The 4.0 & Above Programs was established 11 years ago in partnership with the Office of the Fresno County Superintendent of Schools to not only recognize all 8th – 12th grade Fresno County students with a 4.0 GPA or higher, but to honor and celebrate them – providing an opportunity to win big prizes!

Qualified 4.0 & Above students will have the chance to win scholarships and other prizes! Qualified 9th – 12th grade students also can win a brand-new Toyota Corolla! Students must be present to win!

All prizes are donated by community-minded companies and individuals who believe in rewarding academic excellence. This program allows the Fair, its partners, and the community to recognize these students for all their hard work and incredible scholastic achievements. It also provides the opportunity for Fresno County schools to utilize this program to encourage and motivate students to work hard at school, so they can get their GPA to a 4.0 and qualify to participate!

Last year we gave away a record number of scholarships to Fresno County students totaling \$103,000, plus the other prizes were (2) laptops, (4) Apple Airpods, (2) \$100 Visa gift cards and a new Toyota Corolla! Coalinga High School student, Luis Orozco was the lucky winner of the new car.

Eligible students should have received their 4.0 Entry Ticket Flyer from their school, which will get your 4.0 student into the Fair for free on October 4th, and has the drawing entry ticket to fill out and place in the tumbler for their chance to win! If your 4.0 student has not received their brochure with pass, please contact your school. For official rules and details, visit www.FresnoFair.com/4aboveprogram.
