5. WHEN AND WHERE EXHIBITS ARE DUE
4-H Static Exhibit Arrival and Interview judging will be held Thursday, July 25 from 2 p.m. to 6 p.m.

6. INTERVIEW JUDGING
 This is an opportunity for the exhibitor to sit down and visit with the judge while the judge evaluates their exhibit. This is a positive learning experience for the exhibitor, with parents being encouraged to accompany exhibitors. If the exhibitor is unable to attend, their exhibit will still be judged and written comments will be provided. Interview judging is used to give the 4-H youth a chance to look back at their experience critically and to encourage thinking, working harder and ultimately learning more thoroughly, than just showing or telling. Judges should keep in mind that they want to encourage the 4-H participant. Help them find ways to make their project better by suggesting “other ways” to accomplish their goal. Try to be positive about things that were done incorrectly.

The judge will check to see that the 4-H participant has learned more than just how to make a project. They want to see evidence of the Do, Reflect, Apply! 4-H members do their project prior to fair, but interview judging then gives them a chance to reflect on their project. They get to tell about what they did, how they did it, as well as, what went good or not so good, along the way. They also get to tell what they learned from their experience and how they might apply what they learned to shape new goals for the future.

The judge will ask questions about the project, this is not a presentation. Each member will spend approximately 10 minutes with the judge.

Here are some sample questions that may be asked:

- a. How many years have you been doing this project in 4-H?
 - b. What did you think you might learn from taking this project?
 - c. What did you like most about this project? What did you like least?
 - d. Did anyone help you decide what your project might be?
 - e. What new things did you learn?
 - f. What new tools did you use that you have not used before?
 - g. How do you plan to use what you made?
 - h. What would you like to learn next year?
 - i. What was the most difficult part of your project?
 - j. What other things did you do in this project?
 - k. What did you learn about yourself?
 - l. What did you learn about your decision-making skills?
7. Each 4-H participant will receive a placing ribbon for each project exhibited:

Blue:	First Place
Red:	Second Place
White:	Third Place
Purple:	State Fair Quality (No added premium)

 All purple ribbons are considered for Champion and Reserve Champion for each division: Senior, Intermediate, and Junior. These usually have an award donated by individuals or by the Friends of Fair.
 8. STATE FAIR EXHIBITS:
 - A. Release forms: any items qualifying for State Fair will require a release form. If you are not provided a release form at the judging table, stop by the Extension Secretary table before you leave interview judging and sign a release form.
 - B. Transportation of State Fair qualifying items: Please consult the Extension Office to verify how or if your item will be transported to State Fair. Some items are too large or fragile for transport with other entries. If this is the case, you will be responsible for arranging to transport your own qualifying exhibit to State Fair. Be sure to check with the Extension Office about your qualified exhibit, it is your responsibility to double check on whether your item has been transported. All efforts are made to transport as many items as possible, but check on your item before you leave fair and be sure it is being transported or arrange other options with the Extension Office.
 - C. Ribbons and Awards: It is your responsibility to remove your ribbons from exhibits traveling to State Fair. Remove the ribbons on Sunday, prior to your item being taken to State Fair, if you wish to retain it. No ribbons will be left attached to any item traveling to State Fair. If you are to receive a

special award for your entry, a claim card will be attached to your item. This claim card is to be turned into the Fair Office and you must sign for your special award. Please do so Friday or Saturday of fair; before leaving fair. DO not remove your entry tag. This is the only means of identifying your exhibit.

9. **RETRIEVING YOUR EXHIBITS:**
Any item not qualifying for State Fair may be picked up on Sunday following fair. (see Fair Events Schedule for times.) Any items not picked up, within the week following fair will be disposed of. State Fair items – items returning from State Fair may be picked up from the Extension Office the week following State Fair.

These procedures as well as high altitude conversion and food safety can be found at: www.wyomingextension.org/eatwyoming/safety.asp

- Due to potential hazards of food-borne illness, judges may or may not choose to open, taste, unseal, handle, etc. any entry.
- All entries will be initially evaluated based on meeting food safety guidelines from USDA and current UW publications found at <http://www.wyoextension.org/eatwyoming/preserve.php> including appropriate altitude adjustments and processing times.
