

**OPEN CRAFTED ARTS
DEPARTMENT 3
DIVISION 301-319
Superintendent – Mary Ellen Roylance
Premium Table #3**

Please bring ALL Open Crafted Arts entries to the Fremont Center on Thursday, July 25, 11 a.m. – 7 p.m.

Policies:

1. All exhibitors will abide by all applicable policies of the Fremont County Fair. Read special department policies.
2. Professional and Advanced Amateur entries are expected to be original work. Amateurs and Youth may exhibit original work or use commercial kits or patterns appropriate to class descriptions.
3. Articles exhibited in this department must have been completed within the last two years and must not have been shown previously at this Fair, in order to compete for premiums. Exhibitors entering borrowed or purchased articles as their own handiwork must be identified with the name of the creator and title of the original work being submitted. Failure to comply with this policy will be considered an attempt to defraud and shall be sufficient reason to permanently exclude the guilty party from this exhibition. This policy applies to all exhibitors.
4. Choose categories carefully for appropriate judging. Any entries which have been inadvertently or erroneously entered may be reclassified by experienced staff.
5. All exhibits must have exhibitor's name; department, division and class number on the back or beneath the exhibit. Exhibit must also be marked as an Original or Kit.
6. **Exhibitors may enter two (2) entries per class.**
7. There are three (3) proficiency levels in each of the divisions with the exception of Taxidermy and Hobby Collections.

PROFICIENCY LEVEL DEFINITIONS:

PROFESSIONAL: Refers to those who derive significant income from crafted art and whose work is produced primarily for the purpose of selling: or who have a diploma, certificate, degree or three or more years of school training or teach in their crafted art media.

ADVANCED AMATEUR: Refers to those who have exhibited and won first prizes in accredited or recognized shows (including Wyoming State Fair); or who have had professional training or education but have not completed more than three years.

AMATEUR: Refers to those who have not previously won first prize and have had little or no training in the exhibition area.

YOUTH: Refers to those who are 9 but have not reached their 19th birthday before July 1 of current year.

SPECIAL NEEDS: Refers to those with chronic disability attributable to either mental or physical impairments or a combination of both.

Exhibitors may enter into a higher proficiency level (except Professional) if they feel qualified to compete, however, an exhibitor cannot go to a lower level.
