PREFACE

1. The purposes of these rules are to:
 - a. Ensure educational and equitable competition;
 - b. Provide state-wide competition consistency; and
 - c. Maximize exhibitor and public safety.
2. These rules apply to all competitive exhibits conducted by District Agricultural Associations, citrus fruit fairs and county fairs in the State of California.
3. These rules cannot be waived or amended by anyone, including the fair board, management, or judge.
4. The Fairs & Expositions Branch (F&E) is the final and absolute interpreter of these rules. Only a fair may request, in writing a variance on their own behalf or on behalf of an exhibitor to a specific rule. This request must be made prior to the start of the fair or specific competition for which a variance is requested. If F&E approves a specific variance request it may approve a conditional variance with specific conditions. Any approved variance shall expire at the conclusion of the annual fair.
5. Fair Management and/or Board of Directors may grant variances to ownership rule in the instance of deceased animals, submission of late entries and refund of entry fees. Variances may be ruled upon by F&E at the request of Fair Management and/or Board of Directors.
6. F&E will distribute any corrections and additions to these rules to fairs. It is the fair's responsibility to make them available. F&E does not represent or endorse the accuracy, correctness or reliability of any advice, opinion, statement, or other information displayed by the fair in the distribution of corrections and additions to these rules. True and correct copies of all rules and any additions or corrections are available upon request at F&E during business hours, by mail or at www.cdfa.ca.gov/fairsandexpositions.
7. Fairs may create "Local Rules" that may be stricter than the State Rules but that may not circumvent the State Rules.
8. If a local rule is not printed in the exhibitor handbook the applicable State Rule will apply.
9. Competition at the California State Fair is not governed by State Rules for California Fairs.

Any return of entries or fees under this rule will be done on a nondiscriminatory basis. The decision of Fair Management under this rule is only appealable to the Chief Executive Officer (CEO), whose decision is final.
3. Fair Management may combine classes of 4 or less entries for meaningful competition.
4. Exhibitors may not submit the same entries to two or more fairs that require them to be on exhibit at the same time unless prior written approval has been obtained from both fairs. A copy of this approval must be submitted with entry forms.

Participation

1. In order to participate in a youth livestock program (excluding horse, cavies & dogs) at any California Fair, all exhibitors 9 years of age and older must obtain annual certification in the Youth for the Quality Care of Animals (YQCA) program or a comparable fair run program approved by the California Department of Food and Agriculture, Fairs and Expositions Branch. Those not certified are not eligible to participate at a California Fair.
2. The Fair Management shall deny entry or disqualify and remove any exhibit or exhibitor that is ineligible for competition under State and Local Rules or endangers the public or has violated State and Local Rules. The fair may require removal of the exhibitor and/or exhibit (including animals) from the fairgrounds.
3. Exhibitors, leaders, advisors, and parents found, after a chance to provide evidence and be heard before the Fair Management (CEO and staff) of unethical practices as set forth in the State and Local Rules or in actions inimical with the fair program shall result in the exhibit being disqualified and the forfeiture of any awards and/or privileges as may be deemed appropriate to the circumstances by the Fair Management. If the judging for the exhibit has not yet commenced the exhibitor, leaders, advisors, and parents may be denied entry in any exhibitions at the fair. The Fair Management shall report any such incidences of unethical or inimical behavior established by the fair as provided for in this rule, to F&E in writing and such reports may become the basis for any fair to refuse entries from the exhibitor, leaders, advisors, or parents for up to 5 years following the infraction.
4. Exhibits must be on exhibit as specified in the exhibitor handbook. Fair Management may allow late exhibit delivery or early removal of exhibits when it is in the best interest of the fair. Exhibits will not be removed from the fairgrounds before the release date printed in the exhibitor handbook except as determined by Fair Management in cases of sickness, accident, death, disciplinary actions requested by a youth program supervisor, or other circumstances which are in the best interests of the fair.
5. The exhibitor agrees to defend, indemnify, and hold harmless the fair, the county, and the State of California from and against any liability, claim, loss, or expense (including reasonable attorneys' fees) arising out of any injury or damage which is caused by, arises from or is in

any way connected with participation in the program or event, excepting only that caused by the sole active negligence of the Fair. The Fair Management shall not be responsible for accidents or losses that may occur to any of the exhibitors or exhibits at the fair. The exhibitor (or parent or guardian of a minor) is responsible for any injury or damage resulting from the exhibitor's participation in the program or event. This includes any injury to others or to the exhibitor or to the exhibitor's property.

6. Exhibitors, leaders, and advisors must be in good standing with the local and state organization(s) (4-H, Grange, FFA) to be eligible to exhibit at the fair.

Conflict of Interest Avoidance

1. Directors, Fair Management, Chief Executive Officer (CEO), and/or their spouses are not eligible to exhibit at their own district, county, or citrus fair except in timed events. Under no circumstances shall a director, fair management, CEO and/or their spouse be eligible to collect awards.

3. Minor children of Directors, Chief Executive Officer (CEO), Department Supervisors, staff and/or committee members may exhibit animals or articles which are the result of the child's own earnings or a gift made to the child, provided the requirements of pertinent rules are met. All other requirements for exhibiting must be met.

III. JUDGING

1. Judges should avoid any appearance of partiality and avoid unnecessary fraternization with exhibitors.
2. No person shall act as a judge in any division in which he/she or a member of his/her immediate family is an exhibitor, is in charge of an exhibit or division, in charge of a group of exhibitors, or a member of a group of exhibitors.
3. No person shall be allowed, under any circumstances, to interfere with the judge(s) regarding their adjudications, or with the fair's staff, or to offer any audible criticism of an exhibit or exhibitor. Violators of this rule shall be excused immediately from the competition and shall be subject to such additional penalties, including cancellations of awards, as the management shall consider proper.

 - a. Disqualify or transfer to the correct class any exhibit that does not meet the requirements of the division or class in which it is entered;
 - b. Disqualify any exhibit not properly cleaned or fitted;
 - c. Disqualify any exhibit that is in his/her opinion hazardous to public safety;
 - d. Examine the animals before entering the show ring; and/or
 - e. Refuse to make award to any animal that shows visible evidence of disease, deformity, or lameness.

No award will be made to exhibits eliminated under any of the above instances.

5. The judge may not waive State Rules.
6. The judge's decision is final. Fair Management may not request any changes in judges' rulings.
7. To encourage high standards, the judge shall award first, second, third place, etc. according to merit. If without merit, the judge shall make no award under any circumstances. The judge may award championships or other awards at his/her discretion for superior exhibits. This applies whether there are one or more exhibits in class.

IV. AWARDS AND SCORING

1. Fair Management is not responsible for errors on entry forms. No exhibitor shall be entitled to an award that has been disallowed as the result of his/her own error.
2. All divisions or classes will be judged under the American system and/or Danish system as stated in the fair's exhibitor handbook.
3. State "Judging Standards" are to be used where applicable. Local judging standards may be used if published in the exhibitor handbook.
4. Cash awards will be paid only as recorded on the signed Judging Sheet or judging affidavit and only to the exhibitor.
5. Fair Management shall withhold the payment of awards for exhibits that are determined ineligible under State and Local Rules and may recover awards that have been paid for ineligible exhibits.
6. No exhibitor shall receive more than two cash awards in any one class using American judging system. (See definition of exhibitor.)
 - a. When an exhibitor earns more than two awards in a class, the exhibitor will receive the two highest cash awards, and the lesser cash awards will be moved down the placings to other exhibitors; ribbons will be awarded as placed.
 - b. Any difference in payment limits under the Danish system of judging shall be printed in the exhibitor handbook.
 - c. When the fair combines classes, an exhibitor is entitled to two cash awards per each class that was combined. Judges should determine special awards as printed before combining.
7. Sweepstakes shall be awarded as specified in the exhibitor handbook based upon these scoring guidelines:
 - a. First award - 5 points; Second award - 3 points; Third award - 1 point.
 - b. Sweepstakes shall be awarded only when at least three separate exhibitors have achieved at least a combined point total of 30.
 - c. To receive sweepstakes awards, an exhibitor must have a minimum of ten points.
 - d. Sweepstakes points will be credited only to the exhibitor whose name appears on the entry form.
 - e. There are separate sweepstakes or high point rules for horse shows, which may be determined by the fair.

8. Ties which cannot be broken by the judge will be processed as follows (*See also Horse Show Department*):
 - a. 2-way tie for 1st place: Combine 1st and 2nd place money and divide equally between the two 1st-place exhibitors. The 3rd highest finisher receives 3rd place money etc.
 - b. 3-way tie for 1st place: Combine 1st, 2nd and 3rd place money and divide equally between the three exhibitors.
9. The fair will not guarantee sponsored donations.
10. Placing of ribbons does not guarantee correct judging placement. Only the official placing stated on the judging sheet(s) constitutes the final placement.

V. PROTEST

1. Protests will be considered only if there has been a violation of State or Local Rules that have not been enforced. Decisions of judges, veterinarians, weighmasters, breed callers, tail dock officials and timers cannot be protested and are final.
2. All Protests must be accompanied by a deposit of \$500.00 (cash, money order or certified check made payable to the fair). NOTE: The deposit will be returned if the protest is upheld. If the protest is upheld, the violator may be held liable for any portion of the direct costs incurred by the fair in the course of the protest resolution. Failure to reimburse the fair shall be cause for disallowing future entries in any of the network of California fairs.
3. Given the short duration of the fair:
 - a. The protestor shall make every effort to file the protest prior to judging. All protests must be filed in writing within 24 hours of the time of the cause of the protest and before conclusion of fair.
 - b. The fair will make every effort to resolve protests as quickly as possible. All exhibitors by entering an exhibit and all persons by filing a protest agree to cooperate with Fair Management to resolve protests in a timely manner.
 - c. Protests shall be adjudicated by Fair Management and/or members of Board of Directors.
4. Any exhibit involved in a filed protest before or during judging is eligible to compete until the protest is resolved.
5. Classes that involve a protested exhibit will not become official until the protest is resolved.
 - a. In championship or special award classes that involve the protested exhibit the judge shall also select 1st and 2nd runners-up in case of disqualification.
 - b. In the case of protest, the unofficial judging results may be used to prepare the sale list and other necessary information.
6. At the discretion of the CEO, judging can be delayed to allow time for the fair to resolve the protest if to do so does not unreasonably delay or disrupt the operations of the remainder of the fair judging and auction events.
7. Prior to judging the affected class, fairs may announce that an entry has been protested.

8. All questions concerning competition or non-protestable disputes or differences with staff or the exhibition not provided for under the State or Local Rules shall be referred to the CEO or their designee, whose decision shall be final.
9. Violations of State Rules may be appealed to F&E in writing.
10. An individual may appeal to F&E only after adjudication at the local level and only if:
 - a. The decision upholds a Local Rule that circumvents or is not in the spirit of a State Rule(s);
 - b. The individual can substantiate new and credible information that was not available at the time of the local decision; or
 - c. There was inappropriate adjudication at the local level that may have included conflict of interest, lack of due process, or a significant misinterpretation of rules.
11. A fair or state, national or international organization or subdivision thereof which has a significant stake in the interpretation of rules affecting the network of California fairs may make an appeal directly to F&E concerning multiple-fair issues, industry-wide issues, unavoidable conflict of interest or assistance in enforcing its own organization rules.
12. No protest will be accepted unless it:
 - a. Is filed or received, in writing, with a signed original and a signed duplicate copy;
 - b. Clearly states which rule has been violated;
 - c. States when the protestor first became aware of the facts and rule violation;
 - d. States the facts relied upon for the basis of the protest;
 - e. States that the protestor will cooperate with the investigation of the protest and that the protestor will be available and agrees to attend any hearing held to resolve the protest at the time and place directed by F&E;
 - f. Includes the names of supporting witnesses, with accessible phone numbers; and
 - g. Describes or attaches any documents relating to the protest, which must include the written decision issued by the local arbitrating body.
13. Fairs & Expositions Branch (F&E) must receive the appeal in writing within 24 hours from receipt of notice of local decision.
14. A hearing may be conducted at the discretion of F&E. The F&E Branch Chief may consult with and/or request that members of State Rules Advisory Committee participate in any hearing.
15. Once the Branch Chief has ruled on an appeal to F&E, no additional protest or appeal will be considered relating to that incident.

For horse shows, a substitution is considered the horse, not each class in which it is entered. A \$5.00 penalty per horse must be paid prior to judging for each substitution made by the exhibitor.
5. All riders, drivers, and attendants shall be neatly and suitably dressed on entering the show ring. Horse show manager shall have final decision.

Junior Horse Show Exhibitors in 4-H, FFA, and Grange classes, including Independent exhibitors in those classes:

6. Junior Department rules (VII) also apply.
7. Exhibitors must wear properly strapped headgear in mounted or horse-drawn vehicle competition. Headgear must be approved by American Society for Testing and Materials/Safety Equipment Institute.
8. Junior exhibitors are expected to groom and care for their animal(s) when at the fair. They shall refrain from accepting active assistance from adults and non-exhibiting youth unless the junior exhibitor is actively engaged, and the assistance is only for instruction. Local fair rules will determine enforcement.

Ownership or Lease

1. Any horse exhibited in the junior or youth division must be owned or leased by the junior exhibitor showing the horse or owned by the junior exhibitor's parent, stepparent, sibling, half-sibling, stepsibling, grandparent, step grandparent, sibling's spouse, half sibling's spouse, stepsibling's spouse, or legal guardian (as evidenced by court documents) or owned by the institution in which the junior exhibitor is enrolled as a ward. Separate legal entities, such as family corporations, trusts, or partnerships, are also authorized owners of the youth exhibitor's horse so long as all legal and equitable owners and beneficiaries of the legal entity are individuals specifically authorized by this rule. "Owned" means, in addition to other legitimate methods of acquiring ownership, the bona fide legal ownership obtained for adequate consideration in reasonable relationship with the actual market value of the horse.
2. Horse projects must be owned or leased by and under the exhibitor's care and management and under the supervision of the organization in which the project will be shown 120 consecutive days prior to the opening day of fair or event/show if held separate from fair. The official ownership date is the date shown on the receipt of sale unless the animal was bred by the exhibitor. The days are counted prior to the opening day of the fair or event.
 - a. Leased horses cannot be shown for conformation in the halter division.
 - b. For owned horses, proof of ownership must be available at check in.
 - c. For leased horses, the lease, signed by the owner and the 4-H, FFA, Grange or Independent exhibitor, and a clear picture of a side view of the horse or some permanent identification must be filed at least 120 consecutive days prior to opening day of the fair or event/show if held separately from the fair at the county 4-H, FFA, or Grange office or with a person designated by the 4-H Youth Advisor, FFA Advisor or Grange Youth Advisor.
3. Horses owned as a joint project may only be shown by one designated exhibitor at an individual show.

4. All Junior Horse Show Exhibitors:

- a. Fair Management will not offer Lead Line classes in fair sponsored Youth Horse Shows. Lead Line classes may be offered in Open Horse Shows or according to the provisions specified in Rule 5 - a, Special Divisions, ADDITIONAL DEPARTMENTAL RULES, Section VII. Junior Department, page 13.
- b. Fair Management will not allow junior exhibitors to ride or show stallions unless it is specifically provided for by the breed association and in that case only in those specific breed classes at a US Equestrian sanctioned show.
- c. Junior horse exhibitors may be allowed to enter the Senior Department horse show unless Local Rules prohibit.

Participation

1. Ponies entered in classes in which horses are eligible to compete cannot be shown in pony classes at the same show. Fair Management can restrict ponies from entering certain classes by stating so wherever applicable in the exhibitor handbook.
2. Donkeys and mules cannot be shown in "all other breed" halter classes.

3. Eliminations, if deemed necessary by the management, may be held in classes with large entries. The exhibitor shall be expected to ascertain whether eliminations will be held.

Management

1. No show or contest official or his/her spouse shall enter or exhibit horses in any show or contest at which he/she is officiating, nor may any horse owned by such person be entered or exhibited. A show contest official shall be defined as any person performing the duties of a show manager, judge steward, show secretary, cutter, or chariot race official, or any other horse contest. Duties include but are not limited to:
 - a. Contacting or hiring of judges; and
 - b. Acceptance of entries or entry fees.
2. Minor children of Directors, Chief Executive Officer (CEO), Department Supervisor, Show Manager, staff and/or committee members may exhibit horses which are the result of the child's own earnings or a gift made to the child, provided the requirements of the pertinent rules are met. All other requirements for exhibiting must be met.
3. Animals owned jointly by a director and his/her minor child or a CEO and his/her minor child are considered as owned by the child in junior division classes only.
4. Show Manager reserves the right to return entries, transfer entries or combine divisions or classes, and/or cancel any division or class in which, in its judgment, the entries are insufficient to secure adequate competition.
 - a. Any return of entries under this rule must be done on a nondiscriminatory basis.
 - b. The horse show management must divide classes of 50 or more. Separate prize money and ribbons shall be provided for each class.
5. Horse show management shall assign a number to each horse. The exhibitor must wear the number when showing the horse.
6. Photocopies of registration certificates for horse shows may be permitted for the purpose of submitting entries. However, if the fair receives any complaint or challenge concerning the registration of any animal, the fair may request an original registration certificate and may disqualify the entry if it cannot be produced.

Awards

1. Fair Management may withhold the payment of awards for exhibits which are in question under State and Local Rules and may recover awards that have been paid for exhibits in question.
2. For ties other than first place in a jumper or other individually worked competition, the prize money is split. Ties for first follow the jump off rules of the specific Table and Section for that jumper class. If there is still a tie, prize money is split between the winners (i.e., first and second place money is pooled and split evenly between the two riders). Distribution of non-money awards shall be determined by management.

Judges

1. The judge may judge for conformation before entering the show ring.

2. In halter horse classes, judges shall be expected to give reasons for their decisions, embracing the value and desirable qualifications of the animals for which premiums are awarded, whenever possible and reasonable.
3. Judges shall not discriminate against exhibitors wearing protective headgear.

XII. EQUINE HEALTH RULES

1. All animals must be serviceably sound. The soundness of animals when determined by the official veterinarian or by the judge shall be final and cannot be protested. The horse show management may request the official veterinarian to examine any animal in competition. All penalties of the Horse Protection Act of 1970 shall be strictly enforced.
2. Exhibitors who refuse to allow their animal to be examined shall be disqualified from showing and such violation shall be reported to F&E. No refund can be made in these cases.

Equine Health Regulations

Direct specific questions to CDFA, Animal Health and Food Safety Services, 1220 N Street, Sacramento, California 95814 -- (916) 900-5002.

1. Equines known to be EIA positive or non-negative reactors are forbidden to enter, reside, compete, or sell at any state-supported fairgrounds.
2. Equine Medication Monitoring Program (EMMP) (CA Food & Ag Code 24000-24018)
 - a. Horses are subject to random drug and medication testing specified in the Food and Agricultural Code Sections 24000-24018. The applicable fee is \$8.00 per horse per event. The following events are exempt from the Equine Medication Monitoring Program:
 - A rodeo – related competition, which is strictly a timed performance with no subjective judging, held apart from a public event.
 - A sale of solely racehorses,
 - Competitions under the jurisdiction of the California Horse Racing Board.
 - A public equine event for which the class or event entry fee is less than \$4.99 per class and other fees do not exceed \$19.99 (Other fees include but are not limited to, grounds fees, stall fees or office fees.)
 - A public equine event in which all fees for participation are less than \$19.99 (Fees include but are not limited to class fees, grounds fees, stall fees or office fees.)
 - b. The California Equine Medication Rule permits therapeutic drugs or medications prescribed by a licensed veterinarian for the treatment of a veterinary diagnosed illness or injury. All drugs or medications must be used in accordance with the California Equine Medication Rules. Prohibited substances include most stimulants, depressants, tranquilizers, anesthetics including local anesthetics, sedative analgesics, corticosteroids excluding dexamethasone, anabolic steroids, soring agents, and masking agents. Nine permissible medications (dexamethasone, diclofenac acid, firocoxib, flunixin, ketoprofen, meclofenamic acid, methocarbamol, naproxen, and phenylbutazone) are restricted to therapeutic usage as prescribed or administered by a licensed veterinarian, and test-sample levels detected must be in compliance with plasma or urine levels associated with

limited dosing*. Additionally, the detection of more than one non-steroidal anti-inflammatory drug in either a blood or urine sample is a violation of California rules. Maintaining a current listing of specific prohibited substances is impossible due to the continual introduction of new pharmaceuticals, discontinuation of old ones, off labeled prescription of human products, and utilization of foreign products. Additionally, some exemptions exist.

*Specific information is contained in the "EMMP Medication Guidelines Brochure" found at [http://www.cdfa.ca.gov/ahfss/Animal Health/emmp/](http://www.cdfa.ca.gov/ahfss/Animal%20Health/emmp/) or may be requested from CDFA/EMMP at (916) 508-3302 or emmp@cdfa.ca.gov.

- c. Horses must be withdrawn from competition for at least 24 hours after administration of a prohibited substance. A drug declaration form must be filed with an event manager for administration of any prohibited substance three (3) days before the event, to any horse entered in the event. Penalties for violations of the medication rules include fines, suspension, and forfeiture of all winnings.

3. Horse Protection Act

Exhibitors must comply with the Horse Protection Act of 1970 and rules adopted by the U.S. Secretary of Agriculture to carry out its provisions.

Equine Entries from Other States

1. All exhibition equine entering California require individual official identification (ID), an Interstate Certificate of Veterinary Inspection (ICVI) with an inspection date within 30 days before movement into the state, and evidence of a negative Equine Infectious Anemia (EIA) test performed at a USDA-approved laboratory within 12 months before the date of entry. A "pending" EIA test result does not satisfy the entry requirement. The requirements apply to horses, ponies, mules, donkeys, burros, and zebras.
2. Instead of an ICVI, equine may move on an Extended Equine CVI (EECVI) Movement Permit, also known as equine passport.
3. Acceptable methods for official identification of equine include:
 - a. Complete written physical description of the animal that includes the animal's name, age, breed, sex, color, distinctive markings including brands, whorls, and scars, and any form of identification such as tattoo or microchip if present.
 - b. Series of four (4) photographs with four (4) views (left-side, right-side, front view, and a view from behind).
 - c. Unique individual identification tattoo or brand associated with an official equine registry. Official registration papers must accompany the animal.
 - d. Electronic implants (microchips) that are ISO 11784/11785 compliant and contain 15 digits. Microchips are implanted in the nuchal ligament on the left side of the neck. A microchip scanner should accompany the animal.

**RULES SHOULD ENCOURAGE RATHER THAN DISCOURAGE
PARTICIPATION WHILE ENSURING EDUCATIONAL AND EQUITABLE
COMPETITION.**

STATE RULES ARE ADOPTED TO PROVIDE STATE-WIDE COMPETITION
CONSISTENCY. LOCAL RULES MAY BE CREATED BY INDIVIDUAL FAIRS.
LOCAL RULES MAY BE MORE STRICT THAN STATE RULES BUT MAY NOT
CONFLICT WITH THEM.

LOCAL RULES SHOULD BE PRINTED IN THE EXHIBITOR HANDBOOK.

1. Local Rules MUST specify protest policy and procedures.
 - a. How and when and with whom protests must be filed.
 - b. Who will hear and determine protests.
 - c. How, when and who will respond to interested parties regarding the decision.
2. Each fair should consider the following items and determine local rules as needed:
 - a. Residency requirements of exhibitors in each department.
 - b. Judging system (American or Danish) to be used in each department or division.
 - c. Dates for receiving entry forms and fees, receiving entries, releasing entries, etc.
 - d. Any additional requirements to the "substitution" rule.
 - e. Length of ownership for specific departments or divisions. NOTE: Local rules may establish longer length of ownership rules than specified in State Rules.
 - f. Specify what is the minimum number of exhibits required to hold a class.
 - g. Fairs may establish award limits that are more strict than State Rules in order to distribute awards further. Example: "One cash award per division" or "entries limited to one per class per exhibitor" or "market animals sold through the junior livestock auction will not receive premium money," etc.
 - h. Fairs should establish age requirements for junior divisions separate from 4-H, FFA, Grange and Independent exhibitors as specified in State Rules. Fairs should work with local 4-H, FFA, Grange to coordinate consistent age requirements for participation.
 - i. Fairs may require that each animal entered into a group be specified on the entry form.
 - j. Fairs may establish a minimum age limit to be allowed in the show ring for open livestock competition.
 - k. Fairs are encouraged to make local rule prohibiting the buy-back by exhibitor/seller of animal(s) sold through the junior livestock auction.
 - l. Establish local rule regarding if the fair will accept and judge "papers pending" livestock exhibits.
 - m. Categories for participation in special small animal and non-livestock divisions for youth under 9 years of age, see VII. Junior Department, Exhibitor Age Requirements, Rule 5.
 - n. Establish length of ownership for breeding and feeder animals. See VII. Junior Department, Livestock and Horse Exhibits, Ownership, Rule 1b.

- o. Local rules to specify details for terminal sale. See VIII. Livestock Department, Market Animals, Rule 2.
- p. Determine if post entries in the horse show will accepted and, if so, any penalty to be charged.
- q. Specify description of "age of horse show exhibitor". See XI. Horse Show Department, Exhibitors, Rule 1.
- r. Determine local requirements for 4-H, FFA, Grange and Independent exhibitors regarding caring for and grooming their animals while at the fair. See VII. Junior Department, Livestock & Horse Exhibits, Other, Rule 1.

INDIVIDUAL FAIRS ARE ENCOURAGED TO DISCUSS ISSUES WITH OTHER FAIRS AND OBTAIN COPIES OF EXHIBITOR HANDBOOKS FROM OTHER FAIRS TO ASSIST IN DETERMINING NECESSARY LOCAL RULES.

GENERAL INFORMATION STATEMENT OF EXHIBIT PRINCIPLES

THE FAIRS AND EXPOSITIONS BRANCH believes the mission of competitive exhibits at fairs is to ensure the competition is educational, ethical and equitable. This will be accomplished in a manner representing the highest integrity and standards of all participants.

AMERICANS WITH DISABILITIES ACT (ADA)

In compliance with the Americans with Disabilities Act of 1990, exhibitors requesting disability-related accommodations need to contact their respective fair office prior to the fair event.

UPON SUBMITTAL AND SIGNATURE ON THE ENTRY FORM, exhibitors, agents, leaders, parents/guardians, acknowledge and agree to the following principles for competition:

1. Exhibitors will comply with State and Local Rules and accept all responsibility for their exhibits.
2. Exhibitors agree to defend, indemnify and hold harmless the fair, the county and the State of California from and against any liability, claim, loss or expense (including reasonable attorneys' fees) arising out of any injury or damage, which is caused by, arises from or is in any way connected with participation in the program or event, excepting only that caused by the sole active negligence of the Fair. The Fair Management shall not be responsible for accidents or losses that may occur to any of the exhibitors or exhibits at the Fair. The exhibitor (or parent or guardian of a minor) is responsible for any injury or damage resulting from the exhibitor's participation in the program or event. This includes any injury to others or to the exhibitor or to the exhibitor's property.

3. Exhibitors must be able to prove their own eligibility and that of their exhibits according to State and Local Rules and acknowledge that misrepresentation of any kind is prohibited.
4. Junior exhibitors are expected to prepare, manage and present their own exhibits.
5. Exhibitors will conduct themselves with sportsmanship; integrity and cooperation with all participants.
6. In the case of animals:
 - a. Exhibitors will exhibit healthy animals and handle them with care; and
 - b. Exhibit them in their unaltered conformation except for common animal husbandry practices, and
 - c. Use all pharmaceuticals, biologics and other chemicals lawfully and with notification to fair management as it specifies.

IN FULFILLMENT OF THEIR RESPONSIBILITIES, the Fairs and Expositions Branch and the Local Fair agrees to the following principles for competition:

1. Fairs will advocate and enforce the printed rules.
 2. In the case of rules violations or in practices determined to be unethical and inappropriate with the competitive exhibit program,
 - a. The fair has the right to deny entry or remove any exhibitor or exhibit that is determined ineligible, or whose presentation is deemed not in the best interest of the fair, endangers the public or has violated the rules.
 - b. The fair shall discipline such exhibitors as deemed appropriate; and
 - c. The fair shall submit a written report of such discipline to the appropriate governing body of the Fairs and Expositions Branch, regulatory agency, youth or breed association.
 3. Fair staff will conduct themselves with integrity, professionalism and cooperation with all participants.
-
1. It is of the utmost importance to the continued integrity of the local fair and to fair industry, as a whole, that directors, managers, department supervisors, staff and any other involved persons remove themselves from the selection of, or fraternization with, judges in departments in which their own minor children are exhibiting. The appearance or assumption of influence over the judging is just as detrimental to fairs and exhibitors as if it were a fact.
 2. Fair must avoid calling upon parents of junior exhibitors to serve as judges, clerks or other official capacities where they have or may appear to have considerable influence over the outcome of judging.
 3. Fairs are encouraged to make a reasonable effort to enforce California Department of Food and Agriculture laws. Fairs have the right to see any described tattoos, tags or documentation to enforce these laws as they see fit.

5. Combining 4-H, FFA, Grange, and Independent exhibitors. The policy of fairs is to encourage meaningful competition and education. This should be the main consideration when combining any division. When entries in 4-H, FFA, Grange and/or Independent exhibitors are low, IT IS NOT MANDATORY TO COMBINE CLASSES. If the fair decides to combine competition, great care should be taken in doing so. The combining of too broad a range of weights/ages, etc. could create a situation where competition exists only "on paper."

6. Which judged groups of animals to sell in Junior Livestock Auction should be determined which reflects support of the Junior Livestock Auction Committee and the local community. Example: Market Beef are judged Market Ready/Not Market Ready; whereas, veal is judged Group 1, 2 and 3. Local rules may specify only Market Ready, or only specific may sell. See XIII. Judging Standards.

7. Every market animal exhibitor and parent/guardian must complete the Declaration of Medication form prior to the sale of the animal through the auction. Animals will not be eligible to sell if the form is not signed. (See attached example of form.)

8. Harvesting/Processing Regulations

- a. All animals (beef, sheep, swine, rabbits, poultry, etc.) destined for harvest after the auction should be delivered only to licensed state or federal slaughter plants (California Food & Agriculture Code and Federal Code.)
- b. Harvesting/Processing at **federally licensed plants is mandatory** for livestock purchased from the Junior Livestock Auction when:
 - 1) The carcass is intended for RESALE (including restaurants, retail meat stores, nursing/convalescent homes, fund raisers, etc.).
 - 2) The carcasses of animals are entered into carcass evaluations/contests.

Any person or persons who are found guilty of violating this provision are subject to imprisonment for not more than one year or a fine of not more than one thousand dollars or both.

- c. STATE LICENSED PLANTS can only be used for livestock purchased from Junior Livestock Auction when it is for the sole use of the buyer.
- d. SPECIAL EXEMPTION: Poultry and Rabbits are exempt from the above regulations if sold with a "to be harvested by producer" stipulation.
- e. Fairs having difficulties locating or making satisfactory arrangements with licensed slaughtering plants should contact:

CLUB LAMB FUNGUS DISEASE

See the fact sheet created by California Department of Food and Agriculture, Animal Health Branch. The disease occurs most commonly in show sheep and is contagious to humans and other animals.

The fact sheet contains specific recommendations for sheep handling, sanitation, surveillance and reduction of stress on the animals. Pre-education of exhibitors is important with all exhibitors, leaders and parents understanding their responsibilities in containing this disease. If club lamb fungus disease is diagnosed in animals at your fair, the animal(s) must be disqualified and removed from the fairgrounds.

SPECIAL CATTLE REQUIREMENTS

LIVESTOCK WEIGHING REQUIREMENTS FOR SALE ANIMALS

A weighmaster is any person who weighs, measures or counts any commodity and issues a statement or memorandum used as the basis for either purchase or sale of that commodity or charge for service.

1. All scales must be certified annually by the local Division of Measurement Standards before weighing animals for sale.
2. Fairs are not required to have a licensed weighmaster or deputy weighmaster perform the weighing function at the fair. Any fair not using licensed weighmasters should send a notification of exemption letter to:

Division of Measurement Standards
6790 Florin Perkins Road, Suite 100
Sacramento, California 95828

If licensed weighmasters are not used, weight tags/slips cannot be represented as "certified" or as "weight certificates."

3. Fairs that have, or have the use of certifiable scales on the grounds, may become licensed weighmasters by application to the California State Division of Measurement Standards. The licenses are annually renewable. There is a fee for the Principal Weighmaster and a lesser fee for each person who is named a deputy. It recommended that at least one deputy weighmaster be named.

2022 ANIMAL BIRTHDATE LIST

*Insert date based upon opening date of the fair as published in the Exhibitor's Handbook.

- 1) Four months prior for beef, dairy cattle and swine.
- 2) Three months prior for sheep (use month and year only)
- 3) Two months prior for dairy goats and angora goats.

For example, a fair opening on July 18, 2022 will use March 17, 2022 for beef, dairy cattle and swine; May 17, 2022 for Dairy Goats. When the foregoing rule makes classes inoperative, such as for registered swine at early fairs, the rule will be applied to the last class operative. For sheep, insert the third month prior to the latest month in which your fair operates. For a July fair, insert "April; if the fair continues into August, use "May."

**If October is used, the Yearling birthdate must change to September 2020 through September 2021.

***Junior yearling and July/August fall females must have raised a litter of pigs or be in pig to be eligible for entry.

**** Junior and Senior yearling dry can be combined when history or entries indicate.

University of California
Agriculture and Natural Resources
4-H Youth Development Program

TO: UNIVERSITY OF CALIFORNIA COOPERATIVE EXTENSION DIRECTORS, 4-H YOUTH ADVISORS, AGRICULTURE TEACHERS/FFA ADVISORS, GRANGE YOUTH FAIR LEADERS, FAIRS AND EXPOSITIONS ADMINISTRATORS AND STAFF.

To maintain the statewide cooperation that currently exists between Cooperative Extension, Agriculture Education departments, the California State Grange, and the California Department of Food and Agriculture's Fairs and Expositions Branch it is essential that all staff members, leaders and advisors in these organizations and agencies be informed of the joint policy governing ownership/entrepreneurial projects and enrollment of youth who participate in fairs and expositions as members of the 4-H, FFA, Grange, or as independent exhibitors. We hope that all leaders, staff teachers/advisors, fair and exposition officials, and members/exhibitors will observe these policies so that the best interests of all organizations and the member/exhibitors are served educationally.

The 4-H, FFA, and Grange organizations recognize the role of the California Department of Food and Agriculture's Fairs and Expositions Branch to establish and enforce state rules for educational and fair competition at California fairs. These organizations recommend to Fairs and Expositions, the content of this agreement be supported in the "State Rules for California Fairs" and that equitable rules be included for independent exhibitors. We recommend that the content of this agreement be used as a basis for rule development and enforcement at all endorsed fairs and expositions or other sponsored events.

None of the organizations, publicly or privately supported, have the right to determine the extent to which an individual can participate in projects whether as a member of an organization or independent provided the minimum requirements are met for supervised project work. The member and parents should determine what projects should be undertaken in each organization or independently. The agriculture instructor, the 4-H leader, nor the Grange leader should discourage a member from following the choice agreed upon by the member and parents.

It is agreed that when an individual belongs to more than one organization, or exhibits as an independent, he/she must carry a different ownership/entrepreneurial project in each organization/independent. To further clarify this policy, when a member maintains projects in 4-H, FFA, Grange, or independently, the projects may not be in the same kind of livestock or crop production classification. "Production classifications" refers to the grouping of livestock and crops with consideration given to their production type and usage and not by species. For example, a beef project in FFA and a sheep project in 4-H would be acceptable since these two projects are both different species and produce a different commodity, but a beef breeding project in FFA and a beef market project in 4-H would not be acceptable as they are of the same species and produce the same commodity of beef; even if the animals are of different breeds. A further example of a project of the same specie but different production type would be a dairy goat project in Grange and a meat goat project in 4-H, that would be acceptable since the production of milk versus meat is clearly different. To assist in determining whether the projects are to be considered "different" and may be carried in the different organizations or independently see attached

Addendum 1 for a listing of projects production classifications that have been agreed upon for the administration of this agreement. The addendum does not address "projects" which are non-ownership/work experience in nature or involve participation in leadership development activities and events such as public speaking, parliamentary procedure, or judging contests, which are not covered by this agreement.

A member of an FFA chapter, Grange, or 4-H unit (club, group, etc.), or independent exhibitor may transfer projects from one organization/independent to another only once during a calendar year. All transfers must include official notification by the member to the organizations involved of their desire to drop and/or add a project and take place at a time that would allow for the supervision of the project by the respective organization/independent. Transfers must take place not less than 60 days, (or the number of days required for the ownership and supervision of respective species whichever is greater), prior to the exhibit or award recognition of the project. Please note that members transferring from 4-H, FFA or Grange to independent may be ineligible to participate at fairs as an Independent exhibitor if documented disciplinary action involving their project(s) has been taken against them by 4-H, FFA or Grange organizations. Fair management shall determine length of ineligibility. For additional detail regarding agreement for members transferring projects from 4-H or Grange to FFA when entering the seventh grade, refer to Addendum 1. To be able to show a project at an endorsed fair, exposition, or other sponsored event, it must be owned and supervised according to the following requirements:

Poultry – must be owned and supervised for not less than 30 consecutive days and be enrolled in the project for not less than 60 consecutive days.

Rabbits – must be owned and supervised for not less than 30 consecutive days and be enrolled in the project for not less than 60 consecutive days.

All feeder and breeding animals (except rabbits, poultry and horses) must be owned and supervised for not less than 30 consecutive days and be enrolled in the project for not less than 60 consecutive days.

Market sheep, swine, veal, and goats – must be owned and supervised for not less than 60 consecutive days.

Market beef – must be owned and supervised for not less than 120 consecutive days.

Horses/llamas/alpacas – must be owned/leased and supervised for not less than 120 consecutive days.

Once a project transfer is made, youth may not transfer their project to another organization for 12 months. For the purpose of clarification, the 12-month period starts from the date of the first show occurring after the transfer. For example, a youth transfers their project from 4-H to FFA on May 25th. The first show, following the project transfer, occurs on July 30th. The youth may not transfer their project to another youth organization until July 31st of the following year. Transferring projects once is allowed when ownership requirements are met. Transferring projects between organizations more than once within a 12-month period is prohibited.

We are in agreement that members are expected to care for, prepare for show, and exhibit their own animals while at the fair or livestock show. However, because of the educational nature of livestock shows, it is appropriate on occasion for parents, leaders, or other youth eligible to exhibit at that show to provide assistance. Assistance should always be given only when the exhibitor is present and actively engaged.

Separate classes for 4-H, FFA, Grange, and independents should be maintained and strengthened. However, we recognize that in some circumstances combined classes may be appropriate. When combined classes are established, the decision should be reached with input and agreement by 4-H, FFA, Grange, and independent representatives participating in the affected show(s).

It is important that the official uniform requirements be followed at all sanctioned events in which youth are exhibiting as a member of the 4-H, FFA, Grange or independent. Fairs should support and honor language in the California FFA Constitution that outlines the official dress and show uniforms for the organization, which has been approved by members of the association.

We are in agreement that 4-H, FFA, Grange, and CDFA Fairs and Expositions Branch will unite in an effort to support the ethical and humane treatment of all animals at fairs and expositions and in the production of a healthy and safe food supply. We also agree to reinforce the educational emphasis of competitive programs for plants, animals and maintain the standards of integrity of all participants while attending endorsed fairs and expositions or other sponsored events.

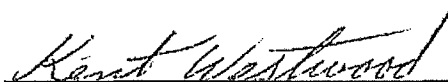

This agreement is effective on October 1, 2020 and remains in effect indefinitely until modified or terminated by mutual consent.

Transfers to FFA

Students desiring to transfer projects to FFA must notify **both** the FFA Advisor and the 4-H or Grange project leader of their intent to transfer and drop/add their project at a period of time not less than the period required for ownership and supervision of that project. To be eligible to be a member of FFA and exhibit a project under FFA a student must: 1.) be pre-enrolled in an agriculture education course, 2.) be affiliated with the State FFA organization, 3.) be legal owner of the project and be supervised by the FFA Advisor for the period of time required by agreement for this project production classification, and 4.) keep records of conduct of the project. Under this agreement, students can transfer projects to FFA and drop them from 4-H or Grange prior to completion of the sixth grade. Under no circumstances, however, may a student exhibit as an FFA member prior to official completion of the sixth grade.

January 4, 2022

The 2022 California Fair Season is upon us and there is no better time to reflect and appreciate what California fairgrounds have to offer to their communities. Our fairgrounds have been serving in so many different capacities throughout the pandemic, but we are ready for something more!

Each fair gives much to its community and in return, communities are the fairs' biggest supporters. This past year was no exception to the rule! The amount of support received in 2021 by the fair industry was a true representation of the impact our fairs have on their communities. This support and enthusiasm was especially significant as the fairs worked hard to make a comeback after a difficult year in 2020.

My hope is that in 2022 California fairs will have the opportunity to display their creativity and talents to the fullest. For many exhibitors and patrons, the annual fair it is the one event of the year that they look forward to most. For fair staff and others, it's the event they have been preparing for over the past year and are eager to see come to fruition. Also very importantly, it is one of the very few events that allows many diverse groups to gather to celebrate culture, traditions, creations, and achievements.

The importance of California's agriculture is showcased in a variety of ways during the annual fairs. One of the most prominent ways is through exhibits. Agricultural exhibits not only entertain the public but also share information about an industry that is a vital part of the state but may be unfamiliar to them. Exhibits provide a sense of diversity while reminding fairgoers of the connections they share with others in the community. That is what makes our fairs' community so special!

I am excited for this fair season and proud to be a part of this effort. I want to thank you again for all your efforts and wish you the best!

Yours truly,

Karen Ross
Secretary
