Barbara worked in private duty nursing in Florida, Camp Winona in Denmark, Me and at the First Aid station here at Fryeburg Fair. Wayne was born December 17, to John Avard Cadman and Gwendolyn Faye (Leavitt) Cadman. A graduate of Bridgton High School, Wayne joined the Air Force and trained as a Security Police Officer. After serving he worked for the US Postal Service for 35 years retiring as Postmaster of the Harrison Post Office.

Wayne, a big man with a lot of heart, was very involved in community. He enjoyed working on John Deere two-cylinder tractors, loved smoking meat, hiking in the woods, and camping. Wayne built a home on family land and enjoyed gathering for large lunches or dinners with family and friends.

Wayne worked in our Maintenance Department here at Fryeburg Fair for a number of years, sometimes starting pre-fair getting this ready, sometimes working as dispatch in maintenance office during the Fair. An important part of our Fryeburg Fair staff.

Sheila Mary Kelly
1923 – 2021

Sheila Kelly was born in Scotland the daughter of William and Mary Marshall. A devoted wife, mother, grandmother, she loved time spent with her children, grandchildren, great-grandchildren as well as her many friends. Discovering her love for skiing at 50, she enjoyed the time spent skiing with her grandchildren.

Sheila and her late husband George enjoyed camping and touring the country in their RV and spending winters in Florida, but not before manning the tower in the Rear Parking Lot of Fryeburg Fair, entertaining and assisting visitors coming and going. When her husband George passed, Sheila continued to work the tower for some years. A wonderful part of Fryeburg Fair.

Gerald "Gay" Kiesman, Sr.
1926 – 2022

Gay Kiesman, a native of Fryeburg, was born May 6, 1926, the son of Lester and Eldora Kiesman.

After graduating from Fryeburg Academy, Gay enlisted in the army serving in WWII and was part of General MacArthur's Philippine's Liberation group which liberated the islands from Japanese.

Husband, father, grandfather, Gay was a man to look up to. He was very involved in community service, serving on the Fryeburg Fire Department for 72 years! He helped found the Rescue service and ran a rifle club for the local youth. Always keeping busy, he worked 44 years at Osgood Brothers, retired and joined the Maine Forestry Service where he worked into his 80s.

Gay put out the Fryeburg Fair road signs for many many years, and served as part of the Fire Department Crew that covers our Fair. His presence will be missed.

Micheal A. Leighton
1969 – 2022

Michael Leighton was born in Boothbay Harbor May 23, 1969 to parents Peter Leighton and Juanita Brewer Kristoff. A well-known custom home builder, Michael also served as EMS for the Boothbay Ambulance Service, police officer for Kennebec County Sheriff's and Kennebec County Court House.

He enjoyed firearms, and was an instructor, gunsmith, collector, and pretty much anything having to do with firearms, including holding gun shows throughout Maine. Most of all he was a family man, and loved spending time with them.

Mike worked at Fryeburg Fair for several years. He was part of our 6 Unit working at the track area of the Fair and worked his way up to Supervisor of Unit 6. A man known to embrace life, he will be missed by his Fryeburg Fair family.

Judith Haskell
1939-2022

Judith Margaret Haskell, daughter of John and Margaret Casey, was born in Portland, Maine. After marrying Donald Haskell in 1956, they settled in West Baldwin. A homemaker, Judy loved spending time with her family and supported her children and grandchildren's sporting events, camping, and other celebrations and gatherings.

As busy as Judy was with her family, and not having time to work outside the home, she enjoyed working at the ticket booth at the Fryeburg Fair and did so for many years. We appreciate Judith having been a part of our Fair Family.

Bruce A. Alexander, Jr.
1954 – 2022

Bruce Alexander, born in Gardiner, raised in Dresden, Maine was the son of Rev. Bruce, Sr. and Marjorie (Moody) Alexander. As a young man, Bruce enjoyed racing stock cars at the Wiscasset Speedway. Eventually, he opted for the less horsepower and started using draft horses for fun. Bruce, a self-employed logger and sawmill operator for most of his working days, enjoyed cutting wood lots which allowed him to use his horses to "twitch" out the wood.

Bruce spent as much time farming as possible, with his busy schedule. Known for his green thumb, he will no doubt be especially remembered for his special pumpkins grown for his grandchildren.

Besides using his horses for working in the woods, Bruce competed in fairs throughout Maine as well as competing in Virginia and Ohio, and took them to Long Island, NY for carriage rides. A member of the Pittston Fair Association and the Farmers Draft Horse, Mule and Pony Club, Bruce also managed to find time to judge the Mule Show at the Windsor Fair.

Bruce worked alongside his beloved friend and partner of 30 years Hope Ricker, as Assistant Show Horse Superintendent here at Fryeburg Fair. An easygoing man with a good sense of humor and willingness to help out where he could, Bruce will be missed. A member of the Pittston Fair Association and the Farmers Draft Horse, Mule and Pony Club, Bruce managed to find time to judge the Mule and Donkey Shows at the Windsor Fair on occasion.

Frank J. McGee, Jr.
2022

Frank McGee, Jr. was born in Providence, RI, son of Frank J. and Eleanor P. McGee. Married for 57 years to wife Clair, Frank accomplished much in his lifetime.

An army veteran, Frank earned a bachelor's degree in Criminal Justice went on to become a captain in the Rhode Island State Police, and also was an original member of the RISP SWAT team to name a few accomplishments, before retiring and moving to Moose Pond in Denmark. There he became an avid hunter and outdoorsman, and enjoyed moments spent with his family at his cabin.

We are pleased that among his favorite things to do, after moving to this area, was to join the Fryeburg Fair family working with our Security Crew.

Henry "Ted" Raymond III
1940 – 2022

Henry, better known as Ted, Raymond passed away peacefully in February, 2022. He was a native of Natick, Mass. the son of Henry T. Raymond II and Dorothy (Walcott) Raymond. After graduating high school, Ted graduated from Arizona State then went on to receive his Master's Degree from the University of NH.

Ted served in the Air Force, taught at Kennett High, and started his career in real estate, founding T. Raymond Associates. All while having a 56 year loving marriage to Judith Pike of Fryeburg.

Ted spent many years' time involved with Fryeburg Fair, starting out in the Entertainment Dept. in 1976 or so, serving as Secretary from 1980-1990, becoming a trustee in 1991 as well as a member of the Finance Committee where he served until 2014. It is through dedicated folks like Mr. Raymond that make Fryeburg Fair the type of experience so many enjoy today.

Roger D. Smith, Jr.
1938 – 2022

Born the son of Jan Gilbert Sterns and Roger Smith, in July of 1938, Roger attended schools in Newport, RI., Concord, MA., and graduated high school from Bangor High school. He then joined the U.S. Air Force and served four years as Air Traffic Controller.

Roger Smith, a long time harness racing judge, here at Fryeburg Fair, passed away at his home in Old Orchard Beach in Feb. of 2022. Roger's lifelong dedication to both Standardbred and Thoroughbred horse racing led to his serving in many capacities as an official and in management for over 50 years throughout the state.

Juanita E. Lusky
1940 – 2022

Juanita was born here in Lovell, ME, May 10, 1940, the daughter of Ray and Dorothy (Briggs) Harmon. A busy woman, Juanita attended schools in the Lovell and Fryeburg area, graduating from Fryeburg Academy. She went to work for the Scottish Lion Store and Catalog where she was a warehouse manager for over 25 years.

Juanita, married to Paul Lusky for over 64 years, loved golfing. Lake Kezar Country Club was a big part of her life right up to late, where she started out as a caddy at the age of 10! She and Paul were also fantastic dance partners, and could be found dancing wherever the music moved them, including at the Silver Spur, Waterford Fairgrounds, and the MAAF conventions each year. When she wasn't golfing, dancing or busy doing day to day duties, you would find them out walking together.

Juanita, known for her style and impeccable taste no matter what the occasion, could be found working alongside her husband in the Racing Department during Fryeburg Fair season. She was a wonderful "glad hander" and enjoyed meeting and talking with all the people she encountered along the way. Juanita's smile and welcoming conversation will surely be missed by many here at the Fair.

Stanley E. Craig
1937 – 2022

Stanley E. Craig was 84 when he passed peacefully at his home in Brownfield. Born in Bangor to Stanley and Margaret (Nye) Craig, Stanley Graduated from Bangor High School, served in the US Army during the Korean Conflict. He went on to work for N.H. Bragg and Son for several years and retired from EMMC as a Shuttle Bus Driver, which he loved.

He and his wife spent their spare time traveling in their RV and wintering in Florida. Stan loved interacting with people and loved working in harness racing at the local fairs, including working in pari-mutuel here at Fryeburg Fair for many years.

Wayne Martin
- March 2022

Wayne M. Martin was the youngest of five children born to Bertha and Alfred Martin. Wayne married Beverly Douglas in 1954 and they, too, had five children.

Wayne was a member of the Maine National Guard for 20 years, and also worked for the Maine Turnpike Authority for 33 years. His love for bowling is well known by friends and colleagues, as was his pleasure with dining out.

Wayne, Sr. served here in the Fryeburg Fair Security Department, along with two of his children Becky and Wayne for a number of years. Wayne worked pre Fair week and post Fair, and enjoyed talking with the folks he met along the way. We appreciate Wayne's contribution to making Fryeburg Fair a memorable place to visit.

Diane L. Jones
1951 – 2022

Born in N. Conway, NH, in April, 1951, Diane was the daughter of Carl and Barbara (Mackay) Warren. She attended local schools and graduated from Fryeburg Academy after which she married Edward Jones and remained his partner in life for 50 years until his passing.

A well-known historian, Diane served as Executive Director of Fryeburg Historical Society for many years. She also enjoyed her work in genealogical research, for which she was well known, and was an author with two published books. These are just a few of her accomplishments.

Here at Fryeburg Fair, Diane worked alongside her husband Ed at our own museum as the Assistant Curator from 1993-2019. Together with their support staff and exhibitors, Diane and Ed shared the history of our past through displays, exhibitions, and yes, food. The museum here at Fryeburg Fair is a memorable stop made by many visitors, and we are thankful to Diane for her contribution to that experience.

PRESIDENT'S MESSAGE 2022

What a pleasure it was to be able to have a Fair in 2021, and what a great Fair it was! After the pandemic shut us down in 2020 for the first time in memory, the pent-up enthusiasm to get back to normal was evident. From our dedicated team of department superintendents and assistants who keep things organized, to our loyal exhibitors who put on the agricultural displays that is the core to the Fair's success, and last but not least, to all the Fair goers who came through the gates and paid the bills that make it all possible, everyone pulled together to make the 2021 Fair a great success.

We are always on the lookout for ways to improve the Fair – to make it better, not just bigger. Agricultural education is the core mission of the Fair, and while there is a lot of that taking place already, we think we can do an even better job and we are forming a group to work on ways to expand our efforts in this area. Suggestions are welcome!

A major change to this year's Fair will be our new midway operator, Dreamland Amusements, making its first appearance in Maine, and bringing many newer and larger rides to freshen our midway experience.

Daily Entertainment Notes 2022

The Fryeburg Fair supports and promotes live music and entertainment of all types. We're pleased to present the most talented performers in Maine throughout the Fair Week. Four stages are in use every day with variety and style that guarantee something for everyone. We have an Official Entertainment Brochure that's available at the information booth by the front gate. Schedules are subject to whim and weather with the most current information available on posters at each of the parks.

Water Wheel Park

Located by the Main Gate to the Fryeburg Fair, The Water Wheel Park offers daily performances from 9 AM til 7 PM. Entertainment includes cloggers and various kinds of musical talent. You'll see such virtuosos as Denny Breau, the Sean Mencher Combo, Howard Allen and the Troubadours and the Underachievers, to name a few of our excellent entertainers.

Christmas Tree Park

The Christmas Tree Park is located next to the Pulling Pavilion. It was expanded in 1993 and many more benches were added for the ever growing crowds. The addition of a covered stage in 1997 allows entertainers to perform on marginal days. The Christmas Tree Park present such Fair favorites as Jose, Flamin Raymin & Sizlin Susan, Jonathan Sarty & The White Mountain Boys, and Dave Rowe & The Squid Jiggers.

MacDonald's Farm Park

McDonald's Farm Park a perfect place to find strolling entertainers before entering Old MacDonald's Farm petting area. The One-Man Band, Joe The-Balloon Guy, stilt walkers, jugglers, and many more will keep you and your children entertained and smiling...

Draft Horse Park

Draft Horse Park, is located on Equine Road in front of Draft Horse Barn #3. A perfect place to stop, sit and rest and listen to some wonderful music.

Hayseed Theater

The Hayseed Theater is located near the west end of the racetrack facing the Orange Gate. You'll find folk singers, bluegrass bands, jug bands and magic shows to greet fair goers as they enter from the parking lot.

Strolling Entertainers

You never know what waits around the next corner at the Fryeburg Fair. Joe The Balloon Guy and Professor Paddy Whack are Fair favorites and will be on the grounds every day. The Dick Kaplan Band and the Pittsburgh Barbershop Quartet brass bands, barbershop quartets to balloon twisters.

There's a surprise at every turn!

Entertainers interested in performing at the Fair can find detailed information at our web site www.fryeburgfair.org.

The Natural Resource Center

Elbridge Russell, Superintendent
Assistants Judy Haynes, Gregg Hesslein

The Natural Resource Center has spaces for exhibits that educate and promote businesses that pertain to natural resources and the ecology.

Exhibits are open every day from 9AM to 9PM during the fair. Representatives are here every day to answer questions about their roles in these fields.

Fryeburg Fair Scholarship Awards

Fryeburg Fair (West Oxford Agricultural Society("WOAS")) gives two scholarship awards annually to graduating high school seniors, to be selected from the students who apply. Students must reside in the WOAS towns.

The scholarship awards are \$2,000.00 each, and will be awarded to each of two graduating high school students who are pursuing further education in the fields of agriculture, forestry or earth sciences.

ATTENTION ALL FARMERS, RANCHERS AND CATTLEMEN

WE NEED YOUR HELP WITH CONSERVING SAWDUST, STRAW, AND SHAVINGS DURING THE FAIR IN OUR LIVESTOCK BARN. AS FARMERS, YOU WILL KNOW IT IS NOT ONLY COSTLY TO BUY BUT COSTLY TO PUT IN AND TAKE OUT OF THE BARN. THE COST OF SAWDUST ALONE IN 1995 WAS \$8,000.00, THE YEAR 2021, THE COST OF SAWDUST HAS TRIPLED TO \$26,000. THE COSTS OF STRAW & SHAVINGS HAVE RISEN AS WELL.

ALSO, WE NEED TO KEEP OUR MANURE PILES FREE OF TRASH AS YOU DO AT HOME. WE SPREAD IT ON THE GROUNDS AFTER THE FAIR AND IT DEFEATS THE PURPOSE IF IT IS FILLED WITH PAPER, GLASS, AND METAL.

Livestock

General Rules, Health Requirements, Pulling Rules

No dogs will be allowed within the fairgrounds whether on leash or not, with the exception of Service Dogs.

All lots open to the world, except as otherwise designated.
Livestock entries close August 15th.

NOTE: Entries postmarked after August 15, 2022 may be returned. Stalls are assigned by department superintendents. No assigned early stall requests accepted.

NOTICE - Livestock Exhibitors - This Is A Must. After 8:00 AM all livestock trailers, pickups, and cars shall be put in the designated areas by the livestock superintendent. The cars and pickups will be put in the public parking area (no charge) with the appropriate stickers and the livestock trailers in their designated area with appropriate stickers. All servicing of livestock must be done by 9:00 AM. All clipping chute locations and all washing of livestock will be designated by the livestock superintendent.

Stickers must be attached to vehicle in lower left hand corner of windshield. Otherwise the sticker will be confiscated and admission will be denied. STICKER ADMITS DRIVER AND VEHICLE ONLY.

No livestock shall be unloaded prior to acknowledgement of the Superintendent of Livestock.

Any person misrepresenting an animal or article in making an entry, or attempting to use influence with committees in their awards shall forfeit all rights to premiums, and shall be excluded from the right of competition thereafter.

All Shows will follow the National Code of Show Ring Ethics IAFE (A copy can be found on the internet). Treating an animal internally, or externally, with any irritant, counter-irritant, or other substance used to artificially change the conformation or appearance of an animal for show is considered and is prohibited artificial hair. Adding false hair or hair like material, is illegal and will result in immediate disqualification.

By making entry in a livestock show or event you are verifying you have read “The National Show Ring Code of Ethics” and understand the consequences of the penalties involved for illegal, unethical, inhumane, and unfair practices of competition. You also verify that you and your family may be prohibited from future participation in organized fairs and livestock shows in the United States, and could face possible criminal prosecution and/or civil penalties if implicated in any of the aforementioned acts.

All exhibits, including animals, shall be displayed only at such locations within the grounds and buildings as are designated by placards or by Fair Officials.

In the event an animal has not been entered as required in the premium book, this Association will not be responsible for housing said animal after designated barn has been filled.

All persons having charge of stock or other exhibits must obtain tickets on entering the grounds.

The Superintendents will take every precaution for the safekeeping of stock and articles after they are placed on exhibition, but the Society will not be responsible for damage that may occur either to, or by them.

Fair officials may impose such penalties as they consider reasonable and proper for violations of any rules or requirements set forth or referred to in this premium list, including abuse or mistreatment of any animal or fowl exhibited, or misbehavior by any exhibitor or contestant. Such penalties to include withholding of premiums, exclusion from any class or lot, suspension or permanent barring from exhibition or competition.

If any person shall enter any animal or article that he does not own or in any way obtain premiums by fraud, such premiums shall be cancelled. The return of property to the former owner will be considered satisfactory evidence of fraud.

Livestock committees are required to withhold premiums when the animals or articles are not worthy, although there may be no competition.

In the event that the Finance Committee of the Fair should feel that unusually bad weather has so far restricted the receipts of the Fair as to jeopardize the future of the Fair if premiums are paid in full, then such Committee is authorized to reduce all premiums offered by the fair by such percentage as they consider necessary for the protection of the Fair. Such reduction, if made, shall apply equally to all premiums, but in no event shall be more than a fifty percent reduction.

All animals competing for the Society's premiums must be on the grounds by 9:00 AM - October 2nd - except by prior arrangement and must remain until 6:00 PM - October 9th - except that they may be taken out overnight and returned by 8:00 AM the next morning. Personal exhibits are to be marked with the owner's name.

Animals will be allowed to compete in all lots in which they are eligible. Only 2 premiums will be paid per person, per lot, each department.

All animals and pets on exhibition and for sale are subject to inspection by the Superintendent of Livestock.

Hay and grain can be obtained on the grounds at a reasonable price.

Sorry, No Delivery. Must be picked up at Hay and Grain.

No livestock vehicles will be allowed on the grounds without a fair sticker attached to the vehicle windshield. No Livestock Trailer in Livestock Area until 6 PM Sunday Oct. 9.

Health Requirements

Each Exhibitor of Livestock will assume full responsibility for compliance with all Maine State Health Requirements, with respect to his or her exhibit.

ALL LIVESTOCK MUST BE INOCULATED FOR RABIES, HAVE A CERTIFICATE AT LEAST 30 DAYS PRIOR TO FRYEBURG FAIR, IN ORDER TO PARTICIPATE AT THE FAIR. (GOATS, SWINE, POULTRY, LLAMAS & ALPACAS and RABBITS EXCLUDED).

Livestock and poultry offered for show or exhibition shall be free from signs of infectious or contagious disease. In addition, all livestock and poultry originating outside the State of Maine must meet the requirements for entry into the State. (Permits are required to import cattle, sheep, goats, swine, hatching eggs and poultry. **Equines must have an official certificate of negative six month Coggins test.** For details contact interstate clerk at (207/287-3701). Failure to comply with these State regulations may result in exclusion or expulsion from the show or such other action as the Director of the Division of Poultry and Livestock Production may direct.

In spite of efforts by the Department of Agriculture and the fair officials, and the expertise of exhibitors the potential for exposure to disease exists. Therefore it is strongly recommended that exhibitors

protect their flocks and herds by (1) appropriate vaccinations of show stock against contagious diseases under supervision of a veterinarian and (2) an isolation period before re-introduction to the home flock or herd.

In addition to the general requirements the following specific requirements will be enforced:

OXEN

ALL LIVESTOCK MUST BE INOCULATED FOR RABIES, HAVE A CERTIFICATE AT LEAST 30 DAYS PRIOR TO FRYEBURG FAIR, IN ORDER TO PARTICIPATE AT THE FAIR. Proof of rabies vaccination, 30 days prior to fair, and out of state Vet papers to be included with entry.

All exhibitors must get permission from the Supt. to use this area and it will be on a assigned basis. Space will not be assigned until Friday Sept. 30, 2022. All exhibitors must provide their own straw to bed with. All exhibitors are responsible for keeping their area cleaned up. NO SAWDUST IN THE TIE OUT AREA ALL BEDS MUST BE PICKED BY 9AM EACH DAY.

GOATS

HORSES

ALL LIVESTOCK MUST BE INOCULATED FOR RABIES, HAVE A CERTIFICATE AT LEAST 30 DAYS PRIOR TO FRYEBURG FAIR, IN ORDER TO PARTICIPATE AT THE FAIR.

All horses and ponies must have the Equine Herpes Virus Type I (EHV-1), not less than 14 days or more than 6 months before coming to Fryeburg Fairgrounds. A certificate of proof of EHV-1 vaccination is required with entry form by August 15th.

The Commissioner shall require a current negative Coggins test, or E.L.I.S.A. taken within 36 months, on all horses raced, exhibited or stabled on race tracks or fairgrounds where other horses are being raced, exhibited or stabled. Equines entering the state must have a negative Coggins or E.L.I.S.A. test done within six months of entry into Maine.

The person or persons in charge of race meets, exhibitions, stables or race tracks or fairgrounds where horses are being raced, exhibited, or stabled shall ascertain that a copy of the official test accompanies each equine and such reports shall be available for inspection by an agent of the Commissioner of Agriculture upon request. Failure to furnish such reports shall exclude equines from the events.

Over the past several years, many racetracks and training facilities

in the Mid-Atlantic region have imposed restrictions on horses entering their facilities due to the outbreaks of Equine Herpes Virus EHV-1 in our region. A number of horses in New England were exposed to EHV-1 during this winter and in 2006.

If you are planning to take your horse to any shows, fairs, training facilities or racetracks in Maine please be aware that Dr. Michele Welch, state veterinarian, is strongly recommending that tracks, agricultural fairs and equine training facilities in Maine require that **all horses entering their facilities be vaccinated for EHV (rhinopneumonitis) and equine influenza, not more than six months or less than 14 days before entry.** Proof of vaccination should be listed on the Certificate of Veterinary Inspection (required for all horses entering the State of Maine) or on a certificate of vaccination signed by the owner's practicing veterinarian. (Please remember that any horse entering the State also needs to have a negative Coggins test within the previous 6 months). Your horses must have the EHV vaccination to participate at Fryeburg. **A certificate of proof of EHV-1 vaccination is required with entry form by August 15th.**

SWINE

Swine originating in Maine shall be from herds having an official State of Maine validation. Breeding stock six months old or older must be on record as having been tested for the current validation period or, if purchased by owner after regular test, be tested as for import into Maine.

Market hogs and feeder pigs, since they are usually six months and under, need not be tested if originating on owner's farm from validated stock. All swine must be permanently identified.

POULTRY

All Poultry shall originate from flocks that have an official Pullorum-typhoid clean rating.

DOMESTIC ANIMALS

Domestic animals and poultry offered for show or exhibition at any fair or livestock or poultry show or exhibition, showing evidence of external parasites, footrot, shipping fever, or other diseases may be excluded from or ordered removed from such fair or livestock show or exhibition or otherwise handled as the Director of the said Division of Animal Industry may direct. All domestic animals and poultry originating outside the State of Maine must meet the same requirements to show as are required for entry into the State.

RACING

ALL HORSES MUST BE INOCULATED FOR RABIES AND HAVE A CERTIFICATE AT LEAST 30 DAYS PRIOR TO FRYEBURG FAIR IN ORDER TO PARTICIPATE AT THE FAIR.

The person or persons in charge of race meets, exhibitions, stables on race tracks or fairgrounds where horses are being raced, exhibited, or stabled shall ascertain that a copy of the official test accompanies each equine and such reports shall be available for inspection by an agent of

the Commissioner of Agriculture upon request. Failure to furnish such reports shall exclude equine from the events.

Rule IX, Section 13 (a) of the Rules and Regulations of the Maine State Harness Racing Commission is hereby deemed to be incorporated herein by reference and applicable to all horses assembled at a Harness Race Meet, including but not limited to standard horses, lead ponies, marshall mounts, stallions and brood mares.

Harness Racing Commission personnel may assist in the enforcement of this regulation insofar as they are permitted and authorized by law. Whoever violates these regulations shall be punishable as provided in Title 7, MRSA # 1706.

All horses and ponies must have the Equine Herpes Virus Type I (EHV-1), not less than 14 days or more than 6 months before coming to Fryeburg Fairgrounds. A certificate of proof of EHV-1 vaccination is required with entry form by August 15th.

NOTICE OF CHANGE IN LIVESTOCK EXHIBITOR INSURANCE REQUIREMENTS

The Fair has been notified, by our liability insurance provider, that all livestock exhibitors must provide the Fair with a certificate of liability insurance in an amount of \$1,000,000 (one million) or greater before they are allowed to enter the fairgrounds with their livestock.

In past years, the Fair has not imposed this requirement where small animals and poultry were concerned. We are no longer able to do this in light of what we perceive as greater risk and the availability of more affordable coverage.

The good news is, by belonging to the Maine Association of Livestock Exhibitors, a member has the benefit of the required insurance needed to exhibit at a Maine fair. There is a membership fee of \$50.00 per family or \$25.00 for an individual age 18 or older. The membership card is proof of the coverage needed to exhibit at a Maine fair.

For more information on joining the association and acquiring this exceptional coverage, contact the Maine Association of Livestock Exhibitors, c/o Kathleen Pride, 830 Cape Rd., Limington, Me. 04049 or by telephone at 207-838-5727. An application is in the forms section.

If you have any questions regarding this notice of the Fair in general, please call the Fair secretary at 207-935-3268 or email at info@fryeburgfair.org.

In Cooperation with the New England Galloway Group and with support from the National Belted Galloway Society, Fryeburg Fair has been designated as the New England Regional Belted Galloway Show. Fryeburg Fair has been host to a Belted Galloway show for decades and consistently has been one of the largest shows in the United States. All New England Galloway farms are eligible to participate.

Breeding Stock

No premiums will be paid on Grade Cattle

No entry or stall fees in this department

Any exhibitor exhibiting ten purebred animals in any one breed, Dairy or Beef, will be guaranteed a minimum of \$200.00 providing the animals are worthy and representative of the breed in the opinion of the Judge.

Limit 10 animals per breed per exhibitor. If the exhibitor brings more than 10 head per breed, the owner of the excess animals, whether 4-H or not, will be treated as a separate exhibitor, with those animals to be registered in his or her name, separate proof of insurance required, and must be entered as a separated herd. If showing two breeds, you must send two separate entry forms.

Fair officials will reserve the right to limit entries where it appears that there is intent to evade the purpose of this rule, or where deemed necessary to achieve fairness and/or to save room.

Show steers and oxen limited to 5 pairs per breed. .

No exhibitor shall be permitted to win more than 2 premiums in any one lot.

All animals entered as purebred must have at time of entry or on request of proper officials a registration certificate for each animal issued by the association making such registration and must be registered in the name of the exhibitor at least 30 days before the opening day of the Fair.

All animals must carry proper identification. Members of the same firm, family or from same farm will be registered as one exhibitor.

Department 3 Sheep

Superintendent - Robert Cameron, (C) 1-207-357-5479

2022 Sheep exhibitors will still know Fryeburg Fair's Sheep Show as Fryeburg Fair Maine's State Sheep Show. The reasons for this are as follows:

1. To promote the sheep industry as a whole.
2. To promote the improved quality of pure bred and registered sheep in Maine.
3. Premier breeder and premier exhibitors of each breed will be selected. Blankets awarded in classes with 3 or more exhibitors.
4. For all breeds that fall within the "all other" breed show - a separate show for meat breeds and wool breeds will be held if enough sheep are present to make up a good show.

You now have a Maine State Sheep Show Committee and your committee will be responsible for the following:

1. Bookkeeping for premier breeder and exhibitors.
2. Posting the results of the lots following each show.
3. Promotional work for the shows.
4. Special awards to exhibitors which are not extended by Fryeburg Fair.

Each exhibitor is limited to showing of no more than three breeds under their family name. Exhibitors will be limited to showing no more than 7 (yearlings & younger) sheep per breed, and may receive only two premiums in single lots and one in group lots. Members of the same family or from the same farm will be considered as one entry per breed. Inferior animals are not desired, and the superintendent reserves the right to dismiss any flock from the grounds at penning.

Ages - The date for computing ages on all sheep shall be September 1st and January 1st.

Teeth requirements are:

Fall Lambs - Yearling teeth may be present, but must not be up even with the lamb teeth at time of show. (9/1 - 12/31).

Spring Lambs - must have all lamb teeth. (Jan. 1 on)

Yearlings - may not have more than 4 permanent teeth showing at time of show.

All sheep will be mouthed.

Cattle are given a 100 lb. tolerance after Labor Day Weekend which is already reflected in the class weights listed. In addition to this, cattle are given 30 lb. scale tolerance at time of weighing. (Ex. 2900 class can weigh 2930.) Weigh times will be the first Saturday (before opening day) from Noon to 1 p.m. and again at 4 p.m. to 5 p.m. Weigh in during Fair will be 7 a.m. to 7:30 a.m. and oxen that come after published time will be weighed at the convenience of the staff in between classes. **Entries close when positions are drawn.** Please enter your oxen each morning at scales for the class you will be pulling in or reach out to Superintendent to confirm entry.

- D. Measuring shall be in a straight line to the nearest point on the drag. Line-to-line measuring will be allowed. The front of the drag must touch the line before turning. To get the full-line measure, the drag must be turned more than ½ way or back of the drag must be over the line.
- E. Teams shall stay hooked to the drag at all times. No unhitching and re-hitching may be allowed.
- F. An actual separation, breaking or bending of equipment shall constitute a breakdown. Any team breaking down may take a distance pulled or return to the last position and pull over. Only one breakdown may be allowed.
- G. Time limits are a maximum of 5 minutes. Time starts when the drag is moved. The time limit to hook in distance pulls is 3 minutes.
- H. **On Horses** - the very light use of reins on the hind quarters ONLY is allowed and over and under is NOT allowed. Whips, brads, or goads are not allowed. Reins may not be doubled up. Electrical or electronic devices are not allowed.
On Oxen – the use of the goad must be very light. The goad may not have a brad in it, on the end, only a plain yoke and chain or pole that may be pulled - with the exception of children's class, a rope may be allowed as provided in rules adopted pursuant to subsection 7. All chains must be covered to the hook. Plastic goads are NOT allowed. The goad stick may not be over 4 feet long unless approved by the pulling superintendent and may not exceed 1/2 inch in diameter on the small end. The goad stick may be taped but not weighted. The stick may be used lightly on the face to control the oxen but NOT around the eyes.
- I. Any number of helpers are allowed to help hitch. After hitch-on, there may be no more than one helper for oxen and two helpers for horses. The helpers must stay behind the drag, unless needed to help the driver in a mix up. For oxen, only the driver is permitted a goad stick.
- J. All participants must be properly dressed. Proper language must be used at all times. Any participant under the influence of drugs or alcohol will be disqualified from contest. Test may be performed to determine intoxication. The drinking of intoxicating beverages by participants in and around the ring is prohibited.
- K. The splitting of teams shall be decided by the Horse Pulling Superintendent or other sponsor.
- L. Use of drugs or stimulants on any competing animal is prohibited. The Fair or person conducting the contest reserves the right to

- test any animal. The owner and teamster found to have used a drug on any competing animal shall be barred from pulling for TWO (2) years as required by section 74, subsection 4.
- M. Heading of horses or oxen is not allowed. One inch pulled shall constitute a hitch. Stepping over the rail counts as a hitch, and 5 minutes are allowed for hitching. Three attempts may be made within that period. Time taken out to position the drag for the next pull may not be counted. Teamsters may not be changed after the first load is pulled. A team deliberately driven over the rail is disqualified from the contest. In case of a tie on the longest distance, the 2nd longest distance already pulled will take 1st place. Evener men must remain quiet after hitching on. This paragraph does not apply to distance pulls.
 - N. There may not be heading of horses after a pull starts unless there is a mix-up, snarl, or breakdown.
 - O. A substantial barrier must be maintained at the end of the ring toward which the pull is proceeding to prevent or substantially impede runaways. A teamster losing control of the team is disqualified immediately.
 - P. Any animal which is thin, dehydrated, shows open sores or is lame shall be disqualified.
 - Q. Any animal caught under the drag is disqualified and must unhitch immediately.
3. -For oxen, participants must enter for each day's event at the scales between 7 a.m. and 7:30 a.m. Once positions are drawn the lot is closed.
 -Participant can jump one lot only per weighted team (except 900-2200, 1101-1300, and 1301-1700).
 -All teams must be pulled as weighed, powder puff classes 2000 & up are only allowed one team, per driver, per class.
-All pulling oxen must have eartags.
 -No bulls, stags, or dehorned steer and oxen allowed. (Except in Youth Classes only. 1300 lb. and under are permitted.)
 -Members from the same firm, family or farm will be registered as one exhibitor. (5 pairs per farm). Teamster minimum age is 9 years.
 4. Pulling Horse Participants can jump one weight lot only. For a variance in this would have to be agreed to by both the Horse Dept. Supt. and Ringmaster. All participants will enter each day's event at the scales in the morning by 9 am (or two hours before class starts). The exception to this applies when there is a morning class in which they must be entered 1 hour prior to event at scales. No vehicle leading the horses allowed. No Horse showing ribs allowed.
 5. "No persons shall feed, inject, insert, or otherwise administer any drug, depressant, stimulant or sedative, which may affect the conduct, actions, endurance, strength, speed, or performance of any animal, to any animal, competing in any pulling competition. The Commissioner of Agriculture may require that any such animal before, during, or after such competition be subjected to such tests as he may deem necessary for the detection of such drugs or substances. No person who owns or has custody of any animal competing in such competition shall refuse to secure or restrain or shall interfere with the securing and restraining of any such animal as may be necessary for expeditious application of such tests or necessary identification. All such tests shall be administered by an authorized agent of the Commissioner. 'Person', as used in this section, shall include individuals, firms, and corporations."

PULLING HORSE OWNERS

Send entry along with the dates for which you will need stalls. You must check in with the Horse Superintendent, or his designate, when you arrive and also before you depart. The purpose of this, hopefully, is to enable us to regulate and be able to accommodate more horses for the full week. As most of you know, we haven't been able to house or take entries for nearly as many as would like to come, even though we have built draft horse barns to the extent of our capacity.

We have seating room in the pulling ring for the convenience and safety of the owners and drivers who aren't pulling at that time. We'll allow two helpers in the ring with each pair of horses.

Thank you in advance for your co-operation. This is a big show, and it is very important to both parties concerned, and if we work together we can have a much better and safer show. Horse scales are available at any time for checking weights.

- ☒ All drags to be left in exercise area only!
- ☒ Horses are to be weighed with regulation style flat halters—no rope halters allowed.
- ☒ Lead rope must be on horses at all times.
- ☒ No running of horses in exercise area or scale area is allowed.
- ☒ No cattle, llamas, or alpacas are allowed in the horse area.
- ☒ Unload & load horses inside safety area!
- ☒ Riding the evener is not allowed going across the road.
- ☒ There must be a header leading teams to and from pulling ring.

Once horses have been unloaded they must remain in the safety area. (For safety reasons) Each horse's halter must have a minimum weight of one (1) pound.

The use of sweat blankets will not be allowed. First violation a warning second violation a disqualification. Certificate of proof of EHV-1 vaccination is required with entry by August 15th.

ALL BARN LIGHTS ARE TO BE TURNED OFF BY 10:00 PM OR 1 HOUR AFTER THE LAST PULL OF THE NIGHT.

Department 7 Horse Pulling

Beginning in 1996, in recognition of the major expense and value of equipment required to be utilized and displayed by Draft Horse and Draft Pony Exhibitors, Fryeburg Fair will pay a special stipend to apply toward equipment costs in the amount of 30% of the total premiums won by an exhibitor. However, the fair wants to stress the need to follow all Fryeburg Fair rules.

Each exhibitor's horses or ponies must be in their stalls by 9:00 AM on the first Sunday of the fair and must be in their stalls until 5:00 PM on the last Sunday. Any violation of the above will cause the exhibitor to forfeit all draft horse or pony premiums.

Grand Master Teamster Trophy

The Grand Master Fryeburg Fair Teamster Trophy

The Grand Master Fryeburg Fair Teamster Trophy will be awarded by the Judge of the Fryeburg Draft Horse & Ponies Show to the teamster who exhibits superior demeanor as a competitor, and excels in driving draft horse & ponies turn-outs at the Fryeburg Fair. To qualify for consideration the teamster shall be entered and place in the Cart Class, the pair Class, the Four Horse or Pony Team class, the Six Horse or Pony Team class. The judge may ask for a drive off, and request any appropriate maneuver that demonstrates superior ability in handling a multiple-horse & pony team. The award may be awarded annually, but only at the judge's discretion. A purse of \$1,000.00 accompanies the trophy.

The Little Red Schoolhouse

Toll Bridge School - District #13

TOLL BRIDGE SCHOOL 1894

DEDICATED AT FRYEBURG FAIR OCTOBER 1991.

Open 9:00 AM to 5:00 PM

This little red schoolhouse was located on a knoll in Toll Bridge and was used from 1835 - 1938. Diane Jones researched the history of the school which has been placed in the schoolhouse for everyone to see and read. The school had one room and one teacher taught all subjects to all grades. The schoolhouse was heated with wood. Water was carried from a nearby house.

Through the generosity of Mrs. Marion Hobbs, the schoolhouse was given to the West Oxford Agricultural Society (Fryeburg Fair) and moved to the fairgrounds in the fall of 1990. It has been carefully restored and furnished authentically.

Each year on Wednesday a group of schoolchildren is carefully selected to re-enact a typical school day of the nineteenth century. Clothing, class materials, teaching methods.

Tuesday Tractor Pull Rules

1. The West Oxford Agricultural Society operating as Fryeburg Fair assumes no responsibility for loss, theft and/or injury to the participant or property competing.
2. Tractors must be standard make, rubber tread, wheel type, equipped for farm use. No four wheel drives allowed, no dual tires, tire studs or chains are permitted. All power must be transmitted to the wheels.
3. The order of pulling in each class will be determined by drawing numbers for each class prior to the start of that class.
4. The contestants may enter each tractor in a maximum of two classes.
5. The first place winner may enter the next class and pull last in order. The second place tractor will only be allowed to enter the next class if the pull officials determines that the class is less than full and time allows.
6. Classes 1 & 2 will be allowed a total of 3 minutes of pulling time. Classes 3 through 9, inclusive, will be allowed a total of 4 minutes pulling time with the **following exception**. If the tractor is moving in **a steady, forward motion** when the 4 minutes have expired, the contestant may continue to pull until forward motion has stopped.
7. All pulls must be made on the concrete slab provided. Dead hitch to boat by cable, clevis and pin provided. Drawbar height is 20 inches for all tractors 1000 pounds and over and 12 inches for under 1000 pounds. All drawbars will be flat, horizontal bars rigid in all directions. (Note: when clevis is installed on drawbar it must not be able to move upward during pull). Conventional two or three point drawbars must be rigid and not moved during pull; if moved, tractor will be disqualified.
8. Load must be pulled six feet in one hitch from the starting point for a full pull. Distance is measured to the point where the boat first stops

forward motion. If load is pulled at least 3 feet in an attempt, it must be pulled back before next try.

9. All tractors must be weighed on fairground scales. Weight includes operator.
10. The winner of the previous class may add weight to correspond to the next class.
11. No portion of the tractor may interfere with the boat.
12. All weight must be safely secured to the tractor and must not move rearward while pulling. No weight may extend more than 24 inches from the front of the tractor's factory frame.
13. All tractors must have a rigid seat and tip seats must be secured while pulling.
14. The Fair Association strongly recommends the use of stabilizer bars and they are mandatory in Class 9.
15. Operators will use all due consideration for safety of other operators, track crew, and spectators and must stay in contact with seat at all times. No operator shall allow their tractor to continue spinning after the boat has stopped.
16. The rules and classes are subject to change. Any changes will be announced at the contest. All decisions of the officials will be final.
17. A tipping block will be used on the boat, if necessary. If block tips, measurement for that pull will not count.
18. Rear tires must remain on slab for the full distance of pull.
20. The drawbar hole must be easily accessible to hookup. The hole size is to be no smaller than 1 1/4 inches.
21. Any loss of liquid on the pulling surface or loss of weights or safety equipment may be cause for disqualification.
22. Class #1 and #2 must use lawn and garden type tires. No slicks of professional pulling tires are allowed.
23. Class #1 and #2 are for stock tractors only. Any tractor that the judges feel has been modified to give it an advantage over the other tractors in that class may be disqualified by the officials.

All materials to decorate a Halloween House shaped cookie will be provided by the Fair. The children will be using frosting, candies, and all kinds of scary and fun decorations to create their cookie to take home with them when they are done. This is a fun event for all the participants... and the spectators enjoy it as much as the kids.

Adult - Apple Fritter Cake

Cake

- 2 1/4 cups (270g) King Arthur Unbleached All-Purpose Flour
- 2 1/2 teaspoons baking powder
- 3/4 cup (149g) granulated sugar
- 1 teaspoon salt
- 1/4 teaspoon nutmeg or allspice
- 12 tablespoons (170g) unsalted butter, at room temperature
- 3 large eggs, at room temperature
- 2 teaspoons vanilla extract
- 3/4 cup (170g) milk, at room temperature

Filling

- 1/2 cup (107g) light brown sugar, packed
- 1 1/2 teaspoons cinnamon
- 1 teaspoon Instant ClearJel or King Arthur Unbleached All-Purpose Flour
- 3 1/2 cups (396g) apples, diced*

Glaze

- 3/4 cup (85g) confectioners' sugar, sifted
- 1 1/2 to 3 tablespoons (21g to 43g) milk*
- 1/2 teaspoon vanilla extract
- *Use more milk to create a thin, almost transparent glaze that's characteristic fritters. Use less milk if you want to drizzle the glaze.*

Instructions

1. Preheat the oven to 350°F. Grease a 12" x 4" x 2 1/2" tea loaf pan or 8" square pan and line with parchment.
2. To make the filling and topping: In a medium bowl, whisk together the brown sugar, cinnamon, and ClearJel or flour. Add the diced apples and stir to coat; set aside.
3. To make the cake: In a large bowl (or the bowl of a stand mixer), combine the flour, baking powder, sugar, salt, and spice. Add the butter and mix until the mixture is sandy looking.
4. Beat in the eggs one at a time, scraping the bowl between additions as needed.
5. With the mixer running at low speed, add the vanilla and milk. Once the milk is absorbed, scrape the bowl and mix at medium-high speed for 1 minute.
6. To assemble the cake: Spread half the batter (about 465g) in the prepared pan. Spoon half the apple mixture (about 285g) over the batter and press in lightly. Spread the remaining batter over the apples and spoon the remaining apples on top.
7. To bake the cake: Bake the cake for 65 to 75 minutes for a tea loaf pan, or 60 to 65 minutes for an 8" square pan. The cake is done when a paring knife inserted in the center comes out clean. Remove it from the oven and cool for 30 minutes before gently tipping it out of the pan onto a rack to cool completely.
8. To make the glaze: Combine the glaze ingredients, stirring until smooth. Drizzle over the cooled cake.
9. Storage information: Store cake, covered, at room temperature for several days*

Department 26 Plants and Flowers

In preparing and entering flowers for show purposes, the quality of the flower is the main requisite. Quantity will not be considered and is often the cause of rejection. In the selection of flowers, be sure you get the best your garden has to offer and remember that a few well displayed flowers, cut with long stems and showing the individual beauty of each flower is important.

If possible fresh flowers may be brought in during the week for the cut flower displays, in order that the flower show may be attractive at the end of the week.

All flowers are to be raised by the exhibitor except flowers in flower arrangement classes.

Entry forms must be submitted by August 15th.

All Classes are open to youths up to and including age 18. Please specify age in the space provided on the entry form.

Division - Redneck Recycling

Redneck recycling is meant to be interpreted in a humorous manner. We'd like you to take a single item and recycle it into something that has absolutely no relationship to the original intended use of the item. Such as the famous or "infamous" toilets that have been turned into flower planters. We will only display items that are easily handled by one person. Items will be judged on originality, usefulness and if it makes us laugh. Premiums will be determined by the judges.

Horses – 7:00 AM, Sunday

Dairy Goats – 8:00 AM, Monday

Beef Steers, Market Lamb, Market Hog – 4:00 PM, Sunday

Swine, Dairy, Beef Heifers, Sheep – 9:00 AM, Saturday

9. All 4-H exhibitors must show in the appropriate 4-H showmanship lots to be eligible for any or all premiums.
10. Contestants will be required to wear appropriate, clean, and neat show uniforms for all lots unless the superintendent indicates otherwise. The 4-H uniform for Dairy and Dairy Goats is a white pants/jeans, button downed, collared shirt that will remain tucked in as well as a belt to keep shirt tucked in and pants up. NO colored shirts under white shirt. All other animal groups may wear a nice button-down collared shirt (can be western style) that is tucked in and colored pants or nice blue jeans. No holes in jeans. Must wear a belt. In the event of cold weather a vest or jacket with no writing is allowed. No hats allowed in the 4-H show ring. Exception: working steer, 4-Her wearing jewelry in the show ring is at their own risk of interpretation and / or penalty by the judge.

11. Members must show their own animals unless they have two in a lot, and then they may have another 4-Her help them. The helper must also conform to the dress code. All showmanship animals must be on the 4-H's animal approval form. They cannot show another 4-H's animal in Showmanship.
12. All exhibitors are encouraged to take part in the Livestock Parade on Saturday at 10:00 AM.
13. The 4-Her should come to the 4-H office upon arrival, or any time during the week, and check their papers with the staff. It is the responsibility of the 4-Her to check their entries, not their parent or leader. This is a "learn by doing" experience. Papers the 4-Her should bring to the 4-H office are: signed approval/lease forms, rabies certificate, and interstate health papers if the member is not from Maine. Members with sheep entries should check papers with the staff inside the office in the sheep barn.
14. The 4-H Barn Superintendent will house all animals in the 4-H barn. Do not decorate a stall or pen until the staff has ok'd the space as your permanent location.
15. Schedules may change during the week. It is the 4-Her's responsibility to check the bulletin board frequently for notices and changes. The bulletin board is located at the foot of the stairs near the front of the 4-H barn near the Woodard Pavilion.
16. 4-H weekend entries will close by 10:00 AM Saturday. Once papers have been checked, classes may not be added. One exception to this rule is the Horse Show.

If I catch a steer, I agree to raise it as a standard 4-H Beef Steer project, and to show and sell it at Fryeburg Fair next year. I understand That the steer cannot go through any other beef sale prior to the Fryeburg Fair. I will show my steer at the Fryeburg Youth Show on the Fryeburg Fairgrounds in April.

It costs an estimated \$1,500.00 to feed a beef steer for a year. I am in a position to finance these feed costs. I also have a place to raise a beef steer.

The West Oxford Agricultural Society (Fryeburg Fair) will endeavor to select good quality, healthy calves for the Calf Scramble. When these calves are caught by the contestant, they become the property of the contestant and he/she will be held responsible for the health, growth, and condition of these calves.

I agree to furnish any veterinary attention that my steer might require, and I will submit proof of \$1,000,000 (one million dollars) of liability insurance coverage.

I agree to all of the above statements.
