AGRICULTURE-HORTICULTURE

The quality desired in agricultural and horticultural products exhibits is the quality that brings the best financial return in the commercial market, and such exhibits must be at least equal in maturity as the stage of ripeness required by section 42513 of the California Agricultural Code in order to be considered for cash awards. The stage of ripeness is further defined as being available for nearby markets. Exhibits stressing features which detract from the commercial value of any product are undesirable and should be avoided.

VARIETY OF PRODUCTS MUST BE ADEQUATELY AND CORRECTLY LABELED.
