

Georgia International Horse Park (Owner)

Rules and Regulations

- 1) Exhibitors, promoters, vendors, campers, motor homes, horse vans, etc. are not permitted to hook up to electric transformers, distribution panels, light poles, electric receptacles, generators, etc. without the express approval of the Owner through the GIHP Management.
- 2) Temporary power cords (drop cords) when used at the Premises shall be of the three-wire type and suitable for intended use. All drop cords shall be used with ground fault-protected outlets to prevent accidental electrocution.
- 3) No unauthorized personnel shall enter closed arenas, storage buildings, maintenance buildings, mechanical room, electrical rooms, etc. without express approval from the Owner through the GIHP Management.
- 4) No smoking allowed on the Premises, including any facility, barns, arenas, stadiums, show office, retail shops, or any GIHP-owned vehicle.
- 5) Exhibitors, promoters, vendors, RV guests, etc. shall not hang materials/decorations on facility walls or ceilings without express approval from the Owner through the GIHP Management. It is the responsibility of each promoter to remove these items upon Event ending.
- 6) Golf carts and other motorized vehicles are permitted on concrete and aggregate material roads only. Specifically, no golf carts or motorized vehicles are permitted in barn aisles, training arenas, competition arenas, grass areas and spectator areas. Golf carts and all motorized vehicles shall be operated in a safe and cautious manner at all times by a licensed driver 16 years of age or older.
- 7) All pets must be kept on a minimum six-foot (6') leash at all times, and are the owner's responsibility. Pet owners are expected to use good judgment when allowing pets in public spectator areas. Pets are not allowed inside any enclosed facility on the Premises without express approval from the Owner through the GIHP Management.
- 8) Only authorized persons shall operate the Owner's equipment; i.e., golf carts, tractors, utility vehicles, etc.
- 9) No littering. Trash receptacles are located in all barns and spectator areas for your convenience.
- 10) The following items are strictly prohibited at the Premises: fireworks, illegal drugs, firearms, glass bottles, air horns, and any other items or articles which may detract from the safety and enjoyment of exhibitors and spectators as determined by the Owner.
- 11) No tents shall be erected or anchor stakes of any kind placed without prior express approval from Owner. RV guests shall be responsible for any cost incurred as a result of damages to infrastructure, such as electrical, water, irrigation, or sewer lines.
- 12) Proof of the Pudding is the Owner's exclusive concessionaire. Outside liquor, beer, and wine are strictly prohibited. Proof of the Pudding must provide all liquor, beer, and wine.
- 13) RV guests are responsible for damage to the Premises caused by the RV guest. Owner will notify RV guests of damage within thirty (30) days of departure. Payment of damages is due upon notification by Owner.
- 14) No heat-producing appliances such as coffee makers, space heaters, etc. shall be used in the barns except in designated areas, and in no case is propane allowed. No grills or grilling is allowed in the equine core of the Georgia International Horse Park, except in designated areas.
- 15) No refrigerators are allowed in barn areas.
- 16) Horse washing is prohibited in barn aisles. Wash racks are provided for this purpose.
- 17) Longeing is only permitted in longeing rings. Longeing is strictly prohibited in training arenas, competition areas, and grass areas.
- 18) No horse trailers are allowed in barn areas except for loading and unloading. Horse trailer parking is permitted in designated areas only. No horse trailers, vehicles, or RVs shall be allowed to be parked on the Premises overnight without prior written approval from the Owner. Violators will be towed at vehicle owner's expense.
- 19) Horses are prohibited in public spectator areas. Specifically, horses are prohibited from all food service areas, spectator seating areas and the covered arena courtyard.
- 20) No signage shall be erected on the Premises without the prior written consent of Owner, which consent will not be unreasonably withheld.
- 21) All manure and used shavings removed from stalls or trailers must be placed in specified areas, not in garbage cans. Manure pits are for manure disposal only.
- 22) Straw is not allowed for stall bedding.
- 23) All bio-hazardous materials, empty drug vials, syringes, needles, spill kits, IV tubing and bag and related materials shall be properly disposed in required bio-hazard receptacles. Bio-hazard receptacles and fire extinguishers must be visible and remain in place at all times.
