Horticulture Department Rules (found at the end of this schedule) also govern this competition. ***PLEASE NOTE...IT IS YOUR RESPONSIBILITY TO READ AND UNDERSTAND THE RULES. E-mail questions to contests@gnfa.com. Help prevent entry disqualifications.***

1. The show is sanctioned by The American Camellia Society and will be conducted in accordance with the latest revision of "Rules and Regulations Governing Procedures and Judging of ACS Cooperative Shows." The show Chairperson may establish such further rules as deemed necessary for the proper conduct of the show. In all cases, the decision of the judges will be final.
2. Entries (open to all growers) will be accepted 7:00 AM until 11:00 AM, Saturday, October 15.
3. Standard Entry Cards must be used. The name of the variety, the bloom size and the class must be indicated. The card color shall be per the show schedule.
4. Any individual may exhibit. Entries must be from plants owned by and in the possession of the exhibitor for at least 30 days. The exhibitor does not have to be a member of a camellia society.
5. Entries must have only one bloom to a stem, and one or two leaves (not necessarily attached). Wiring of blooms and the use of collars are permissible. There is no limit on the total number of blooms that an exhibitor may enter, however, no more than three single entries of a variety may be submitted.
6. The ACS recognizes the "Camellia Nomenclature" published by the Southern California Camellia Society (SCCS). To win an ACS Certificate or Award, except for seedlings and sports, the variety must be listed in the 1981 "Camellia Nomenclature Historical Edition", the current edition of "Camellia Nomenclature", or the "Camellia Nomenclature Supplement". This includes varieties; (1) with errors corrected, (2) registered with ACS but omitted from the "Camellia Nomenclature", (3) registered with ACS and listed in subsequent issues of the ACS "The Camellia Journal" and "American Camellia Yearbook" and (4) registered with the SCCS after the publication of the "Camellia Nomenclature". The head judge may accept other proof of registration.
7. A bloom can compete in only one class and may win only one award.
8. Unprotected blooms are those grown in natural surroundings without any man-made protection.
9. Except when entered as a sport (class O) or as variegated, varieties that assume multiple forms will be judged separately only if the form has been listed as a separate variety in "Camellia Nomenclature".
10. Varieties showing any variegation shall be entered and judged as variegated.
11. The show chair or representative reserves the right to reject blooms that are inferior in quality.
12. If only one bloom of a variety is entered, it shall constitute a class.
13. All blooms and associated scions (attached wood) become the property of the MGCS.
14. Awards in any division may be withheld if, in the judges' opinions, no flower deserves the award.
15. Size classification will be per the latest edition of "Camellia Nomenclature." Where a bloom is classified to include two sizes, the smaller size shall determine the award class with the exception of miniatures. Miniature blooms must be classified as miniature and not miniature to small.
16. A novice is defined as an individual who has never won a "Head Table Award" at an ACS Show.
17. Blooms will be displayed in containers provided, or equivalent to those provided, but may not be visually enhanced by placing blooms on a bed of polyfil, cotton, moss, or similar products.
18. Judges must disqualify themselves while their blooms are being judged.

19. No distinction shall be made by the judges between chemically treated and non-treated blooms.
20. The MGCS, its officers and members, are not under any circumstances responsible for the loss of, or damage to, blooms, or other property; or for the injury to persons. Care will be exercised for the protection of all property, but this shall not be interpreted as an assumption of liability. The Georgia National Fair and the show committee will provide as much protection as possible, but neither the Fair nor the show committee will assume responsibility for loss or damage to any exhibit or personal property.
20. The show will open after judging is complete on Saturday, Oct. 15, and close at 5 p.m. on Sunday, October 16.

Judging shall be in accordance with "Camellia Show Rules and Regulations" dated July 1, 2017, chapter III, Section 2 and chapter VII, Section 2.
