THE BIG FRESNO FAIR & FACILITY

The Big Fresno Fair (21st District Agricultural Association), founded in 1884, is the fourth largest fair in the State of California with an average annual attendance of approximately 600,000 during its 12-day event, featuring competitive exhibits, live music, community performers, live horse racing, carnival rides, livestock exhibitions, attractions, Fair food and more. The Big Fresno Fair represents the 15 incorporated cities of Fresno County and draws attendance from the region and beyond to the Fresno Fairgrounds.

The Fresno Fairgrounds is a year-round rental facility spanning 165 acres held under a 50-year lease with the County of Fresno, hosting over 250 events annually – which range from large public events to business conferences and family events. It operates a year-round satellite wagering facility, The Starting Gate, and is home to two award-winning Museums – The Big Fresno Fair Museum and the Fresno County Historical Museum. Annual fairgrounds attendance is approximately more than 1.7 million.

The Big Fresno Fair is far more than the Central Valley’s largest annual event providing affordable entertainment for the entire family. It is an economic stimulator for the community, contributing more than \$77.1 million in economic impact to Fresno County annually, according to an independent report from 2015 – a figure that surely has increased over time.

The Fresno Fairgrounds derives its annual income from these main sources: the annual Big Fresno Fair event, including Sponsorships; weekly Satellite Wagering; and interim events. The largest interim events include the weekly Swap Meet, the annual Hmong New Year Celebration and the Home & Garden Shows. The Friends of The Big Fresno Fair, the non-profit arm of the Fair works to support key educational programs and facility improvements through fundraising efforts.
