

**Agriculture Building
Presented by Save Mart & Valley Children's Healthcare
Showcasing Fresno County's Agricultural Abundance!**

Come experience Valley-grown fun at the 2023 Big Fresno Fair! To get your daily dose of fruits and vegetables, visit the Agriculture Building presented by Save Mart and Valley Children's Healthcare. Each year, people come from all over the world to see what the diverse agricultural communities of Fresno County have grown this year. Presenting their best-looking fruits, vegetables, nuts, herbs and grains, all are judged and displayed at The Big Fresno Fair for everyone to enjoy.

Nine Community Booth Displays!

Local communities construct their own Fair booths every year in order to showcase the most famous agricultural products grown in their own backyard. The communities that are participating at this year's Fair include: Coalinga, Fowler, Kerman, Kingsburg, Laton, Parlier, Reedley, Sanger and Selma. Thanks to dedicated volunteers in these communities, their booths are constructed before the Fair even begins. Among these combined exhibits are more than 350 varieties of fruits and vegetables on display - making this building one of the largest agriculture buildings in the nation!

Monstrosities.....On display during the Fair

One of the most unique displays! Come see these fruits and vegetables that have inexplicably grown into grotesque shapes, some at unusually large proportions. Not suitable for the market, they make their way to the Fair for a bit of fun as we wonder how these monstrosities came to be! Judging happens Monday, October 2.

Home Gardener.....On display during the Fair

Catch gardening at its best! This display features the products of all home-grown varieties. Judging will take place on Monday, October 2.

Ag Mechanics Displays.....On display during the Fair

You'll be able to see the amazing craftsmanship of Fresno County FFA students with their medium and large Ag Mechanics projects that will be displayed in the Agriculture building. These entries can include everything from patio tables, barbeque pits, trailers and more. Additionally, all Trash to Treasures Welding Art will be on display and include the following classes: Garden/Law Art, Decorative Art Project, Student Trophy Art, Wind Chimes, etc. Stop by to see these incredible FFA welding projects!

4-H/FFA Produce Entries.....On display during the Fair

See what our future farmers have grown! All of the 4-H and FFA fruits, vegetables and wheat entries will be on display in the Agriculture building during the Fair!

San Joaquin Valley Olive Oil Competition Winners DisplayOn display during the Fair

See the Silver and Gold Medal winners from the 2023 San Joaquin Valley Olive Oil Competition (SJVOC), including the Best of Show and Best of the Valley winners! They will all be on display so you can look at all the amazing award-winning California olive oil and then try to find them at the store to use at home! Plus, stop by and sample these award-winning olive oils on these dates and times.
