The Greenhouse and Gem & Mineral
Whether its precious stones or plants, this building has plenty of treasures to be found!

Discover breathtaking stones and minerals, plus amazing floral and plant displays all inside the original Greenhouse building, just next to the old Gem & Mineral building. For garden enthusiasts, see below for a list of items on display, plus daily entry arrivals and judging for the media to cover!

Traditional Displays to The Greenhouse
You won't want to miss the beautiful displays in the Floriculture Exhibit: Dry & Silk Arrangements, Scarecrows, Window Boxes, Cacti & Succulents, Dish Gardens, Foliage Plants, Bonsai, Recycled Garden Art, African Violets, Orchids, Fresh Flower Arrangements, Marigolds, Zinnias, Dahlias, Chrysanthemums, Roses and more! Plus, this year there are FFA gardens entered! Stop by and see what the future of our Landscape Architecture industry can do!

Note: Entries submitted during the Fair do not require pre-entry. The exhibitor only needs to bring the material to the Fair on the day of their judging.

Lorikeet Encounter
Lose yourself in the brightly colored world of Lorikeets! Stroll through the open aviary as these beautiful parrots fly overhead in their open-air exhibit; you can even feed them!

Traditional Displays of Gem and Mineral
With approximately 100 variations of gems and minerals on display, you are guaranteed to learn many of the unique and interesting facts about special gems and minerals like these!

Agate	**Obsidian**	**Amber**	**Onyx**
Amethyst	**Petrified Wood**	**Cubic Zirconia**	**Quartz**
Jade	**Ruby**	**Jasper**	**Turquoise**

Here are just some divisions for competitive entries: Master Faceted, Lapidary Work, Silversmithing – Metalcraft, Beadwork, Mineral Specimens, Faceted Work, Fossils, Petrified Wood and so much more! The Gem & Mineral Society is a volunteer organization. Proceeds from purchased rocks, fossils, gems and jewelry will go towards grants for Geology students at California State University, Fresno and Fresno City College. Every year a minimum of $5,000 will be given away in grant money to these students.
