RULES & REGULATIONS

---

1. Car numbers will be confirmed by pre-registration only on a first come, first entered basis. Duplication of numbers will not be permitted.
2. Heats are determined by number of total entries. Winner of each heat will qualify to the semifinals, 2nd and 3rd place will move to the quarter finals. In consolation, top 2 go to the quarter finals. Top 2 of “semi” heat will move to finals.
3. Entry fee must be paid prior to racing.

Automobile Setup Procedures:

1. Any small, 4-cylinder automobile is acceptable. No pickups or 4x4s. No All Wheel Drive.
2. The only welding is to be on the bumpers, securing the doors and hood, and the roll cage.
3. No foam added to the cars (other than the doors); only foam that came stock with the vehicle is allowed.
4. Cars must be stock with the exception of tuners. Stripping plastic pieces and interior parts are allowed.
5. All chrome, fiberglass, plastic, diecast metals (i.e. head-, tail-, and parking light assemblies), and **all glass MUST be taken out and/or vacuumed out of the inside of doors, passenger compartment, and trunk.** The car must be free of any dirt, debris, or fragments anywhere in the automobile prior to entrance into the Fremont County Fairgrounds.
6. Driver’s door must be welded, taped or pinned shut, they can not come open during the race.
7. Automobiles must have a lap and shoulder belt. Seat and seat belts shall be attached securely to the floor. Note: 4 point belts are **recommended**. All airbags must be disconnected or removed.
8. Bumpers can be factory metal or built out of 3/16th metal. If built bumpers are put on the car they can not go past the center of the tires, must be smooth on the ends and if they are bent back they can not have kickers welded to the frame (THEY SHOULD NOT BE GOUGING TIRES!). They can be bolted or welded but if welded no extra metal added to the frame.
9. All cars must have numbers at least 10 inches high placed on **ONE DOOR ON EACH SIDE** of the car and on the roof. (Numbers must be approved with Fremont County Fair Staff, no two numbers the same.)Sponsors may be painted on the car. No risqué or obscene sayings will be allowed. **All numbers must be contrasting color from car.**
10. Air only in the tires, No foam. Wheel weights must be removed from all wheels. No studded tires. Tires may be siped. Tires need to be close to the same size all the way around the car.

11. A bar from door to door welded behind the seat is highly recommended. You can weld a halo bar off that seat bar. A windshield bar is recommended also in case of a roll over.
12. Driver window net is highly recommended. If you have a passenger that window will need one also**. IF YOU RUN A WINDOW NET, PLEASE BE SURE THEY QUICK-ATTACH AND/OR A SUNROOF FOR FIRE ESCAPE PURPOSES.**
13. A sunroof may be cut in the roof for entry and exit purposes. Hoods may be bolted down, all thread to the frame through the core support is ok.
14. The driver's door and front passenger door MUST BE a different, contrasting color from the car color. The driver's door and passenger door may have a pipe in them for protection. The entire door must be a different color and then you can add your numbers to it. **THE DRIVER AND PASSENGER DOOR MUST BE CONTRASTING COLOR FROM THE REST OF THE CAR. For example, if the car is red, the driver and passenger doors must be something other than red!! The number on the doors must be a different color than the door itself! If you still aren't sure, reach out to ask.**
15. Batteries only may be moved and installed inside the car cab. All batteries must be fastened down and covered.
16. NEWLY ADDED! Cars **MUST** have a coffee can size hole on the driver's side behind the driver's seat. This is to accommodate transponder placement. WATCH FOR FUEL LINES.
17. Transponder, pouch, and bracket must be returned the night of the event. **A $50 deposit** is required at inspection. When you return your transponder, pouch, and bracket the NIGHT OF, you will receive your deposit. **If it is returned the days after, you forfeit your deposit.**
18. After the race, or when the driver is done, the transponder, pouch, and bracket must be returned to the designated area (drivers will be told of this location on race day) and NEVER brought to the crows nest, as they will begin registering in the computer system.
19. Failure to return the transponder, pouch, and bracket will result in a **$300 fee.**
20. D-Ring welded to front bumper for towing purposes.
21. You may build an after-market REAR bumper, out of the same material allowed for the front bumper, but only as wide as the outside of the framerail. This is to protect the gas tank when needed.
22. Please only run with a half of a tank of fuel. This prevents spillage on corners.

Drivers, Pit Crew, and Pit Crew Area:

1. Absolutely no alcoholic beverages will be allowed in the pit area. Any driver or pit crew member found with alcohol in his/her possession while on the Fremont County Fairgrounds at any time of day will immediately disqualify the figure 8 car and driver from the event.
