OBITUARIES

Donald Carlisle Chandler Jr.
1936 – 2022

Donald "Don" Chandler, Jr. was born March 13, 1936, the son of Donald and Mary (Sweetser) Chandler of New Gloucester, ME. and passed June 15, 2022.

In the early 1960s, Donnie opened the Lovell Village gas station. It soon became the central community gathering point for the guy in town to share stories and get the news around town. His business transitioned into working more with farm equipment and Donnie even made "field calls". He finally closed his garage around 2010.

Donnie drove his first tractor at age 12, and never lost his love of it. He and his wife Lynne enjoyed traveling for farm equipment auctions and shows. Donnie, a member of the Maine Tractor Club, ran the Tuesday Tractor Show here at the Fair for many years.

Richard W. Murray, Jr.
1948 – 2022

Dick Murray was born in portland, Maine, December 8, 1948, the son of Richard Murray, Sr. and Myrtle Murray of Gorham, ME. and passed July 6, 2022. A man of many trades, Richard worked as a lobsterman, police officer, and later in life a carpenter. He also served on the Fire Department with his father Richard murray, Sr.

Richard worked here as a police officer for the Fryeburg Fair. He was also known to be quite a prankster. No one was safe from his jokes! His son Richard, III is currently working in our police department as a Public Safety Assit. We will be missing Dick and his sense of humor, here at the fair and are thankful for his service and dedication.

Judith E. Merchant
1945 – 2022

Judy (McGuinness) Merchant was born on Christmas Eve, 1945. The daughter of Thomas and Genevieve McGuinness of Wilmington, MA. In 1964, Judy married Robert Merchant and settled down in Woburn, MA, where they started their family until moving to Fryeburg, Maine in 1976.

Judy and her family love the Fryeburg community and the friends they made here. While living in Fryeburg, she worked here at the Fryeburg Fair at the Museum, in our Schoolhouse greeting visitors and telling them about the way life was in our history. She later moved to Lebanon, NH to be closer to their children and grandchildren.

Elliot "Bud" Burns
1935 – 2022

Elliot Burns, "Bud" as he was known to those who had the pleasure of meeting him, was born on January 8, 1935 to Erlon and Mary Burns in Rumford, Maine. Always active, in school he participated in band, sports and the National Honor Society. Following his graduation, Bud went on to attend U of M, after which he went to work at the then Oxford Paper Co.

He took some time to serve a stint in the military, then returned to Rumford and the mill. Bud married Barbara in 1961, and began their future adventures together from raising their family, to traveling, and making time to do their favorite thing- summering at Worthley Pond with family.

Bud, along with the assistance of his wife Barb, worked at Fryeburg Fair for many years as Sheep Superintendent. When his brother-in-law Rob Cameron stepped up to become superintendent, Bud still pitched in to help where he could.

**Alice Brown
1924 – 2022**

Alice Brown worked here at the Fryeburg Fair for many years, with security on our cleaning crew, working nights to make sure all was in top shape when fairgoers arrived in the morning.

Born in Sweden, on December 20, 1924, she was the eldest daughter of six to parents Clayton and Christine Tower. A hard-working office lady, Alice left school after 8th grade to help out on her uncle's farm, but later, passed her GED while raising her family and working in the Bridgton Dress Shop.

Alice was an active Grange member, loved gardening, and could often be found square dancing with her husband Stanley, in outfits she, herself, made. Whatever she did, she gave it her best. Her hard work and dedication is appreciated by all here at the Fair.

**Ben Conant
1936 – 2022**

The son of Stephen and Barbara, Ben Conant wore many hats throughout his lifetime. He had worked as a State of Maine liquor inspector, volunteer fire fighter, served in the Navy as a Class "A" pipe fitter, was Chief of Oxford County Sheriff's Office, to name a few. He also loved the outdoors, hunting, and fishing whenever possible.

He also enjoyed NASCAR, spending time at Oxford Plains, later working the infield at Loudon International Speedway.

Ben was also a real goo cook, too. He worked part-time here at the Fryeburg Fair from 1970-2016, and did the cooking for the Security Office. He also became the head of security in the Pulling Ring in 1993. We are glad that Ben chose to be part of our team here at the Fair.

**William L. Lawrence
1926 – 2022**

Bill was born in Cromwell-on-Hudson, NY, the son of Gordon and Louise Lawrence on October 11, 1925. He enlisted in the Navy WW2 Flight school at the age of 17. Once discharged, he went on to college and in 1995 married Barbara.

It was a while before they finally found their way to Fryeburg, ME in 1995. Once in our community, Bill enjoyed golfing, skiing, reading, and also found the time to work with us here at the Fryeburg Fair. Bill started out working with Ray Curtis selling Box Seats, then moved on to the Aggie Center, working the hall, greeting our guests. We will miss Bill stopping by to say hello with his wife Barbara even after he had retired from the fair.

**Jacob "Jake" Cash
1947 – 2023**

Jacob "Jake" Cash was born May 31, 1947 the son of David and Janice(Malier) Cash of Poland Me. and passed on July 2, 2023.

Jake enlisted in the Air Force and served in the Vietnam War as a sergeant and loadmaster from 1965 to 1969 upon his honorable discharge in 1969, he moved to Tennessee, where he raised and trained race horses. and moved back to Maine in early 1970. He returned to his boyhood hobby of raising and training steers and showing them at county fairs. He loved spending time with his animals and participated in showing steer and oxen for over 60 years. Jake was the 4-H working steer superintendent at Fryeburg Fair for many years over the past two decades. He will be missed by his fellow teamsters and fair family.

PRESIDENT'S MESSAGE 2023

I am happy to report that the 2022 Fryeburg Fair was a great success. The weather was beautiful and the crowds were big. Our livestock and hall exhibitors put on their usual great displays and shows. Our Monday's Woodman's Field Day was one of the best ever.

We were excited to welcome our new midway operator, Dreamland Amusements, for their first appearance in Maine. They brought many new and exciting rides, a great selection of midway games, and were great people to work with. I am excited to say they will be back with a contract extension.

It is disappointing to report that our parimutuel harness racing will be limited to five days this year, Tuesday through Saturday. The Maine Harness Racing Commission took a day from most of the racing fairs due to a lack of horse supply. Fryeburg lost its final Sunday race card for this year, but good news can rise up from bad. We were able to move up the start of the popular four-wheel drive pull to earlier in the afternoon so fans can enjoy the rest of the Fair before they leave.

I repeat myself, but what I cannot say often enough is that what makes the Fryeburg Fair the Blue Ribbon Classic are the 600 plus men and women, most behind the scenes, who come together every year and make it happen. From our committed department heads to our exhibitors, the maintenance and clean up crews, security, parking, camping staff and the people in the office - they are the Fryeburg Fair. My hat goes off to them all!

We're looking forward to another great Fryeburg Fair in October. Don't miss it!

Sincerely,

Dave Hastings
President

Daily Entertainment Notes 2023

The Fryeburg Fair supports and promotes live music and entertainment of all types. We're pleased to present the most talented performers in Maine throughout the Fair Week. Four stages are in use every day with variety and style that guarantee something for everyone. We have an Official Entertainment Brochure that's available at the information booth by the front gate. Schedules are subject to whim and weather with the most current information available on posters at each of the parks.

Water Wheel Park

Located by the Main Gate to the Fryeburg Fair, The Water Wheel Park offers daily performances from 9 AM til 7 PM. Entertainment includes cloggers and various kinds of musical talent. You'll see such virtuosos as Denny Breau, the Sean Mencher Combo, Howard Allen and the Troubadours and the Underachievers, to name a few of our excellent entertainers.

Christmas Tree Park

The Christmas Tree Park is located next to the Pulling Pavilion. It was expanded in 1993 and many more benches were added for the ever growing crowds. The addition of a covered stage in 1997 allows entertainers to perform on marginal days. The Christmas Tree Park present such Fair favorites as Jose, Flamin Raymin & Sizlin Susan, Jonathan Sarty & The White Mountain Boys, and Dave Rowe & The Squid Jiggers.

MacDonald's Farm Park

MacDonald's Farm Park a perfect place to find strolling entertainers before entering Old MacDonald's Farm petting area. The One-Man Band, Joe The-Balloon Guy, stilt walkers, jugglers, and many more will keep you and your children entertained and smiling...

Draft Horse Park

Draft Horse Park, is located on Equine Road in front of Draft Horse Barn #3. A perfect place to stop, sit and rest and listen to some wonderful music.

Hayseed Theater

The Hayseed Theater is located near the west end of the racetrack facing the Orange Gate. You'll find folk singers, bluegrass bands, jug bands and magic shows to greet fair goers as they enter from the parking lot.

Strolling Entertainers

You never know what waits around the next corner at the Fryeburg Fair. Joe The Balloon Guy and Professor Paddy Whack are Fair favorites and will be on the grounds every day. The Dick Kaplan Band and the Pittsburgh Barbershop Quartet brass bands, barbershop quartets to balloon twisters.

There's a surprise at every turn!

Entertainers interested in performing at the Fair can find detailed information at our web site www.fryeburgfair.org.

The Natural Resource Center

Elbridge Russell, Superintendent
Assistants Judy Haynes, Gregg Hesslein
207-935-6000 or 207-935-2912 or 207-935-3268

The Natural Resource Center has spaces for exhibits that educate and promote businesses that pertain to natural resources and the ecology.

Exhibits are open every day from 9AM to 9PM during the fair. Representatives are here every day to answer questions about their roles in these fields.

Fryeburg Fair Scholarship Awards

Fryeburg Fair (West Oxford Agricultural Society("WOAS")) gives two scholarship awards annually to graduating high school seniors, to be selected from the students who apply. Students must reside in the WOAS towns.

The scholarship awards are \$2,000.00 each, and will be awarded to each of two graduating high school students who are pursuing further education in the fields of agriculture, forestry or earth sciences.

The awards will be given at the end of the senior high school year and the financial award will be given upon successful completion of two semesters of further study.

Information and application forms to apply for these awards are available in the guidance department of the six high schools which are included in the WOAS towns - Fryeburg Academy, Kennett High School, Lake Region High School, Bonny Eagle High School, Oxford Hills School and Sacopee Valley High School.

ATTENTION

ALL FARMERS, RANCHERS AND CATTLEMEN

WE NEED YOUR HELP WITH CONSERVING SAWDUST, STRAW, AND SHAVINGS DURING THE FAIR IN OUR LIVESTOCK BARN. AS FARMERS, YOU WILL KNOW IT IS NOT ONLY COSTLY TO BUY BUT COSTLY TO PUT IN AND TAKE OUT OF THE BARN. THE COST OF SAWDUST ALONE IN 1995 WAS \$8,000.00, THE YEAR 2021, THE COST OF SAWDUST HAS TRIPLED TO \$26,000. THE COSTS OF STRAW & SHAVINGS HAVE RISEN AS WELL.

ALSO, WE NEED TO KEEP OUR MANURE PILES FREE OF TRASH AS YOU DO AT HOME. WE SPREAD IT ON THE GROUNDS AFTER THE FAIR AND IT DEFEATS THE PURPOSE IF IT IS FILLED WITH PAPER, GLASS, AND METAL.

Livestock

General Rules, Health Requirements, Pulling Rules

No dogs will be allowed within the fairgrounds whether on leash or not, with the exception of Service Dogs.

All lots open to the world, except as otherwise designated.
Livestock entries close August 15th.

NOTE: Entries postmarked after August 15, 2023 may be returned. Stalls are assigned by department superintendents. No assigned early stall requests accepted.

NOTICE - Livestock Exhibitors - This Is A Must. After 8:00 AM all livestock trailers, pickups, and cars shall be put in the designated areas by the livestock superintendent. The cars and pickups will be put in the public parking area (no charge) with the appropriate stickers and the livestock trailers in their designated area with appropriate stickers. All servicing of livestock must be done by 9:00 AM. All clipping chute locations and all washing of livestock will be designated by the livestock superintendent.

Stickers must be attached to vehicle in lower left hand corner of windshield. Otherwise the sticker will be confiscated and admission will be denied. STICKER ADMITS DRIVER AND VEHICLE ONLY.

No livestock shall be unloaded prior to acknowledgement of the Superintendent of Livestock.

Any person misrepresenting an animal or article in making an entry, or attempting to use influence with committees in their awards shall forfeit all rights to premiums, and shall be excluded from the right of competition thereafter.

All Shows will follow the National Code of Show Ring Ethics IAFE (A copy can be found on the internet). Treating an animal internally, or externally, with any irritant, counter-irritant, or other substance used to artificially change the conformation or appearance of an animal for show is considered and is prohibited artificial hair. Adding false hair or hair like material, is illegal and will result in immediate disqualification.

By making entry in a livestock show or event you are verifying you have read “The National Show Ring Code of Ethics” and understand the consequences of the penalties involved for illegal, unethical, inhumane, and unfair practices of competition. You also verify that you and your family may be prohibited from future participation in organized fairs and livestock shows in the United States, and could face possible criminal prosecution and/or civil penalties if implicated in any of the aforementioned acts.

All exhibits, including animals, shall be displayed only at such locations within the grounds and buildings as are designated by placards or by Fair Officials.

In the event an animal has not been entered as required in the premium book, this Association will not be responsible for housing said animal after designated barn has been filled.

All persons having charge of stock or other exhibits must obtain tickets on entering the grounds.

The Superintendents will take every precaution for the safekeeping of stock and articles after they are placed on exhibition, but the Society will not be responsible for damage that may occur either to, or by them.

Fair officials may impose such penalties as they consider reasonable and proper for violations of any rules or requirements set forth or referred to in this premium list, including abuse or mistreatment of any animal or fowl exhibited, or misbehavior by any exhibitor or contestant. Such penalties to include withholding of premiums, exclusion from any class or lot, suspension or permanent barring from exhibition or competition.

If any person shall enter any animal or article that he does not own or in any way obtain premiums by fraud, such premiums shall be cancelled. The return of property to the former owner will be considered satisfactory evidence of fraud.

Livestock committees are required to withhold premiums when the animals or articles are not worthy, although there may be no competition.

In the event that the Finance Committee of the Fair should feel that unusually bad weather has so far restricted the receipts of the Fair as to jeopardize the future of the Fair if premiums are paid in full, then such Committee is authorized to reduce all premiums offered by the fair by such percentage as they consider necessary for the protection of the Fair. Such reduction, if made, shall apply equally to all premiums, but in no event shall be more than a fifty percent reduction.

All animals competing for the Society's premiums must be on the grounds by 9:00 AM - October 1st - except by prior arrangement and must remain until 6:00 PM - October 8th - except that they may be taken out overnight and returned by 8:00 AM the next morning. Personal exhibits are to be marked with the owner's name.

Animals will be allowed to compete in all lots in which they are eligible. Only 2 premiums will be paid per person, per lot, each department.

All animals and pets on exhibition and for sale are subject to inspection by the Superintendent of Livestock.

Hay and grain can be obtained on the grounds at a reasonable price.

Sorry, No Delivery. Must be picked up at Hay and Grain.

No livestock vehicles will be allowed on the grounds without a fair sticker attached to the vehicle windshield. No Livestock Trailer in Livestock Area until 6 PM Sunday Oct. 8. NO GENERATORS IN BARN AREA AFTER 9AM

Health Requirements

Each Exhibitor of Livestock will assume full responsibility for compliance with all Maine State Health Requirements, with respect to his or her exhibit.

ALL LIVESTOCK MUST BE INOCULATED FOR RABIES, HAVE A CERTIFICATE AT LEAST 30 DAYS PRIOR TO FRYEBURG FAIR, IN ORDER TO PARTICIPATE AT THE FAIR. (GOATS, SWINE, POULTRY, LLAMAS & ALPACAS and RABBITS EXCLUDED).

Livestock and poultry offered for show or exhibition shall be free from signs of infectious or contagious disease. In addition, all livestock and poultry originating outside the State of Maine must meet the requirements for entry into the State. (Permits are required to import cattle, sheep, goats, swine, hatching eggs and poultry. **Equines must have an official certificate of negative six month Coggins test.** For details contact interstate clerk at (207/287-3701). Failure to comply with these State regulations may result in exclusion or expulsion from the show or such other action as the Director of the Division of Poultry and Livestock Production may direct.

In spite of efforts by the Department of Agriculture and the fair officials, and the expertise of exhibitors the potential for exposure to

disease exists. Therefore it is strongly recommended that exhibitors protect their flocks and herds by (1) appropriate vaccinations of show stock against contagious diseases under supervision of a veterinarian and (2) an isolation period before re-introduction to the home flock or herd.

In addition to the general requirements the following specific requirements will be enforced:

OXEN

ALL LIVESTOCK MUST BE INOCULATED FOR RABIES, HAVE A CERTIFICATE AT LEAST 30 DAYS PRIOR TO FRYEBURG FAIR, IN ORDER TO PARTICIPATE AT THE FAIR. Proof of rabies vaccination, 30 days prior to fair, and out of state Vet papers to be included with entry.

Certificate of veterinary inspection to be included with entry.

CATTLE

ALL LIVESTOCK MUST BE INOCULATED FOR RABIES, HAVE A CERTIFICATE AT LEAST 30 DAYS PRIOR TO FRYEBURG FAIR, IN ORDER TO PARTICIPATE AT THE FAIR .

Warts will be classified as an infectious disease.

The Beef Dept. will have a tie out area for Beef Cattle. Ties will be from 7PM to 8AM each night of the fair.

All exhibitors must get permission from the Supt. to use this area and it will be on a assigned basis. Space will not be assigned until Friday Sept. 29, 2023. All exhibitors must provide their own straw to bed with. All exhibitors are responsible for keeping their area cleaned up. NO SAWDUST IN THE TIE OUT AREA ALL BEDS MUST BE PICKED BY 9AM EACH DAY.

GOATS

Same as Cattle. (Goats don't need rabies shots in order to participate here.)

HORSES

ALL LIVESTOCK MUST BE INOCULATED FOR RABIES, HAVE A CERTIFICATE AT LEAST 30 DAYS PRIOR TO FRYEBURG FAIR, IN ORDER TO PARTICIPATE AT THE FAIR.

All horses and ponies must have the Equine Herpes Virus Type I (EHV-1), not less than 14 days or more than 6 months before coming to Fryeburg Fairgrounds. A certificate of proof of EHV-1 vaccination is required with entry form by August 15th.

The Commissioner shall require a current negative Coggins test, or E.L.I.S.A. taken within 36 months, on all horses raced, exhibited or stabled on race tracks or fairgrounds where other horses are being raced, exhibited or stabled. Equines entering the state must have a negative Coggins or E.L.I.S.A. test done within six months of entry into Maine.

The person or persons in charge of race meets, exhibitions, stables or race tracks or fairgrounds where horses are being raced, exhibited, or stabled shall ascertain that a copy of the official test accompanies each equine and such reports shall be available for inspection by an agent of the Commissioner of Agriculture upon request. Failure to furnish such reports shall exclude equines from the events.

Over the past several years, many racetracks and training facilities in the Mid-Atlantic region have imposed restrictions on horses entering their facilities due to the outbreaks of Equine Herpes Virus EHV-1 in our region. A number of horses in New England were exposed to EHV-1 during this winter and in 2006.

If you are planning to take your horse to any shows, fairs, training facilities or racetracks in Maine please be aware that Dr. Michele Welch, state veterinarian, is strongly recommending that tracks, agricultural fairs and equine training facilities in Maine require that **all horses entering their facilities be vaccinated for EHV (rhinopneumonitis) and equine influenza, not more than six months or less than 14 days before entry.** Proof of vaccination should be listed on the Certificate of Veterinary Inspection (required for all horses entering the State of Maine) or on a certificate of vaccination signed by the owner's practicing veterinarian. (Please remember that any horse entering the State also needs to have a negative Coggins test within the previous 6 months). Your horses must have the EHV vaccination to participate at Fryeburg. **A certificate of proof of EHV-1 vaccination is required with entry form by August 15th.**

SWINE

Swine originating in Maine shall be from herds having an official State of Maine validation. Breeding stock six months old or older must be on record as having been tested for the current validation period or, if purchased by owner after regular test, be tested as for import into Maine.

Market hogs and feeder pigs, since they are usually six months and under, need not be tested if originating on owner's farm from validated stock. All swine must be permanently identified.

POULTRY

All Poultry shall originate from flocks that have an official Pullorum-typhoid clean rating.

DOMESTIC ANIMALS

Domestic animals and poultry offered for show or exhibition at any fair or livestock or poultry show or exhibition, showing evidence of external parasites, footrot, shipping fever, or other diseases may be excluded from or ordered removed from such fair or livestock show or exhibition or otherwise handled as the Director of the said Division of Animal Industry may direct. All domestic animals and poultry originating outside the State of Maine must meet the same requirements to show as are required for entry into the State.

RACING

ALL HORSES MUST BE INOCULATED FOR RABIES AND HAVE A CERTIFICATE AT LEAST 30 DAYS PRIOR TO FRYEBURG FAIR IN ORDER TO PARTICIPATE AT THE FAIR.

The person or persons in charge of race meets, exhibitions, stables on race tracks or fairgrounds where horses are being raced, exhibited, or stabled shall ascertain that a copy of the official test accompanies each

equine and such reports shall be available for inspection by an agent of the Commissioner of Agriculture upon request. Failure to furnish such reports shall exclude equine from the events.

Rule IX, Section 13 (a) of the Rules and Regulations of the Maine State Harness Racing Commission is hereby deemed to be incorporated herein by reference and applicable to all horses assembled at a Harness Race Meet, including but not limited to standard horses, lead ponies, marshall mounts, stallions and brood mares.

Harness Racing Commission personnel may assist in the enforcement of this regulation insofar as they are permitted and authorized by law. Whoever violates these regulations shall be punishable as provided in Title 7, MRSA # 1706.

All horses and ponies must have the Equine Herpes Virus Type I (EHV-1), not less than 14 days or more than 6 months before coming to Fryeburg Fairgrounds. A certificate of proof of EHV-1 vaccination is required with entry form by August 15th.

NOTICE OF CHANGE IN LIVESTOCK EXHIBITOR INSURANCE REQUIREMENTS

The Fair has been notified, by our liability insurance provider, that all livestock exhibitors must provide the Fair with a certificate of liability insurance in an amount of \$1,000,000 (one million) or greater before they are allowed to enter the fairgrounds with their livestock.

In past years, the Fair has not imposed this requirement where small animals and poultry were concerned. We are no longer able to do this in light of what we perceive as greater risk and the availability of more affordable coverage.

The good news is, by belonging to the Maine Association of Livestock Exhibitors, a member has the benefit of the required insurance needed to exhibit at a Maine fair. There is a membership fee of \$50.00 per family or \$25.00 for an individual age 18 or older. The membership card is proof of the coverage needed to exhibit at a Maine fair.

For more information on joining the association and acquiring this exceptional coverage, contact the Maine Association of Livestock Exhibitors, c/o Kathleen Pride, 830 Cape Rd., Limington, Me. 04049 or by telephone at 207-838-5727. An application is in the forms section.

If you have any questions regarding this notice of the Fair in general, please call the Fair secretary at 207-935-3268 or email at info@fryeburgfair.org.

Breeding Stock

No premiums will be paid on Grade Cattle

No entry or stall fees in this department

Any exhibitor exhibiting ten purebred animals in any one breed, Dairy or Beef, will be guaranteed a minimum of \$200.00 providing the animals are worthy and representative of the breed in the opinion of the Judge.

Limit 10 animals per breed per exhibitor. If the exhibitor brings more than 10 head per breed, the owner of the excess animals, whether 4-H or not, will be treated as a separate exhibitor, with those animals to be registered in his or her name, separate proof of insurance required, and must be entered as a separated herd. If showing two breeds, you must send two separate entry forms.

Fair officials will reserve the right to limit entries where it appears that there is intent to evade the purpose of this rule, or where deemed necessary to achieve fairness and/or to save room.

Show steers and oxen limited to 5 pairs per breed. .

No exhibitor shall be permitted to win more than 2 premiums in any one lot.

All animals entered as purebred must have at time of entry or on request of proper officials a registration certificate for each animal issued by the association making such registration and must be registered in the name of the exhibitor at least 30 days before the opening day of the Fair.

All animals must carry proper identification. Members of the same firm, family or from same farm will be registered as one exhibitor.

Department 3 Sheep

Superintendent - Robert Cameron, (C) 1-207-357-5479

2023 Sheep exhibitors will still know Fryeburg Fair's Sheep Show as Fryeburg Fair Maine's State Sheep Show. The reasons for this are as follows:

1. To promote the sheep industry as a whole.
2. To promote the improved quality of pure bred and registered sheep in Maine.
3. Premier breeder and premier exhibitors of each breed will be selected. Blankets awarded in classes with 3 or more exhibitors.
4. For all breeds that fall within the "all other" breed show - a separate show for meat breeds and wool breeds will be held if enough sheep are present to make up a good show.

You now have a Maine State Sheep Show Committee and your committee will be responsible for the following:

1. Bookkeeping for premier breeder and exhibitors.
2. Posting the results of the lots following each show.
3. Promotional work for the shows.
4. Special awards to exhibitors which are not extended by Fryeburg Fair.

Each exhibitor is limited to showing of no more than three breeds under their family name. Exhibitors will be limited to showing no more than 7 (yearlings & younger) sheep per breed, and may receive only two premiums in single lots and one in group lots. Members of the same family or from the same farm will be considered as one entry per breed. Inferior animals are not desired, and the superintendent reserves the right to dismiss any flock from the grounds at penning.

Ages - The date for computing ages on all sheep shall be September 1st and January 1st.

Teeth requirements are:

Fall Lambs - Yearling teeth may be present, but must not be up even with the lamb teeth at time of show. (9/1 - 12/31).

Intermediate Lambs - must have all lamb teeth (Jan. 1 to Feb. 15th)

Spring Lambs - must have all lamb teeth. (Feb. 16 on)

Yearlings - may not have more than 4 permanent teeth showing at time of show.

All sheep will be mouthed.

Statutory rules:

- A. No permit may be issued unless the sponsor has adopted the following rules governing the conduct of each contest.
- B. **Horses** – Check weighing is allowed. All horses must have shoes, regulation halters (no rope halters or twine). Horses are given 15 lb. tolerance for weigh in per horse. Weight is good for the week unless the horse(s) leave the fairgrounds in which case they would need to re-weigh upon their return. Weigh times will be the first Saturday (day before opening day), 1 p.m. to 2 p.m. and again 5 p.m. to 6 p.m.

All horses must have microchip for permanent identification.

Weigh in during Fair will be 8 a.m. to 9 a.m. and horses that come in after published time will be weighed at the convenience of the staff in between classes. Please enter classes each morning at scales by 9:00 am*– positions will be drawn 2 hours prior to

scheduled start time of class.

*Should there be a class in the morning, positions will be drawn one hour before start time. (Ex. A 10:00am start would have positions drawn at approx. 9:00am.)

- C. Weighing Oxen – All Pulling Oxen must go through the scales. Check weighing is allowed. All oxen must have ear tags and tags must be shown on vet papers. Regulation halters (no rope halters or twine). Weight is good for the week. Cattle are given a 100 lb. tolerance after Labor Day Weekend which is already reflected in the class weights listed. In addition to this, cattle are given 30 lb. scale tolerance at time of weighing. (Ex. 2900 class can weigh 2930.) Weigh times will be the first Saturday (before opening day) from Noon to 1 p.m. and again at 4 p.m. to 5 p.m. Weigh in during Fair will be 7 a.m. to 7:30 a.m. and oxen that come after published time will be weighed at the convenience of the staff in between classes. **Entries close when positions are drawn.** Please enter your oxen each morning at scales for the class you will be pulling in or reach out to Superintendent to confirm entry.
- D. Measuring shall be in a straight line to the nearest point on the drag. Line-to-line measuring will be allowed. The front of the drag must touch the line before turning. To get the full-line measure, the drag must be turned more than ½ way or back of the drag must be over the line.
- E. Teams shall stay hooked to the drag at all times. No unhitching and re-hitching may be allowed.
- F. An actual separation, breaking or bending of equipment shall constitute a breakdown. Any team breaking down may take a distance pulled or return to the last position and pull over. Only one breakdown may be allowed.
- G. Time limits are a maximum of 5 minutes. Time starts when the drag is moved. The time limit to hook in distance pulls is 3 minutes.
- H. **On Horses** - the very light use of reins on the hind quarters ONLY is allowed and over and under is NOT allowed. Whips, brads, or goads are not allowed. Reins may not be doubled up. Electrical or electronic devices are not allowed.
On Oxen – the use of the goad must be very light. The goad may not have a brad in it, on the end, only a plain yoke and chain or pole that may be pulled - with the exception of children's class, a rope may be allowed as provided in rules adopted pursuant to subsection 7. All chains must be covered to the hook. Plastic goads are NOT allowed. The goad stick may not be over 4 feet long unless approved by the pulling superintendent and may not exceed 1/2 inch in diameter on the small end. The goad stick may be taped but not weighted. The stick may be used lightly on the face to control the oxen but NOT around the eyes.
- I. Any number of helpers are allowed to help hitch. After hitch-on, there may be no more than one helper for oxen and two helpers for horses. The helpers must stay behind the drag, unless needed to help the driver in a mix up. For oxen, only the driver is permitted a goad stick.
- J. All participants must be properly dressed. Proper language must be used at all times. Any participant under the influence of drugs or alcohol will be disqualified from contest. Test may be performed to determine intoxication. The drinking of intoxicating

- beverages by participants in and around the ring is prohibited.
- K. The splitting of teams shall be decided by the Horse Pulling Superintendent or other sponsor.
 - L. Use of drugs or stimulants on any competing animal is prohibited. The Fair or person conducting the contest reserves the right to test any animal. The owner and teamster found to have used a drug on any competing animal shall be barred from pulling for TWO (2) years as required by section 74, subsection 4.
 - M. Heading of horses or oxen is not allowed. One inch pulled shall constitute a hitch. Stepping over the rail counts as a hitch, and 5 minutes are allowed for hitching. Three attempts may be made within that period. Time taken out to position the drag for the next pull may not be counted. Teamsters may not be changed after the first load is pulled. A team deliberately driven over the rail is disqualified from the contest. In case of a tie on the longest distance, the 2nd longest distance already pulled will take 1st place. Evener men must remain quiet after hitching on. This paragraph does not apply to distance pulls.
 - N. There may not be heading of horses after a pull starts unless there is a mix-up, snarl, or breakdown.
 - O. A substantial barrier must be maintained at the end of the ring toward which the pull is proceeding to prevent or substantially impede runaways. A teamster losing control of the team is disqualified immediately.
 - P. Any animal which is thin, dehydrated, shows open sores or is lame shall be disqualified.
 - Q. Any animal caught under the drag is disqualified and must unhitch immediately.
3. -For oxen, participants must enter for each day's event at the scales between 7 a.m. and 7:30 a.m. Once positions are drawn the lot is closed.

PULLING HORSE OWNERS

Send entry along with the dates for which you will need stalls. You must check in with the Horse Superintendent, or his designate, when you arrive and also before you depart. The purpose of this, hopefully, is to enable us to regulate and be able to accommodate more horses for the full week. As most of you know, we haven't been able to house or take entries for nearly as many as would like to come, even though we have built draft horse barns to the extent of our capacity.

We have seating room in the pulling ring for the convenience and safety of the owners and drivers who aren't pulling at that time. We'll allow two helpers in the ring with each pair of horses.

Thank you in advance for your co-operation. This is a big show, and it is very important to both parties concerned, and if we work together we can have a much better and safer show. Horse scales are available at any time for checking weights.

- ☒ All drags to be left in exercise area only!
- ☒ Horses are to be weighed with regulation style flat halters—no rope halters allowed.
- ☒ Lead rope must be on horses at all times.
- ☒ No running of horses in exercise area or scale area is allowed.
- ☒ No cattle, llamas, or alpacas are allowed in the horse area.
- ☒ Unload & load horses inside safety area!
- ☒ Riding the evener is not allowed going across the road.
- ☒ There must be a header leading teams to and from pulling ring.

Once horses have been unloaded they must remain in the safety area. (For safety reasons) Each horse's halter must have a minimum weight of one (1) pound.

The use of sweat blankets will not be allowed. First violation a warning second violation a disqualification. Certificate of proof of EHV-1 vaccination is required with entry by August 15th.

ALL BARN LIGHTS ARE TO BE TURNED OFF BY 10:00 PM OR 1 HOUR AFTER THE LAST PULL OF THE NIGHT.

Department 7 Horse Pulling

Greg Baker Superintendent.

Josh Battles Assistant Superintendent

Weigh in Requirements: Horses will be weighed individually with a 15 pound tolerance. Weight is good for the week of the Fair providing horses remain on the grounds for the entire time. Horses removed from the grounds must reweigh if they return. Weighing starts on Saturday at 1PM. to 2PM and 5:00PM to 6:00PM. Weighing daily and taking entries 8:00 - 9:00AM. Entries must be made daily at scales. Contact Supt. for any horses to be weighed after this time. Weighing single/pair once for week, 15 lb tolerance per horse. Must have halters, shoes and microchips. Blankets not allowed. Along with entry form, please include current coggins, rabies, EVH-1 and insurance (1,000,000 liability). Beginning in 1996, in recognition of the major expense and value of equipment required to be utilized and displayed by Draft Horse and Draft Pony Exhibitors, Fryeburg Fair will pay a special stipend to apply toward equipment costs in the amount of 30% of the total premiums won by an exhibitor. However, the fair wants to stress the need to follow all Fryeburg Fair rules.

Each exhibitor's horses or ponies must be in their stalls by 9:00 AM on the first Sunday of the fair and must be in their stalls until 5:00 PM on the last Sunday. Any violation of the above will cause the exhibitor to forfeit all draft horse or pony premiums unless pre-approved by the Livestock Chairman and Superintendent.

Grand Master Teamster Trophy

The Grand Master Fryeburg Fair Teamster Trophy

The Grand Master Fryeburg Fair Teamster Trophy will be awarded by the Judge of the Fryeburg Draft Horse & Ponies Show to the teamster who exhibits superior demeanor as a competitor, and excels in driving draft horse & ponies turn-outs at the Fryeburg Fair. To qualify for consideration the teamster shall be entered and place in the Cart Class, the pair Class, the Four Horse or Pony Team class, the Six Horse or Pony Team class. The judge may ask for a drive off, and request any appropriate maneuver that demonstrates superior ability in handling a multiple-horse & pony team. The Little Red Schoolhouse

Toll Bridge School - District #13

TOLL BRIDGE SCHOOL 1894

DEDICATED AT FRYEBURG FAIR OCTOBER 1991.

This little red schoolhouse was located on a knoll in Toll Bridge and was used from 1835 - 1938. Diane Jones researched the history of the school which has been placed in the schoolhouse for everyone to see and read. The school had one room and one teacher taught all subjects to all grades. The schoolhouse was heated with wood. Water was carried from a nearby house.

Through the generosity of Mrs. Marion Hobbs, the schoolhouse was given to the West Oxford Agricultural Society (Fryeburg Fair) and moved to the fairgrounds in the fall of 1990. It has been carefully restored and furnished authentically.

Each year on Wednesday a group of schoolchildren is carefully selected to re-enact a typical school day of the nineteenth century.

4. The contestants may enter each tractor in a maximum of two classes.
5. The first place winner may enter the next class and pull last in order. The second place tractor will only be allowed to enter the next class if the pull officials determines that the class is less than full and time allows.
6. Classes 1 & 2 will be allowed a total of 3 minutes of pulling time. Classes 3 through 9, inclusive, will be allowed a total of 4 minutes pulling time with the **following exception**. If the tractor is moving in **a steady, forward motion** when the 4 minutes have expired, the contestant may continue to pull until forward motion has stopped.
7. All pulls must be made on the concrete slab provided. Dead hitch to boat by cable, clevis and pin provided. Drawbar height is 20 inches for all tractors 1000 pounds and over and 12 inches for under 1000 pounds. All drawbars will be flat, horizontal bars rigid in all directions. Conventional two or three point drawbars must be rigid and not moved during pull; if moved, tractor will be disqualified.
8. Load must be pulled six feet in one hitch from the starting point for a full pull. Distance is measured to the point where the boat first stops

forward motion. If load is pulled at least 3 feet in an attempt, it must be pulled back before next try.

10. The winner of the previous class may add weight to correspond to the next class.

15. Operators will use all due consideration for safety of other operators, track crew, and spectators and must stay in contact with seat at all times. No operator shall allow their tractor to continue spinning after the boat has stopped.
16. The rules and classes are subject to change. Any changes will be announced at the contest. All decisions of the officials will be final.
17. A tipping block will be used on the boat, if necessary. If block tips, measurement for that pull will not count.
18. Rear tires must remain on slab for the full distance of pull.
20. The drawbar hole must be easily accessible to hookup. The hole size is to be no smaller than 1 1/4 inches.
21. Any loss of liquid on the pulling surface or loss of weights or safety equipment may be cause for disqualification.
22. Class #1 and #2 must use lawn and garden type tires. No slicks of professional pulling tires are allowed.

All materials to decorate a Halloween House shaped cookie will be provided by the Fair. The children will be using frosting, candies, and all kinds of scary and fun decorations to create their cookie to take home with them when they are done. Adult - Chocolate Fudge Bundt Cake

Cake

1 cup (227g) brewed coffee*
 16 tablespoons (227g) unsalted butter, at room temperature
 3/4 cup (64g) unsweetened cocoa, Dutch-process of natural
 2 cups (397g) granulated sugar
 3/4 teaspoon baking powder
 1/4 teaspoon baking soda
 3/4 teaspoon salt
 2 cups (240g) King Arthur UNbleached All-Purpose Flour

2 teaspoons King Arthur Pure Vanilla Extract
 2 large eggs, at room temperature
 1/2 cup (113g) sour cream or yogurt, full-fat preferred, at room temperature

Icing

2/3 cup (113g) bittersweet chocolate or semisweet chocolate chips, chopped
 1/4 cup (57g) heavy cream or whipping cream

Instructions

1. Preheat the oven to 350°F.
2. To make the cake: Place the coffee, butter, and cocoa in a small saucepan or microwave-safe bowl. Heat, stirring until the butter melts. Remove from the heat, and whisk until smooth. Let the mixture cool for 10 minutes.
3. While the chocolate is cooling, put the sugar, baking powder, baking soda, salt, and flour into a mixing bowl, whisking to combine.
4. Pour the cooled chocolate mixture into the bowl with the dry ingredients, and mix until thoroughly combined. Scrape the bottom and sides of the bowl, and mix again to incorporate any residue.
5. In a separate bowl, whisk together the vanilla, eggs, and sour cream or yogurt. Mix into the chocolate batter, stirring until thoroughly mixed.
6. Thoroughly grease a 10- to 12- cup Bundt pan, preferably non-stick. Pour the batter into the prepared pan. Bake

the cake for 50 to 55 minutes until a toothpick or skewer inserted into the center comes out clean. *Note: a pan with a dark interior will bake the cake more quickly; start checking at about 40 minutes.*

7. Remove the cake from the oven, wait 5 minutes, and turn the pan over onto a cooling rack. After 5 more minutes, lift the pan off the cake. Let the cake cool completely.
8. To make the icing: Combine the chocolate and cream in a microwave-safe bowl, or in a saucepan set over medium heat. Heat until the cream starts to bubble around the edges.
9. Remove from the heat, and stir until the chocolate melts and the mixture is smooth. Spoon the icing over the top of the cake, letting it drip down the sides.
10. Store any leftover cake at room temperature, well wrapped, for several days. Freeze for longer storage.

Youth - Whole Grain Banana Bread

Batter

2 cups (454g) mashed banana (about 5 medium)
 1/2 cup (99g) vegetable oil
 1 cup (213g) light brown sugar or dark brown sugar, packed
 2 large eggs
 1 teaspoon King Arthur Pure Vanilla Extract
 1 cup (120g) King Arthur Unbleached All-Purpose Flour
 1 cup (113g) King Arthur White Whole Wheat Flour

1 teaspoon baking soda
 1/2 teaspoon baking powder
 3/4 teaspoon salt
 1 teaspoon cinnamon
 1/2 cup (57g) chopped walnuts, toasted if desired; optional*

Topping

1 tablespoon (13g) granulated sugar
 1/2 teaspoon cinnamon

* Leave nuts out, if desired; or substitute up to 1 cup chopped dried fruit, chocolate, or butterscotch chips, sunflower or pumpkin seeds, or other mix-ins of your choice.

Instructions

1. Preheat the oven to 350°F with a rack in the center position. Lightly grease a 9"x5" loaf

- pan; if your pan is glass or stoneware, reduce the oven temperature to 325°F.
- In a large bowl, stir together the mashed banana, oil, sugar, eggs, and vanilla.
 - Weigh your flours; or measure them by gently spooning into cup, then sweeping off any excess. Mix the flours, baking soda, baking powder, salt, cinnamon, and chopped walnuts into the banana mixture. Scrape the bottom and sides of the bowl and mix again to thoroughly combine the ingredients.
 - Scoop the batter into the prepared pan. Mix together the sugar and cinnamon, and sprinkle over the batter.
 - Bake the bread for about 60-70 minutes, until the bread feels set on the top, and a paring knife (or any other thin knife) inserted into the center comes out clean, or with just a few moist crumbs (but no wet batter). If you have a digital thermometer, the bread's temperature at the center should register about 205°F. If the bread appears to be browning too quickly, tent it with aluminum foil for the final 15-20 minutes of baking. Note: if baking in a glass or stoneware pan, increase the baking time by 10 to 15 minutes.
 - Remove bread from the oven. Cool it in the pan for 15 minutes, then loosen the edges, and turn it out of the pan onto a rack to cool completely.
 - Store leftover bread, tightly wrapped, at room temperature for several days. Freeze for longer storage.

Department 26 Plants and Flowers

In preparing and entering flowers for show purposes, the quality of the flower is the main requisite. Quantity will not be considered and is often the cause of rejection. In the selection of flowers, be sure you get the best your garden has to offer and remember that a few well displayed flowers, cut with long stems and showing the individual beauty of each flower is important.

If possible fresh flowers may be brought in during the week for the cut flower displays, in order that the flower show may be attractive at the end of the week.

All flowers are to be raised by the exhibitor except flowers in flower arrangement classes.

Entry forms must be submitted by August 15th.

All Classes are open to youths up to and including age 18. Please specify age in the space provided on the entry form.

Division - Redneck Recycling

Redneck recycling is meant to be interpreted in a humorous manner. We'd like you to take a single item and recycle it into something that has absolutely no relationship to the original intended use of the item. Such as the famous or "infamous" toilets that have been turned into flower planters. We will only display items that are easily handled by one person. Items will be judged on originality, usefulness and if it makes us laugh. Premiums will be determined by the judges.

Beef Steers, Market Lamb, Market Hog – 4:00 PM, Sunday

Swine, Dairy, Beef Heifers, Sheep – 9:00 AM, Saturday

The 4-H uniform for Dairy and Dairy Goats is a white pants/jeans, button downed, collared shirt that will remain tucked in as well as a belt to keep shirt tucked in and pants up. NO colored shirts under white shirt. All other animal groups may wear a nice button-down collared shirt (can be western style) that is tucked in and colored pants or nice blue jeans. Exception: working steer, 4-Her wearing jewelry in the show ring is at their own risk of interpretation and / or penalty by the judge.

lot, and then they may have another 4-Her help them. The helper must also conform to the dress code. All showmanship animals must be on the 4-H's animal approval form. They cannot show another 4-H's animal in Showmanship.

12. All exhibitors are encouraged to take part in the Livestock Parade on Saturday at 10:00 AM.
13. The 4-Her should come to the 4-H office upon arrival, or any time during the week, and check their papers with the staff. It is the responsibility of the 4-Her to check their entries, not their parent or leader. This is a "learn by doing" experience. Papers the 4-Her should bring to the 4-H office are: signed approval/lease forms, rabies certificate, and interstate health papers if the member is not from Maine. Members with sheep entries should check papers with the staff inside the office in the sheep barn.
14. The 4-H Barn Superintendent will house all animals in the 4-H barn. Do not decorate a stall or pen until the staff has ok'd the space as your permanent location.
15. Schedules may change during the week. It is the 4-Her's responsibility to check the bulletin board frequently for notices and changes. The bulletin board is located at the foot of the stairs near the front of the 4-H barn near the Woodard Pavilion.
16. 4-H weekend entries will close by 10:00 AM Saturday. Once papers have been checked, classes may not be added. One exception to this rule is the Horse Show.
