Dear Residents,

This letter is to advise you that the Georgia International Horse Park will be conducting a planned prescribed fire at Big Haynes Creek Nature Center, located at the Georgia International Horse Park (across from Gate D,) on Thursday, December 2, from 9am until roughly 4pm.

Please do not be alarmed if you see some smoke throughout the day.

The Georgia Forestry Commission and Rockdale County Rescue Department will be there on-site to oversee the prescribed burn, as will other wildlife and environmental agencies.

The prescribed fire is part of a maintenance plan put together by the Georgia Forestry Commission to help improve the long-term health of this conservation area, prevent forest fires, and improve the trail system for visitors.

For more information, feel free to call the Georgia International Horse Park at 770-785-4190. You can also pick up a FAQ sheet at the kiosk at the entrance of the Big Haynes Creek Nature Center trailhead.

Thank you for your continued support. We look to having you visit us soon!

Kind regards,

Dawn Tanner
