

Park Amenities

GEORGIA INTERNATIONAL

HORSE PARK™

Outside the realm of the banquet and meeting rooms are plenty of options to keep your group entertained. We offer something fun for everyone, including horse shows, mountain biking, nature trails, golf and more.

Enjoy the natural splendor of the Horse Park property.

Park Activities:

Visit the Big Haynes Creek Nature Center: 173 acres of the Horse Park has been designed as a nature preserve devoted to the preservation and study of native plants and wildlife. Enjoy walking trails, watch wildlife from the observation platforms, and learn about the natural surroundings at the discovery stations throughout the trails. Open daily from sunrise to sunset.

Conquer the first ever Olympic Mountain Bike Trails: With 1,032 feet of elevation change, this unique course gives park visitors over 8 miles of a truly exhilarating ride. The trails are open daily for public riding from sunrise to sunset. Bring your bike and enjoy the ride!

Experience a Horse Show: The Park hosts numerous horse shows throughout the year, including hunter-jumper, western, dressage and many others. Most of the horse shows are free to the public, and concessions are offered on-site, providing a great place to have a ringside lunch.

Retreat to the Arboretum: Take a short stroll through the Arboretum (“garden of trees” in Latin). This 5 acre hardwood forest includes walking trails with various trees and plants marked with plaques dedicating particular trees to deceased loved ones and friends.

Explore the Trails by Horseback: More than 15 miles of horse trails provide scenic views of the former Olympic Endurance Course, while winding through wooded areas blended with pastureland and streams. The trails are open for public riding from sunrise to sunset. Trailer your horse to the park, and enjoy!

Play the Run: This beautiful par 72 golf course features scenic play over wetlands and granite outcroppings. Designed by Arnold Palmer, the course plays like a mountain course and is open daily, year round.

“Cache” in on all the Fun: Geocaching is a family-friendly, treasure-seeking adventure that’s sweeping the globe. All you need to participate is a handheld Global Positioning System (GPS) unit or GPS-enabled phone, the geocaches you wish to seek, and a spirit of adventure! Four caches are located at the Horse Park. Visit our website for more details.

Relax at Hawthorn Suites: Hawthorn Suites is as comfortable as the Horse Park is world-class. This all-suite hotel provides convenient lodging along the Parkway with 77 suites with private kitchens.
