If I catch a steer, I agree to raise it as a standard 4-H Beef Steer project, and to show and sell it at Fryeburg Fair next year. I understand That the steer cannot go through any other beef sale prior to the Fryeburg Fair. I will show my steer at the Fryeburg Youth Show on the Fryeburg Fairgrounds in April.

It costs an estimated \$1,500.00 to feed a beef steer for a year. I am in a position to finance these feed costs. I also have a place to raise a beef steer.

The West Oxford Agricultural Society (Fryeburg Fair) will endeavor to select good quality, healthy calves for the Calf Scramble. When these calves are caught by the contestant, they become the property of the contestant and he/she will be held responsible for the health, growth, and condition of these calves.

I agree to furnish any veterinary attention that my steer might require, and I will submit proof of \$1,000,000 (one million dollars) of liability insurance coverage.

I agree to all of the above statements.
