PUBLIC PARTICIPATION

Public comment is a right granted to the public. Speakers are allotted three (3) minutes each. Comments must be directed to the Board as a whole, and speakers are expected to conduct themselves in a respectful and orderly manner. Conduct that disrupts, delays, or otherwise impedes the meeting—such as persistent shouting, making threats, refusing to follow the Board President's lawful direction after a warning, or other disruptive behavior—is not permitted. Individuals who substantially disrupt the meeting after receiving warning may be directed to leave or be removed, consistent with the Bagley-Keene Open Meeting Act and other applicable laws. Any removal will be based solely on disruptive conduct, not on the viewpoint or content of a speaker's remarks. Speakers may not cede or transfer their allotted speaking time to another individual. Public comment on agenda items will be taken as each item is considered. Public comment on matters not on the agenda is also permitted, although the Board cannot discuss or take action on non agenda items except as allowed by law, because formal public notice is required before the board may consider or act on an item.
