should be entered in the breed class the horse most resembles, not "Any Other Breed". It is the exhibitors' responsibility to present crossbred or questionable animals to the Show Committee for a visual appraisal and a decision before the horse is shown.
 17. Please refer to the patterns in Wyoming 4-H Equine Competition guidelines which can be found online at www.edu/4h/projects/horse.
 18. Classes may be combined the day of the show at the discretion of show management.
 19. Halter classes will show as posted on show day.
 20. **Safety Guidelines:**
 - A. The safety of youth exhibitors and their horses must be kept foremost in mind of all participants in this horse show.
 - B. All horse safety rules, regulations, and guidelines shall be adhered to at all times. Due to space and time limitations, all of the safety expectations cannot be listed within this publication. However, a few of the basic and most important safety expectations are listed below.
 - 1) 4-H members must complete the safety part of the 4-H Horse Levels Program before they can participate in the Youth Horse Show at the Wyoming State Fair. FFA Members must pass the FFA Safety Test before they can participate in the Youth Horse Show at the Wyoming State Fair.
 - 2) Safety helmets certified by the American Society for Testing and Material and the Safety Equipment Institute (ASTM/SEI) are mandatory for all English events that require a club member to be mounted on a horse.
 - 3) Safety helmets (ASTM/SEI certified) are recommended for all Western events that require a club member to be mounted on a horse.
 - 4) Safety helmets (ASTM/SEI certified) are highly recommended for all speed events and classes that involve stock animals such as Working Cow Horse, Ranch Sorting, Goat Tying, Team Sorting or Roping Events.
 - 5) Heeled boots are required anytime a club member is mounted on a horse. This helps prevent an exhibitor's foot from sliding through a stirrup and getting caught. Smooth sole boots are required anytime a club member is mounted on a horse. This prevents an exhibitor's foot from getting caught/hung up in the stirrup.
 - 6) Bareback riding is not permitted.
 - 7) In halter classes or any other time an exhibitor is working around a horse, he or she shall stay in the safety zones and the lead rope shall not be dropped.
 - 8) Running, loud playing, and other similar activities are not allowed near horses, especially at a show, workshop, camp, or other place that is unfamiliar to horses that are already nervous and jumpy due to unfamiliar surroundings.
- 21. Youth Requirements:**
- A. If a youth is eligible to be in Wyoming 4-H and the FFA Program, he or she is eligible for enrollment in the Wyoming Horse Project, as long as he or she complies with the guidelines of the program.
 - B. A member shall be properly enrolled in the horse project.
- 22. Animal Requirements.**
- A. The possession/ownership date for horses utilized by club members for exhibition at the Fremont County Fair and the Wyoming State Fair is May 1, of the current club year. Therefore, the regulations and guidelines stated with in this publication can only be applied beginning on May 1 of each current year.
 - B. Whenever a question on horse ownership, possession, or identification arises, a club member along with a club leader, or 4-H Educator share the responsibility to provide proper documentation of ownership, possession, or identification.
 - C. Any infractions, as determined by the Fremont County Fair Board or County Horse Committee, will disqualify said horse during the contract year from showing or competing in any county or state club contest.
 - D. Ponies shall measure 58 inches or under at the withers. No exceptions are allowed. All ponies must be measured before showing. Ponies measuring more than 58 inches, will not be allowed to show in any pony class.
 - E. The two associations for miniature horses (American and International) have different height requirements. As a result, the horse project will use the one with the higher requirement as that is more inclusive for club members and the horse program. Therefore, miniature horses shall not measure greater than 34 inches at the withers. Those measuring greater than 34 inches but less than 58 inches, will be classified as a pony (see the previous item D.)

23. Showing Guidelines:

- A. At the Fremont County Fair Horse Show, each exhibitor may only enter one horse per performance class. However, exhibitors may enter two different horses in halter classes.
- B. Poor Sportsmanship will not be tolerated in any show. An exhibitor can be asked to forfeit premiums and may be immediately dismissed from a show, if show committee has determined poor sportsmanship occurred.
- C. Exhibitor must accompany, care for and exhibit their own horse, however, in the interest of safety and education. An exhibitor may be assisted at the Fremont County Fair by a 4-H Educator, FFA Advisor another 4-H or FFA member or by an immediate family member only (father, mother, brother, sister) in whose name the horse is owned and accepted entry is acknowledged, in fitting and grooming at all horse shows. They may also assist the exhibitor saddle, bridle, or make tack changes. However, the exhibitor must be present and actively participating in these activities.
- D. Exhibitors that do not have their horses under suitable control shall be excused from the ring. Judges and ring officials should stress safety in a courteous manner to all exhibitors in a class.
- E. A fall to the ground by a horse or a rider is cause for disqualification. A horse is considered to have fallen when its shoulder makes contact with the ground. A rider is considered to have fallen when he or she is separated from a horse in such a way as to require remounting.
- F. Imposition of a penalty for unsoundness is at the discretion of a judge or superintendent. If it is severe enough to impair the required performance, a judge can disqualify a horse and a rider, by excusing them from the show ring.
- G. Barrels and poles may not be used as markers in any class except barrel racing pole bending, stake race, and trail class
- H. Junior riders are defined as being 8-10 years old and they will not be asked to mount after a dismount.
- I. Intermediate riders are defined as being 11-13 years old and they will not be asked to mount after a dismount.
- J. Senior riders are defined as being 14-18 years old and they may or may not be asked to mount after a dismount.
- K. No attendant shall be allowed in the ring except to mount after a dismount.

24. Equipment:

- A. Clothing and tack should reflect a neat, clean and well-fitted appearance. Expensive clothing and/or expensive tack are not required nor expected. Silver or fancy equipment will not count over neat, clean, well-fitted, and workmanlike equipment
- B. A ring steward and/or a judge may inspect equipment as riders enter a class, and they may allow an exhibitor to change from unacceptable

equipment to acceptable equipment.

- C. A judge may also prohibit equipment deemed severe and dangerous.
- D. Lack of required equipment shall be cause for disqualification.
- E. Tack and Attire for Western, Speed, Cattle and/or Roping Events:
 - 1) **Personal Wear:** Western hat or approved safety helmet, Western boots with heels, long pants, and long-sleeved shirt. In speed events, cattle events and roping events a safety helmet is highly recommended. However, if using a Western hat, a restraining method should be used.
 - 2) **Tack:** Western stock saddle and Western bridle with curb bit used with split or romal reins. Horses 5 years of age and younger may be shown in a snaffle bit or braided rawhide, braided leather, or rope bosal with split reins. (Refer to the Wyoming manual entitled 4-H Horse project for more information on bits)
 - 3) **Holding the Reins:** When riding horses 5 years of age or younger with a snaffle bit or bosal, two hands must be used on the reins. When riding with a curb bit, a hand should be around the reins. One finger between the reins is permitted when holding split reins. With a romal, no finger is permitted between the reins, and there must be at least 16 inches of rein between the hands. "Tom Thumb" or shanked snaffles are still standard bits and are to be ridden with one hand.
 - 4) **Optional Tack:** Spurs, chaps, raincoat, breast collar, and hobbles in riding classes.
 - 5) **Prohibited Tack:** In all classes (except cattle or roping) ropes or reatas (riatas) and draw reins are prohibited. In classes other than speed events or cattle/roping events; closed roping reins, hackamore bits or mechanical hackamore, running martingales, tie-downs, nosebands, whips, bats, or quirts are prohibited. In all western horsemanship (equitation) and trail classes, all horse boots and leg equipment are prohibited.
 - 6) **Curb Chains:** Curb Chains are permissible but must be at least ½ inch wide and lay flat against a horse's jaw. A flat leather strap at least one inch wide is acceptable.
 - 7) **Tack and Attire for English Events:**
 - a. Coats: Hunt coat of tweed or melton or lightweight summer jacket in conservative colors such as navy blue, dark green, gray, black, or brown are permitted.
 - b. Pants: must be breeches or jodhpurs in traditional colors such as buff, Khaki, canary, rust, light gray or white.
