The Build It Now (at the Fair) Team Build will consist of entrants between the ages of 7 & 13.

Individual Build and Team Build

- Individual build will have a 1 hour period to build their creation.

The rules apply the same in each age level:

1. Each contestant will be given a certain amount of Lego building blocks.

3. Using their own imagination, they are to build a creation with Lego blocks within the designated period.

5. Individual and team contests are only for ages 7-13. No one over or under the age group will be allowed in the contest area.
6. A 5-minute warning will be given so that the contestants know to start wrapping up their Lego creation.
7. At the end of the designated time, all contestants are to stop where they are in their creation, placing their hands on the table. Any contestant continuing to build will be given a warning. A second warning will result in disqualification from the contest.

8. Each contestant is to remain seated until all judges have made their rounds and a winner has been declared.
9. Winners will be declared after each contest.
10. Once winners have been declared, parents and relatives may move into the contest area to take photos of their children and their creation.
11. After awards are given, and contest is over, contestants are to return to their stations and disassemble their creations and put the Lego bricks back into the containers provided by The Greater Baton Rouge State Fair. All Lego building blocks and pieces are property of the Greater Baton Rouge State Fair.
