**SCORECARD FOR JUDGING VARIETY FEATURE EXHIBITS (BOOTHS)**

**NOTE:** Judges shall give preference to booths using natural materials, decorations and backgrounds.

	<b>Score</b>
<b>EDUCATIONAL VALUE</b> .....	<b>40%</b>
Displaying the diversity of agricultural produce and the uniqueness of each community in a manner most interesting to the public through the use of readable labeling, concise legends, and other visual or audio education aids using a minimum of brand names.	

<b>QUALITY</b> .....	<b>20%</b>
Excellence of quality in produce displayed as determined by market standards. Immature or overripe produce reduces the quality.	

<b>DECORATION, ARRANGEMENT &amp; LIGHTING</b> .....	<b>10%</b>
Effective use of articles of produce, color, lighting and animation which attracts attention and presents a pleasing appearance. Attractive arrangement and proper grouping of commodities to achieve well-balanced harmony. Effective use of all space allotted.	

<b>THEME</b> .....	<b>10%</b>
Thought or idea, expressed by design feature of the exhibit (unless specifically required, the theme used must be the current year theme).	

<b>VARIETY</b> .....	<b>20%</b>
<hr style="width: 100%; border: 0.5px solid black;"/>	
<b>Total 100%</b>	

INDIGENOUS NON-CULTIVATED PLANTS AND TREES OR THEIR PRODUCTS, FLOWERS AND ORNAMENTAL PLANTS, SHALL NOT BE COUNTED, EXCEPT WHEN THE FLOWERS ARE COMMERCIAL CROP IN THE AREA REPRESENTED.

Special Feature Exhibit Booths shall display an agricultural product, process or procedure of the area represented in such a manner as to most attractively inform the public of the value, desirability and interest to the consumer, to be found in the subject being featured.

**DIVISION 402**

**SPECIAL FEATURE EXHIBIT BOOTHS**

**Class**

**4 At least 600 square feet or greater**

**5 At least 301-599 square feet**

**6 At least 300 square feet or less**

**SCORECARD FOR JUDGING  
SPECIAL FEATURE EXHIBITS  
(BOOTHS)**

**EDUCATIONAL VALUE 40%**

Displaying one aspect or segment of the area's agriculture in a manner made most interesting and informative to the public through the use of readable labeling, concise legends and other visual education aids using a minimum of brand names.

**INGENUITY 25%**

Cleverness & skill in design and/or contrivances used to illustrate or represent, such as miniatures, diagrams, photographs, lighting, models, etc. Should adhere to scale. Inconspicuous detail not required.

**ATTRACTIVENESS 25%**

Effective use of composition, animation, color and/or other exhibit aids to enhance appearance, create interest and invite closer inspection.

**COMPLETENESS 10%**

Includes all important aspects or components of the booth subject or theme and utilizes to best advantage all of the space allotted.

**TOTAL 100%**

**AGRICULTURE-HORTICULTURE**

The quality desired in agricultural and horticultural products exhibits is the quality that brings the best financial return in the commercial market, and such exhibits must be at least equal in maturity as the stage of ripeness required by section 42513 of the California Agricultural Code in order to be considered for cash awards. The stage of ripeness is further defined as being available for nearby markets. Exhibits stressing features which detract from the commercial value of any product are undesirable and should be avoided.

**VARIETY OF PRODUCTS MUST BE ADEQUATELY AND CORRECTLY LABELED.**

Open to communities & organizations within Fresno County
