## Message From the President

Our annual spring meeting started off with lots of snow on the ground. With 70 or more Department Heads, Superintendents and Assistants on hand, we voted in several new Department Heads and Assistants. Due to our major disaster of two large barns burning last July, we approved the largest capital campaign that we have ever had, more than \$2,225,000, which includes a new 120' x 240' Barn to replace those lost in the fire, the cost of which is \$2,000,000.

Some of the other major projects we will be undertaking this year are:

- A Craft Beer Tent, which is something new for Fryeburg Fair
- Erecting a new ticket building at the Lovell entrance
- Upgrading our power
- Laying down new blacktop and making repairs to gravel roads
- Widening some of the Midway areas, as well as removal of some of our potentially hazardous trees
- We are working hard to enable a better flow of automobile as well as foot traffic, and help ease some of the overcrowding sometimes felt on the fairgrounds.
- This will be the third year that we are constructing a Chicken Coop to be raffled off here at Fryeburg Fair. Proceeds go to continuing the education and promotion of poultry.
- All this as well as several smaller projects/maintenance making us the Agricultural Fair that we are

As you know, it takes committed, dedicated, and enthusiastic people to make Fryeburg Fair the success it is today. These are the types of people who give of their time and attention to our Fair, making us a Blue Ribbon Classic.

See you at the Fair!  
Roy Andrews, President

## Daily Entertainment Notes 2019

The Fryeburg Fair supports and promotes live music and entertainment of all types. We're pleased to present the most talented performers in Maine throughout the Fair Week. Four stages are in use every day with variety and style that guarantee something for everyone. We have an Official Entertainment Brochure that's available at the information booth by the front gate. Schedules are subject to whim and weather with the most current information available on posters at each of the parks.

### **Water Wheel Park**

Located by the Main Gate to the Fryeburg Fair, The Water Wheel Park offers daily performances from 9 AM til 7 PM. Entertainment includes cloggers and various kinds of musical talent. You'll see such virtuosos as Denny Breau, the Sean Mencher Combo, Howard Allen and the Troubadours and the Underachievers, to name a few of our excellent entertainers.

### **Christmas Tree Park**

The Christmas Tree Park is located next to the Pulling Pavilion. It was expanded in 1993 and many more benches were added for the ever growing crowds. The addition of a covered stage in 1997 allows entertainers to perform on marginal days. The Christmas Tree Park present such Fair favorites as Jose, Flamin Raymin & Sizlin Susan, Jonathan Sarty & The White Mountain Boys, and Dave Rowe & The Squid Jiggers.

### **MacDonald's Farm Park**

**McDonald's Farm Park** a perfect place to find strolling entertainers before entering Old MacDonalds Farm petting area. The One-Man Band, Joe The-Balloon Guy, stilt walkers, jugglers, and many more will keep you and your children entertained and smiling...

### **Draft Horse Park**

Draft Horse Park, is located on Equine Road in front of Draft Horse Barn #3. A perfect place to stop, sit and rest and listen to some wonderful music.

### **Hayseed Theater**

The Hayseed Theater is located near the west end of the racetrack facing the Orange Gate. You'll find folk singers, bluegrass bands, jug bands and magic shows to greet fair goers as they enter from the parking lot.

### **Strolling Entertainers**

You never know what waits around the next corner at the Fryeburg Fair. Joe The Balloon Guy and Professor Paddy Whack are Fair favorites and will be on the grounds every day. The Dick Kaplan Band and the Pittsburgh Barbershop Quartet brass bands, barbershop quartets to balloon twisters.

There's a surprise at every turn!

Entertainers interested in performing at the Fair can find detailed information at our web site [www.fryeburgfair.org](http://www.fryeburgfair.org).

## **The Natural Resource Center**

Elbridge Russell, Superintendent  
Assistants Judy Haynes, Gregg Hesslein  
207-935-6000 or 207-935-2912 or 207-935-3268

The Natural Resource Center has spaces for exhibits that educate and promote businesses that pertain to natural resources and the ecology.

Exhibits are open every day from 9AM to 9PM during the fair. Representatives are here every day to answer questions about their roles in these fields.

### **Fryeburg Fair Scholarship Awards**

All lots open to the world, except as otherwise designated.  
Livestock entries close August 15th.

NOTE: Entries postmarked after August 15, 2019 may be returned. Stalls are assigned by department superintendents. No assigned early stall requests accepted.

**NOTICE - Livestock Exhibitors - This Is A Must. After 8:00 AM all livestock trailers, pickups, and cars shall be put in the designated areas by the livestock superintendent. The cars and pickups will be put in the public parking area (no charge) with the appropriate stickers and the livestock trailers in their designated area with appropriate stickers. All servicing of livestock must be done by 9:00 AM. All clipping chute locations and all washing of livestock will be designated by the livestock superintendent.**

**Stickers must be attached to vehicle in lower left hand corner of windshield. Otherwise the sticker will be confiscated and admission will be denied. STICKER ADMITS DRIVER AND VEHICLE ONLY.**

No livestock shall be unloaded prior to acknowledgement of the Superintendent of Livestock.

Any person misrepresenting an animal or article in making an entry, or attempting to use influence with committees in their awards shall forfeit all rights to premiums, and shall be excluded from the right of competition thereafter.

All exhibits, including animals, shall be displayed only at such locations within the grounds and buildings as are designated by placards or by Fair Officials.

In the event an animal has not been entered as required in the premium book, this Association will not be responsible for housing said animal after designated barn has been filled.

All persons having charge of stock or other exhibits must obtain tickets on entering the grounds.

The Superintendents will take every precaution for the safekeeping of stock and articles after they are placed on exhibition, but the Society will not be responsible for damage that may occur either to, or by them.

Fair officials may impose such penalties as they consider reasonable and proper for violations of any rules or requirements set forth or referred to in this premium list, including abuse or mistreatment of any animal or fowl exhibited, or misbehavior by any exhibitor or contestant. Such penalties to include withholding of premiums, exclusion from any class or lot, suspension or permanent barring from exhibition or competition.

If any person shall enter any animal or article that he does not own or in any way obtain premiums by fraud, such premiums shall be cancelled. The return of property to the former owner will be considered satisfactory evidence of fraud.

Livestock committees are required to withhold premiums when the animals or articles are not worthy, although there may be no competition.

In the event that the Finance Committee of the Fair should feel that unusually bad weather has so far restricted the receipts of the Fair as to jeopardize the future of the Fair if premiums are paid in full, then such Committee is authorized to reduce all premiums offered by the fair by such percentage as they consider necessary for the protection of the Fair. Such reduction, if made, shall apply equally to all premiums, but in no event shall be more than a fifty percent reduction.

All animals competing for the Society's premiums must be on the grounds by 9:00 AM - September 29th - except by prior arrangement and must remain until 6:00 PM - October 6th - except that they may be taken out overnight and returned by 8:00 AM the next morning. **In spite of efforts by the Department of Agriculture and the fair officials, and the expertise of exhibitors the potential for exposure to disease exists. Therefore it is strongly recommended that exhibitors protect their flocks and herds by (1) appropriate vaccinations of show stock against contagious diseases under supervision of a veterinarian and (2) an isolation period before re-introduction to the home flock or herd.**

**In addition to the general requirements the following specific requirements will be enforced:**

### **OXEN**

Equines entering the state must have a negative Coggins or E.L.I.S.A. test done within six months of entry into Maine.

The person or persons in charge of race meets, exhibitions, stables or race tracks or fairgrounds where horses are being raced, exhibited, or stabled shall ascertain that a copy of the official test accompanies each equine and such reports shall be available for inspection by an agent of the Commissioner of Agriculture upon request. Over the past several years, many racetracks and training facilities in the Mid-Atlantic region have imposed restrictions on horses entering their facilities due to the outbreaks of Equine Herpes Virus EHV-1 in our region. A number of horses in New England were exposed to EHV-1 during this winter and in 2006.

If you are planning to take your horse to any shows, fairs, training facilities or racetracks in Maine please be aware that Dr. Michele Welch, state veterinarian, is strongly recommending that tracks, agricultural fairs and equine training facilities in Maine require that **all horses entering their facilities be vaccinated for EHV (rhinopneumonitis) and equine influenza, not more than six months or less than 14 days before entry.** Proof of vaccination should be listed on the Certificate of Veterinary Inspection (required for all horses entering the State of Maine) or on a certificate of vaccination signed by the owner's practicing

veterinarian. (Please remember that any horse entering the State also needs to have a negative Coggins test within the previous 6 months). Your horses must have the EHV vaccination to participate at Fryeburg. **A certificate of proof of EHV-1 vaccination is required with entry form by August 15th.**

### **SWINE**

Swine originating in Maine shall be from herds having an official State of Maine validation. Breeding stock six months old or older must be on record as having been tested for the current validation period or, if purchased by owner after regular test, be tested as for import into Maine.

Market hogs and feeder pigs, since they are usually six months and under, need not be tested if originating on owner's farm from validated stock. All swine must be permanently identified.

### **POULTRY**

All Poultry shall originate from flocks that have an official Pullorum-typhoid clean rating.

### **DOMESTIC ANIMALS**

Domestic animals and poultry offered for show or exhibition at any fair or livestock or poultry show or exhibition, showing evidence of external parasites, footrot, shipping fever, or other diseases may be excluded from or ordered removed from such fair or livestock show or exhibition or otherwise handled as the Director of the said Division of Animal Industry may direct. All domestic animals and poultry originating outside the State of Maine must meet the same requirements to show as are required for entry into the State.

### **RACING**

**ALL HORSES MUST BE INOCULATED FOR RABIES AND HAVE A CERTIFICATE AT LEAST 30 DAYS PRIOR TO FRYEBURG FAIR IN ORDER TO PARTICIPATE AT THE FAIR.**

The person or persons in charge of race meets, exhibitions, stables on race tracks or fairgrounds where horses are being raced, exhibited, or stabled shall ascertain that a copy of the official test accompanies each equine and such reports shall be available for inspection by an agent of the Commissioner of Agriculture upon request. Failure to furnish such reports shall exclude equine from the events.

Rule IX, Section 13 (a) of the Rules and Regulations of the Maine State Harness Racing Commission is hereby deemed to be incorporated herein by reference and applicable to all horses assembled at a Harness Race Meet, including but not limited to standard horses, lead ponies, marshall mounts, stallions and brood mares.

Harness Racing Commission personnel may assist in the enforcement of this regulation insofar as they are permitted and authorized by law. Whoever violates these regulations shall be punishable as provided in Title 7, MRSA # 1706.

**All horses and ponies must have the Equine Herpes Virus Type I (EHV-1), not less than 14 days or more than 6 months before coming to Fryeburg Fairgrounds. A certificate of proof of EHV-1 vaccination is required with entry form by August 15th.**

## **NOTICE OF CHANGE IN LIVESTOCK EXHIBITOR INSURANCE REQUIREMENTS**

The Fair has been notified, by our liability insurance provider, that all livestock exhibitors must provide the Fair with a certificate of liability insurance in an amount of \$1,000,000 (one million) or greater before they are allowed to enter the fairgrounds with their livestock.

In past years, the Fair has not imposed this requirement where small animals and poultry were concerned. We are no longer able to do this in light of what we perceive as greater risk and the availability of more affordable coverage.

The good news is, by belonging to the Maine Association of Livestock Exhibitors, a member has the benefit of the required insurance needed to exhibit at a Maine fair. There is a membership fee of \$40.00 per family or \$25.00 for an individual age 18 or older. The membership card is proof of the coverage needed to exhibit at a Maine fair.

For more information on joining the association and acquiring this exceptional coverage, contact the Maine Association of Livestock Exhibitors, c/o Kathleen Pride, 830 Cape Rd., Limington, Me. 04049 or by telephone at 207-838-5727. An application is in the forms section.

If you have any questions regarding this notice of the Fair in general, please call the Fair secretary at 207-935-3268 or email at [info@fryeburgfair.org](mailto:info@fryeburgfair.org).

In Cooperation with the New England Galloway Group and with support from the National Belted Galloway Society, Fryeburg Fair has been designated as the New England Regional Belted Galloway Show. Fryeburg Fair has been host to a Belted Galloway show for decades and consistently has been one of the largest shows in the United States. All New England Galloway farms are eligible to participate.

## **Breeding Stock**

No premiums will be paid on Grade Cattle

No entry or stall fees in this department

Any exhibitor exhibiting ten purebred animals in any one breed, Dairy or Beef, will be guaranteed a minimum of \$200.00 providing the animals are worthy and representative of the breed in the opinion of the Judge.

**Limit 10 animals per breed per exhibitor. If the exhibitor brings more than 10 head per breed, the owner of the excess animals, whether 4-H or not, will be treated as a separate exhibitor, with those animals to be registered in his or her name, separate proof of insurance required, and must be entered as a separated herd. If showing two breeds, you must send two separate entry forms.**

**Fair officials will reserve the right to limit entries where it appears that there is intent to evade the purpose of this rule, or where deemed necessary to achieve fairness and/or to save room.**

Show steers and oxen limited to 5 pairs per breed. .

No exhibitor shall be permitted to win more than 2 premiums in any one lot.

All animals entered as purebred must have at time of entry or on request of proper officials a registration certificate for each animal issued by the association making such registration and must be registered in the name of the exhibitor at least 30 days before the opening day of the Fair.

All animals must carry proper identification. Members of the same firm, family or from same farm will be registered as one exhibitor.

## **Department 3 Sheep**

Superintendent - Robert Cameron, (C) 1-207-357-5479

2019 Sheep exhibitors will still know Fryeburg Fair's Sheep Show as Fryeburg Fair Maine's State Sheep Show. The reasons for this are as follows:

1. To promote the sheep industry as a whole.
2. To promote the improved quality of pure bred and registered sheep in Maine.
3. Premier breeder and premier exhibitors of each breed will be selected. Blankets awarded in classes with 3 or more exhibitors.
4. For all breeds that fall within the "all other" breed show - a separate show for meat breeds and wool breeds will be held if enough sheep are present to make up a good show.

You now have a Maine State Sheep Show Committee and your committee will be responsible for the following:

1. Bookkeeping for premier breeder and exhibitors.
2. Posting the results of the lots following each show.
3. Promotional work for the shows.
4. Special awards to exhibitors which are not extended by Fryeburg Fair.

Each exhibitor is limited to showing of no more than three breeds under their family name. Exhibitors will be limited to showing no more than 7 (yearlings & younger) sheep per breed, and may receive only two premiums in single lots and one in group lots. Members of the same family or from the same farm will be considered as one entry per breed. Inferior animals are not desired, and the superintendent reserves the right to dismiss any flock from the grounds at penning.

**Ages** - The date for computing ages on all sheep shall be September 1st and January 1st.

**Teeth requirements are:**

Fall Lambs - Yearling teeth may be present, but must not be up even with the lamb teeth at time of show. (9/1 - 12/31).

Spring Lambs - must have all lamb teeth. (Jan. 1 on)

Yearlings - may not have more than 4 permanent teeth showing at time of show.

All sheep will be mouthed.

The owner and teamster found to have used a drug on any competing animal shall be barred from pulling for two (2) years as required by section 74, subsection 4.

**L.** Heading of horses or oxen is not allowed. One inch pulled shall constitute a hitch. Stepping over the rail counts as a hitch, and 5 minutes are allowed for hitching. Three attempts may be made within that period. Time taken out to position the drag for the next pull may not be counted. Teamsters may not be changed after the first load is pulled. A team deliberately driven over the rail is disqualified from the contest. In case of a tie on the longest distance, the 2nd longest distance already pulled will take first place. Evener men must remain quiet after hitching on. This paragraph does not apply to distance pulls.

**M.** There may not be heading of horses after a pull starts unless there is a mix-up, snarl or breakdown.

**N.** A substantial barrier must be maintained at the end of the ring toward which the pull is proceeding to prevent or substantially impede runaways. A teamster losing control of the team is disqualified immediately.

**O.** There is 100 pounds tolerance on draft steers and oxen on and after Labor Day weekend.

**P.** Any animal which is thin, dehydrated, shows open sores or is lame shall be disqualified.

**Q.** Before a team is allowed to pull, the owner shall provide a certificate of liability insurance in the amount of \$1,000,000.

**R.** Any animal caught under the drag is disqualified and must unhitch immediately.

5. "No person shall feed, inject, insert or otherwise administer any drug, depressant, stimulant or sedative, which may affect the conduct, actions, endurance, strength, speed, or performance of any animal, to any animal competing in any pulling competition. The Commissioner of Agriculture may require that any such animal before, during, or after such competition be subjected to such tests as he may deem necessary for the detection of such drugs or substances. ## PULLING HORSE OWNERS

NO LONGER REQUIRE THE 50.00 STALL FEE. Send entry along with the dates for which you will need stalls. You must check in with the Horse Superintendent, or his designate, when you arrive and also before you depart. The purpose of this, hopefully, is to enable us to regulate and be able to accommodate more horses for the full week. As most of you know, we haven't been able to house or take entries for nearly as many as would like to come, even though we have built draft horse barns to the extent of our capacity.

We intend to have some rope or guide behind the draft horses in the barns for viewer safety. We'll be having seating room in the pulling ring for the convenience and safety of the owners and drivers who aren't pulling at that time. We'll allow two helpers in the ring with each pair of horses. There will be some sort of tickets or armbands for those eligible to be in the seated area.

The reason for these changes is for the safety of the people that view the horses in the barns and in the ring, and the safety of the horse owners and the teamsters. Also, most of the accidents that we have had here during the Fair have been due to large animals.

Thank you in advance for your co-operation. This is a big show, and it is very important to both parties concerned, and if we work together we can have a much better and safer show. Horse scales are available at any time for checking weights.

- ☒ All drags to be left in exercise area only!
- ☒ Horses are to be weighed with regulation style flat halters—no rope halters allowed.
- ☒ Lead rope must be on horses at all times.
- ☒ No running of horses in exercise area or scale area is allowed.
- ☒ No cattle, llamas, or alpacas are allowed in the horse area.
- ☒ Unload & load horses inside safety area!
- ☒ Riding the evener is not allowed going across the road.
- ☒ There must be a header leading teams to and from pulling ring.

Once horses have been unloaded they must remain in the safety area. (For safety reasons) Each horse's halter must have a minimum weight of one (1) pound.

The use of sweat blankets will not be allowed. First violation a warning second violation a disqualification. Certificate of proof of EHV-1 vaccination is required with entry by August 15th.

ALL BARN LIGHTS ARE TO BE TURNED OFF BY 10:00 PM OR 1 HOUR AFTER THE LAST PULL OF THE NIGHT.

Beginning in 1996, in recognition of the major expense and value of equipment required to be utilized and displayed by Draft Horse and Draft Pony Exhibitors, Fryeburg Fair will pay a special stipend to apply toward equipment costs in the amount of 30% of the total premiums won by an exhibitor. However, the fair wants to stress the need to follow all Fryeburg Fair rules.

Each exhibitor's horses or ponies must be in their stalls by 9:00 AM on the first Sunday of the fair and must be in their stalls until 5:00 PM on the last Sunday. Any violation of the above will cause the exhibitor to forfeit all draft horse or pony premiums.

## New Grand Master Teamster Trophy The Grand Master Fryeburg Fair Teamster Trophy

The Grand Master Fryeburg Fair Teamster Trophy will be awarded by the Judge of the Fryeburg Draft Horse & Ponies Show to the teamster who exhibits superior demeanor as a competitor, and excels in driving draft horse & ponies turn-outs at the Fryeburg Fair. To qualify for consideration the teamster shall be entered and place in the Cart Class, the pair Class, the Four Horse or Pony Team class, the Six Horse or Pony Team class. The judge may ask for a drive off, and request any appropriate maneuver that demonstrates superior ability in handling a multiple-horse & pony team. ### **The Little Red Schoolhouse**

#### **Toll Bridge School - District #13**

#### **TOLL BRIDGE SCHOOL 1894**

#### **DEDICATED AT FRYEBURG FAIR OCTOBER 1991.**

This little red schoolhouse was located on a knoll in Toll Bridge and was used from 1835 - 1938. Diana Jones researched the history of the school which has been placed in the schoolhouse for everyone to see and read. The school had one room and one teacher taught all subjects to all grades. The schoolhouse was heated with wood. Water was carried from a nearby house.

Through the generosity of Mrs. Marion Hobbs, the schoolhouse was given to the West Oxford Agricultural Society (Fryeburg Fair) and moved to the fairgrounds in the fall of 1990. It has been carefully restored and furnished authentically.

Each year on Wednesday a group of schoolchildren is carefully selected to re-enact a typical school day of the nineteenth century. Clothing, class materials, teaching methods, and even discipline are faithfully recreated.

In the Agricultural Exhibition Center  
**On the Friday of Fair Week**  
Limited to the first 18 entrants Ages 5 to 12

After much success with the Decorated Gingerbread House event where we were limited to only 12 entrants we decided to expand this contest to allow more children to have fun. We have decided to scale it down a bit and decorate cookies rather than a whole house so that we would have time for more kids to participate. All materials to decorate a Halloween House shaped cookie will be provided by the Fair. The children will be using frosting, candies, and all kinds of scary and fun decorations to create their cookie to take home with them when they are done. This is a fun event for all the participants... and the spectators enjoy it as much as the kids. (Sorry...no adults allowed to participate)

Sign up is on the day of the event in the Agricultural Exhibition Center office from 9:00 AM until 2:45 PM and is limited to the first 18 kids aged 5 to 12 to sign up. There will be 2 sessions, one at 3:00PM and one at 4:00PM with limit of 9 in each session.

### Adult - Banana Bread

A hint of spice, honey for sweetness and moist texture, and one final touch – a few spoonfuls of jam – distinguish this tasty bread from run-of-the-mill versions.

- |   |  |
|---|--|
| 1/2 cup (8 tablespoons) unsalted butter, at cool room temperature | 1 1/2 cups mashed ripe bananas (about 3 medium or 2 large bananas)                           |
| 2/3 cup brown sugar, light or dark, firmly packed                 | 3 tablespoons apricot jam or orange marmalade, optional but tasty                            |
| 1 teaspoon vanilla extract  | 1/4 cup honey  |
| 1 teaspoon ground cinnamon  | 2 large eggs   |
| 1/4 teaspoon ground nutmeg  | 2 1/4 cups King Arthur Unbleached All-Purpose Flour or Gluten-Free Measure for Measure Flour |
| 1 teaspoon baking soda  | 1/2 cup chopped walnuts, optional  |
| 1 teaspoon baking powder  |  |
| 1 teaspoon salt   |  |

#### Instructions

1. Preheat the oven to 325°F. Lightly grease a 9" x 5" loaf pan; or a 12" x 4" tea loaf pan.
2. In a large bowl, combine the butter, sugar, vanilla, cinnamon, nutmeg, baking soda, baking powder, and salt, beating until smooth.
3. Add the mashed bananas, jam, honey, and eggs, again beating until smooth.
4. Add the flour, then the walnuts, stirring just until smooth.
5. Spoon the batter into the prepared loaf pan, smoothing the top. Let it rest at room temperature for 10 minutes.
6. Bake the bread for 45 minutes, then gently lay a piece of aluminum foil across the top, to prevent over-browning.
7. Bake for an additional 25 minutes (20 minutes if you're baking in a tea loaf pan). Remove the bread from the oven; a long toothpick or cake tester inserted into the center should come out clean, with a few wet crumbs clinging to it. The tester shouldn't show any sign of uncooked batter. If it does, bake the bread an additional 5 minutes, or until it tests done.
8. Allow the bread to cool for 10 minutes in the pan. Remove it from the pan, and cool it completely on a rack.

### Youth - Blueberry Muffins

This muffin is the one to go to for a well-behaved, consistent recipe. It does very well with any kind of berry. The batter will also keep, once mixed, for up to a week in the refrigerator.

- |  |  |
|--|--|
| 2 1/4 cups King Arthur Unbleached All-Purpose Flour          | 2 teaspoons vanilla extract  |
| 1 1/2 teaspoons baking powder                                | 1/2 cup sour cream or plain yogurt (full-fat will yield the most tender muffins) |
| 1/2 teaspoon baking soda                                     | 1 1/2 cups blueberries, fresh or frozen  |
| 1/2 to 3/8 teaspoon salt, to taste                           | coarse white sparkling sugar for garnish (optional)                              |
| 1/4 cup (4 tablespoons) unsalted butter, at room temperature | *Use the greater amount of sugar if your berries are tart.                       |
| 3/4 cup to 7/8 cup granulated sugar*                         |  |
| 2 large eggs   |  |

#### Instructions

1. Preheat the oven to 375°F. Line a muffin pan with papers, and grease the papers.
2. Measure the flour by gently spooning it into a cup, then sweeping off any excess. In a medium-sized bowl, whisk together the flour, baking powder, baking soda, and salt, then set aside.
3. In a large bowl, beat the butter and sugar with a hand-held or stand mixer, until light, fluffy, and almost white in color. Start the mixer at low speed until the ingredients are incorporated, then gradually increase speed to medium-high until the desired color and texture are reached.
4. Scrape down the bowl to make sure all the butter is incorporated, then add the eggs one at a time, beating well after each addition.
5. Add the vanilla and sour cream or yogurt, and mix until incorporated. The batter may be very thick, almost like cookie dough.
6. Add the dry ingredients and mix on low speed just until the batter is smooth. The batter will be very thick, almost like cookie dough.
7. Fold in the berries by hand. If you use frozen berries, the batter will become even stiffer; don't worry about it, it's fine.
8. Scoop the batter into the prepared muffin cups, using a heaping 1/4-cup for each. Again, the batter will be thick and stiff; don't expect it to settle. Sprinkle with regular granulated or coarse white sugar, if desired.
9. Bake the muffins for 18 to 24 minutes, until a cake tester inserted in the center of one comes out clean. Remove them from the oven, cool in the pan for 5 minutes, then remove the muffins from the pan to finish cooling on a rack.

### **Plants and Flowers**

In preparing and entering flowers for show purposes, the quality of the flower is the main requisite. Quantity will not be considered and is often the cause of rejection. In the selection of flowers, be sure you get the best your garden has to offer and remember that a few well displayed flowers, cut with long stems and showing the individual beauty of each flower is important. There should be no leaves below the waterline in the containers.

If possible fresh flowers may be brought in during the week for the cut flower displays, in order that the flower show may be attractive at the end of the week.

All flowers are to be raised by the exhibitor except flowers in flower arrangement classes.

Entry forms must be mailed by August 15th.

All Classes are open to juniors up to age 18. Please specify age in the space provided on the entry form.

Items will be judged on originality, usefulness and if it makes us laugh. Premiums will be determined by the judges.

12. All exhibitors are encouraged to take part in the Livestock Parade on Saturday at 10:00 AM.
13. The 4-Her should come to the 4-H office upon arrival, or any time during the week, and check their papers with the staff. It is the responsibility of the 4-Her to check their entries, not their parent or leader. This is a "learn by doing" experience. Papers the 4-Her should bring to the 4-H office are: signed approval/lease forms, rabies certificate, and interstate health papers if the member is not from Maine. Members with sheep entries should check papers with the staff inside the office in the sheep barn.
14. The 4-H Barn Superintendent will house all animals in the 4-H barn. Do not decorate a stall or pen until the staff has ok'd the space as your permanent location.
15. Schedules may change during the week. It is the 4-Her's responsibility to check the bulletin board frequently for notices and changes. The bulletin board is located at the foot of the stairs near the front of the 4-H barn near the Woodard Pavilion.
16. 4-H weekend entries will close by 11:00 AM Saturday. Once papers have been checked, classes may not be added. One exception to this rule is the Horse Show.

## **4-H Barn Rules and Regulations**

If I catch a steer, I agree to raise it as a standard 4-H Beef Steer project, and to show and sell it at Fryeburg Fair next year. I understand That the steer cannot go through any other beef sale prior to the Fryeburg Fair. I will show my steer at the Fryeburg Youth Show on the Fryeburg Fairgrounds in April.

It costs an estimated \$1,500.00 to feed a beef steer for a year. I am in a position to finance these feed costs. I also have a place to raise a beef steer.

The West Oxford Agricultural Society (Fryeburg Fair) will endeavor to select good quality, healthy calves for the Calf Scramble. When these calves are caught by the contestant, they become the property of the contestant and he/she will be held responsible for the health, growth, and condition of these calves.

I agree to furnish any veterinary attention that my steer might require, and I will submit proof of \$1,000,000 (one million dollars) of liability insurance coverage.

I agree to all of the above statements.

I further agree that the West Oxford Agricultural Society will not be responsible for any accident or injury, which may be incurred during the Calf Scramble or at the Fair.
