Ownership Orchids must have been in exhibitor's possession for at least three months.

Measurements Measurement is from the base of the plant, not including roots to the top of the plant, not including the bloom.

The Big Fresno Fair Floriculture Department is pleased to host the American Orchid Society judging at this year's fair.

During the ribbon judging on Sunday, October 11th, a team of certified judges will be present to evaluate any potential national award-worthy orchid blooms present.

This is a great opportunity for all potential Floriculture Department orchid exhibitors to have their plants evaluated for national awards.

For further information, contact the Superintendent of the Floriculture Department.
