

HORTICULTURE

Superintendent: Elizabeth Garrett, Perry

Participating Societies and Organizations:

Middle Georgia Chapter, American Camellia Society

Camellia District IV and Magnolia District V,

Member of The Garden Club of Georgia, Inc.

Member of Deep South Region

Member of National Garden Clubs, Inc.

Standard Flower Show - October 7 - 9
Camellia Show - October 15-16

All Flower Shows will be located in the Miller-Murphy-Howard Building. Exhibits must be brought through the North gate or the West gate to the designated area at the front side of the Miller-Murphy-Howard Building. Vehicles must be moved after unloading.

FOR SPECIFIC INFORMATION ON EXHIBIT RECEIVING AND RELEASE TIMES,
PLEASE CHECK THE RULES FOR EACH SHOW.

ELIGIBILITY

1. **All exhibitors are required to read and abide by the Georgia National Fair General Rules And Regulations. PLEASE NOTE...IT IS YOUR RESPONSIBILITY TO READ AND UNDERSTAND THE RULES. If you have questions, you may certainly e-mail us at contests@gnfa.com. Please help us prevent entry disqualifications.**
2. All flower shows in this department are open to any amateur gardener in the state of Georgia. Entries must be made in the individual's name. No entry fee is required. Please check each show for rules pertaining to that show.
3. Youth Horticulture entries MUST STATE EXHIBITOR'S SCHOOL ON ENTRY CARD. Any entry without this information will be judged with adult entries.

ENTRY REQUIREMENTS

4. Exhibitors must complete an official entry form of the Georgia National Fair to be eligible for cash awards.
5. Special Exhibits and Design Classes of the Standard Flower Show are open to any amateur designer, but must be registered with the entries chairman.
6. PREREGISTRATION IN ALL SECTIONS IS ADVISED.
7. Only one entry per class, per exhibitor, except where class is subdivided according to color,

variety, or kind. Duplicate entry tags will be disqualified.

8. Two or more persons may not exhibit the same variety from the same garden. Gardens located at the same address are considered the same garden.

9. Exhibits must be checked by Classification Committee for each show to receive an entry tag. Both entry form and tag must be properly completed by the exhibitor and tag must be attached to exhibit prior to being placed in the show. The decision of the Classification Committee is final. **Exhibitors bringing more than 15 specimens must obtain entry tags in advance and should arrive two hours prior to close of entries for that show.**

10. Except where noted in the Camellia Show rules, all flower show exhibits must have been grown by exhibitor or have been in the possession of the exhibitor for at least 90 days and be named by common and botanical names (if possible) on the entry tag. Named varieties will be given precedence over unnamed ones. Plants that are staged on a table for the protection of the plant may be elevated with a clay pot not to exceed 15".

11. REMOVAL - No exhibit or part of an exhibit shall be removed at any time during the Fair except by authorized personnel at

designated times. Any violation of release time will result in forfeiture of all premiums earned by exhibitor and disqualification from future shows.

12. While the Georgia National Fair and participating flower societies will exercise due caution in safeguarding exhibits, they cannot assume responsibility for injury or loss. Valuables used in exhibits should be insured by the exhibitor.

13. The management reserves the right to reject any exhibit which does not meet its standards for exhibition and the Superintendent shall have the right to remove or exclude from the show at any time any exhibit, or part thereof, which is below the standards of good showmanship.

AWARDS AND PREMIUMS

14. Georgia National Fair ribbons and cash prizes may be awarded in each Class or variety where noted and a Georgia National Fair Rosette may be awarded in Sections where noted.

15. Mark C. Ford, Jr. Georgia National Sweepstakes Plaque will be awarded to the winner of the most blue ribbons in the Horticulture division of the Standard Flower Show.

16. Cash awards (premium checks) will be mailed within six weeks after the Fair is over to the address listed on the official entry form. **NOTE: For premiums less than \$20, please refer to the premium section of the General Rules.**

17. Please notify the fair if you have not received your premium check by December 31, 2022.

18. Checks must be cashed within 90 days of original premium issue date. Checks not cashed in a timely manner will not be replaced.

19. Consult schedules of each show for special awards offered by participating societies and organizations.

GENERAL RULES

- All exhibitors are required to read and abide by the Georgia National Fair General Rules and Regulations and the Horticulture Department Rules as set forth by the Georgia National Fair (found at <https://www.georgianationalfair.com/p/other/finearts>). PLEASE NOTE: IT IS YOUR RESPONSIBILITY TO READ AND UNDERSTAND THE RULES. If you have questions, you may e-mail us at contests@gnfa.com. Please help us prevent entry disqualifications.**
- All divisions of the Standard Flower Show will be located in the Miller-Murphy-Howard Building at the Georgia National Fairgrounds. Exhibitors must use the NORTH or WEST Gates and follow the Flower Signs to the designated area at the Miller-Murphy-Howard Building.
- This schedule is written to conform to all rules, requirements, and objectives of the National Garden Clubs, Inc. (NGC) and The Garden Club of Georgia, Inc. The *Handbook For Flower Shows*, revised 2017 edition (hereafter referred to as *HB*), and The Amendments listed in *The National Gardener* shall be the authority in all points not covered in this schedule.
- Any amateur gardener may enter in the Horticulture Division, and is encouraged to do so. The Design Division and Educational Division are open to exhibitors who are familiar with the National Garden Clubs, Inc. Principles and Elements of Design and with Design Division Policies and must be familiar with the requirements and considerations of NGC. The Youth Division is open to any youth, preschool through eighteen years of age.
- Horticulture entry cards (tags) are available September 15-30, 2022, if needed in advance, from the Flower Show Co-Chairman, Willie Maxwell, (229-938-5830, wmmx2@gmail.com). An NGC horticulture entry card, filled out on both top and bottom sections, must accompany each entry. Exhibitors are requested to legibly complete entry cards (tags) in advance, using pencil or water proof ink to fill in Section, Class and Botanical Name or Currently Accepted Scientific Identification. Genus and species are underlined when handwritten and italicized when mechanically printed. Computer-generated address labels may be used if waterproof (must match your official entry form). The Classification Chairmen for each division checks exhibits for conformity to the schedule prior to judging. Final determination for conformance is the judges' responsibility. Horticulture that is not of show quality will be disqualified.
- Entries must be submitted on Thursday, October 6, 2022, from 3:00 PM until 7:00 PM at the Miller-Murphy-Howard Building (Georgia National Fairgrounds, Perry, Georgia) and on Friday, October 7, 2022, entries will be accepted from 7:30 AM until 9:00 AM. Judging will begin at 10:00 AM, October 7, 2022. The Show Chairman and the Classification Chairmen for each Division are available during judging for possible consultations. They, along with the judges and clerks, are the only personnel allowed on the floor during judging. The Photographer may take photos before and after judging, but not during judging. Entries must be removed after 5:00 PM on Sunday, October 9, 2022, but not later than 7:00 PM.
- The decisions of the judges are final. Awards may be withheld if not mer-

ited. The use of any part of plants on the State Conservation List is strictly prohibited. The State Conservation List is located at the end of the schedule, or at <https://www.georgianationalfair.com/p/other/finearts>.

8. There must be an emphasis on fresh plant material. The use of artificial flowers and foliage, prepared foods, or cut fruits and vegetables is not permitted in the Standard Flower Show.

9. The American flag and other national flags must be displayed in a respectful manner. In order not to offend, American and other national flags may not be incorporated into any competitive designs and may not be used as underlays, swags, or the like.

10. All personal property should be clearly labeled. The Show Committee, Magnolia District and Camellia District, as well as the Georgia National Fair, will exercise the utmost care to protect personal property, but will not assume responsibility for any loss or damage.

11. Each exhibitor is limited to one entry per class except in the Horticulture Division. An exhibitor can have more than one entry in horticulture when classes are subdivided.

12. The National Garden Clubs, Inc. Standard System of Awarding will be used for all competitive judging. Only one first place (blue dot) per class or sub-class (must score 90 or above), only one second place (red dot) per class or sub-class (must score 85 or above), only one third place (yellow dot) per class or sub-class (must score 80 or above), and one or more honorable mention (white dot) as merited (must score 75 or above) may be placed at the discretion of the judges. Decision of the judges is final. Awards may be withheld if exhibits do not merit recognition.

13. Judges are requested to review the red, yellow, and white winning exhibits in all divisions to determine if any of them scored 90 or above (90+). An Accredited Judge must sign and date all blue dot entry cards (tags), 90+ entry cards (tags) and NGC Top Exhibitor Award Rosettes. Judges are requested to leave written comments on exhibits in Division II, Design, Division III, Education, and Division IV, Youth (Design).

14. Each exhibit in competition for the NGC Top Awards must be the work of one individual. Designs and/or Educational Exhibits must not have been exhibited in previous flower shows or any other venue for judging and point scoring by the NGC Standard System of Awarding. The Schedule is the Law of the Show.

15. The Flower Show opens to the public on Friday, Oct. 7, at 1:00 PM and closes on Sunday, Oct. 9, at 5:00 PM.

16. Premiums will be paid based on punched cards (tags) turned in by the Show Committee. **NOTE: For premiums less than \$20, please refer to the premium section of the Georgia Living Department General Rules.**

Georgia National Fair Horticulture Awards

Georgia National Fair Award of Excellence Rosette may be awarded in each section of Horticulture, Division I where no National Garden Club award is offered. The **Mark C. Ford, Jr. Georgia National Fair Horticulture Sweepstakes** Plaque will be awarded to the winner of the most blue ribbons in Horticulture, Division I.

National Garden Clubs, Inc., Awards

The National Garden Club (NGC) Standard System of Awarding is used in all divisions as follows:

Only one (1) first-place (blue) dot per class or sub-class; must score 90 points or more.

Only one (1) second-place (red) dot per class or sub-class; must score 85 points or more.

Only one (1) third-place (yellow) dot per class or sub-class; must score 80 points or more.

One (1) or more honorable mention (white) dots are merited; must score 75 points or more.

In a Standard Flower Show, a minimum of 5 classes and 20 exhibits is required. To be considered for any of the NGC Top Awards in Horticulture, each exhibit must be correctly identified by its binomial name or its currently accepted scientific identification and must be the highest scoring 95+ blue ribbon winner. To be eligible for an NGC Top Exhibitor Award in the Youth Division, an exhibit must have been the highest scoring blue ribbon winning exhibit scoring 90 or above in each age category.

Horticulture Division I

One **Award of Horticultural Excellence** is offered to the highest scoring blue ribbon/dot winner and correctly named exhibit in the entire Horticulture Division. It is also available to all first place blue ribbons scoring 95 or above that are not in sections designated for a Section Top Exhibitor Award. It is a rosette of green, orange, and blue ribbons (Hb 2017-2nd Edition, Chapter 5, Awards, Pg 40).

Arboreal Award, rosette of green ribbons in two shades, may be given to the highest scoring correctly named shrub and tree exhibit scoring 95 or above in Division I. Two may be awarded, one in each of the following sections (*HB* 2017, 2nd edition, Chapter 5, Pg 40).

Division I, Section I, Classes 63-79 Shrubs

Division I, Section J, Classes 80-93 Trees

Award of Merit, rosette of orange ribbons in two shades, may be given to the highest scoring correctly named cut non-arboreal exhibit scoring 95 or above in Division I (*HB* 2017, 2nd edition, Pg 41). Five may be awarded, one in each of the following sections:

- Division I, Section A, Classes 1-6 Annuals and Biennials
- Division I, Section B, Classes 7-17 Flowering Perennials
- Division I, Section C, Classes 18-28 Rosa
- Division I, Section D, Classes 29-34 Bulbs, Corms, Rhizomes and Tubers (flowering)
- Division I, Section O, Classes 115-125 Legumes and Vegetables

Collectors Showcase Award, rosette of brown and green ribbons may be given to the highest scoring correctly named exhibit scoring 95 or above in Division I (*HB* 2017, 2nd edition, Pg 41). Two may be awarded, one in each of the following sections:

- Division I, Section K, Classes 94-98 Collections
- Division I, Section L, Classes 99-103 Displays

Grower's Choice Award, rosette of dark green ribbons in two shades, may be given to the highest scoring correctly named exhibit, scoring 95 or above in Division I (*HB* 2017, 2nd edition, Pg 41). Three may be awarded, one in each of the following sections:

- Division I, Section P, Classes 127-132 Flowering Container-Grown Plant
- Division I, Section Q, Classes 133-148 Foliage Container-Grown Plant
- Division I, Section S, Classes 158-160 Combination Planting

Design Division II

Award of Design Excellence, a rosette of gold ribbons, one is offered to the highest scoring blue ribbon/dot winner in the entire Design Division (*HB* 2017, 2nd edition, Chapter 5, Pg 42). A Standard Flower Show must include a minimum of 5 classes with 4 exhibits per class.

Table Artistry Award, a rosette of burgundy ribbons, may be given to the highest scoring exhibit, scoring 95 or above in Division II, Section A, Classes 1, 2, and 3, with four designs in each class (*HB* 2017, 2nd edition, Chapter 5, Pg 43).

Designer's Choice Award, rosette of purple ribbons, may be given to the highest scoring exhibit, scoring 95 or above in Division II, Section B, Classes 4, 5, and 6 with four designs in each class. Plant material used in the exhibit may be dried, and/or fresh (*HB* 2017, 2nd edition, Chapter 5, Pg 42).

Petite Award, a small rosette of blue and white ribbons, may be given to the highest scoring exhibit, scoring 95 or above in Division II, Section C, Classes 7, 8, and 9 with four designs in each class (Hb 2017-2nd Edition, Chapter 5, Pg 43).

Education Division III

Educational Top Award, rosette of brown & white ribbons, may be given to the highest scoring exhibit scoring 95 or above in Division III, Education, Section A, Class 1, Exhibits 1, 2, and 3. Must be the work of an individual or organization. One per show may be awarded. A minimum of two educational exhibits designated as eligible must be present (*HB* 2017, 2nd edition, Chapter 5, Pgs 43-44).

Youth Division IV

Youth Top Exhibitor Award, rosette of red, white and blue ribbons, one may be given to the highest scoring exhibit scoring 90 or above. A total of 9 Top Youth Awards may be awarded: One in Horticulture, one in Design, and one in Education in each age category. One award may be placed in each age group in each of the following sections: Division IV, Section A, Horticulture, Classes 1, 2, 3, 4, 5, and 6. Section B, Design, Classes 7, 8, and 9. Section C, Education, Classes 10, 11, and 12 (*HB* 2017, 2nd edition, Chapter 5, Pg 44).

Division I - Horticulture Rules

1. The Horticulture Division is open to any amateur gardener. Entries must be made in individual's name. Read the General Rules of this schedule which govern this competition. The NGC Exhibit Policies are printed in the *Handbook for Flower Shows - 2nd Edition*, Chapter 6, "Exhibiting in the Horticulture Division", Pg 55.
2. Entries will be accepted from 3:00 PM until 7:00 PM on Thursday, October 6 and from 7:30 AM until 9:00 AM on Friday, October 7, in the Miller-Murphy-Howard Building. **NO ENTRIES WILL BE ACCEPTED AFTER 9:00 AM ON FRIDAY, OCTOBER 7.** Entries may be brought through the North or West gates; follow the flower show signs to the designated area at the Miller-Murphy-Howard Building. There will be some parking available in front of the building for unloading only. **PLANTS MUST BE UNLOADED IMMEDIATELY AND VEHICLES MUST BE MOVED, OR THEY MAY BE TOWED.** Please cooperate and help keep the loading area clear.
3. Exhibit release begins at 5:00 PM (not before), and ends at 7:00 PM on Sunday, October 9. The Show Committee will not be responsible for property left after that time. Exhibits removed early will result in forfeit of any winnings, and disqualification from future shows.
4. Exhibitors are limited to a maximum of **50 entries** in Division I, Horticulture, which includes cut, container-grown, and fruit/vegetable specimens. **NO MORE THAN 15 CONTAINER-GROWN PLANTS WILL BE ACCEPTED FROM ANY ONE EXHIBITOR.** Exhibitors bringing more than 15 total specimens must obtain entry cards (tags) in advance from Janice Cliett (229-938-4710 jbcliett@bellsouth.net) and should arrive on October 6, or prior to 8:00 AM on October 7. Each entry submitted must be one cut specimen or one plant per container except for self-multiplying and other multiple container-grown plants.
5. Entry cards (tags) must accompany each entry. Each entry tag/card (both portions) must be completely filled out by the exhibitor with water-proof ink, labels or by pencil before being passed by the Classification Committee. Entry cards (tags) may be obtained from the Horticulture Entries Chairman, Janice Cliett (229-938-4710 jbcliett@bellsouth.net). Exhibitors will forfeit prize money if both portions of card and GNF entry form are not completely filled out. All exhibitors are encouraged to secure cards (tags) from the Entries Chairman well in advance of the show date (*HB 2017, 2nd edition, Chapter 6*). **The name and address on the entry card must match the name on the GNF entry form.**
6. An exhibitor may make more than one entry in any one class or subclass provided each entry is of a different cultivar, color, or type, unless otherwise specified in a particular class. **The entry card must specify the difference on the top and bottom of the card.**
7. All specimens, whether cut, container-grown, **MUST** be fresh plant material grown by the exhibitor. Cut annuals, biennials, and perennials must have been in the exhibitor's possession from seeds, cuttings, or immature plants and grown to maturity. Bulbous blooms must have been in exhibitor's possession from planting of bulb, tuber, corm, or rhizome, or it must have been cared for as a mature plant for at least 90 days. Container-grown plants must have been in the possession of the exhibitor for not less than 90 days. Exception: multiple plantings must have been grown together by the exhibitor for a minimum of six weeks.
8. Specimens with a class designation may not be entered in the "Any Other Worthy" class.
9. All entries must have been checked by the Classification Committee. **THE COMMITTEE MAY RE-LABEL ANY INCORRECTLY LABELED ENTRY**

AND DISQUALIFY ANY SPECIMEN THAT IS NOT OF SHOW QUALITY.

10. Exhibiting plants that are on the State Conservation List is prohibited. A list of protected species is available at the end of this schedule. Native plants other than those on the State List can be exhibited in the Horticulture Division provided they are grown by the exhibitor.

11. Each horticulture specimen must be identified with its binomial name or its currently accepted scientific identification. Only those specimens so named will be eligible for NGC National Top Awards. Include variety or cultivar when possible. The common name may be added and placed in parentheses. Trademarked or registered trademarked names are a legal entity that may or may not be the actual cultivar name. Trademarked names are acceptable in an NGC Standard Flower Show in place of a cultivar name. Trademarked names are not enclosed in single quotes (*HB* 2017, 2nd edition, Chapter 6).

12. The Classification Committee and/or the General Chairman are allowed to subdivide classes (as necessary) by color, form, size, cultivar, variety, or other distinguishing characteristic. There must be 3 or more exhibits of botanically identical, or similar in form, color, size or description to justify forming a subclass, with the exception of petite horticulture specimens that are never in competition with standard-sized specimens but are subdivided into their own class or subclass (*Hb*, p.3).

13. Cut horticulture specimens will be exhibited in clear glass bottles furnished by the Show Committee. Fruits/nuts/vegetables will be exhibited in baskets furnished by the Show Committee. If a plant is considered a flowering plant, it should be exhibited as a flowering specimen. Foliage plants may flower, but should be exhibited as foliage plant if grown for their leaves.

14. Plant material may not be altered by the application (treatment) of oil, commercial "shine" product, dye, etc., that may artificially change the natural color or texture. No wiring is allowed for single specimens (exception, trained

plants).

15. Cut specimens should not have any foliage below the water line (exception- *Gladiolus*, at least two leaves).

16. Arboreal specimens can be no longer than 30" from the tip of the specimen to the cut end. Each branch must be at least 12" long, include several nodes (see specific section requirement) and have an apical tip. Dwarf/minature specimens can be no shorter than 6" and must contain at least two nodes and have an apical tip.

17. Containers for container-grown plants may not exceed 14" in diameter and should be in proportion to the plant size. A saucer underneath is required.

18. Cut specimens of *Hedera helix* (English ivy) and vines should be no longer than 24" and must have an apical bud or new growth.

19. Double potting is permitted; however, inner pot must not be visible.

20. Cut horticulture specimens may be wedged with a small piece of green Styrofoam or celery furnished by the exhibitor.

21. Only members of the Horticulture Placement Committee are eligible to place entries, with the exception of collections which are placed by exhibitor.

22. Reservations for exhibiting large specimens must be made in advance with Willie Maxwell, Show Co-Chairman, (229-938-5830, wmmx2@gmail.com). Reservations must be made by October 3, in order to assure space for each exhibit. This includes container-grown, collections, and displays entries.

23. Judges are eligible to enter in Horticulture Division, except those Sections that they are judging.

24. Judges are requested to review the red, yellow, and white winning exhibits to determine if any of them scored 90 or above and to so indicate on the entry card. **AN ACCREDITED**

JUDGE ON THE JUDGING PANEL IS REQUESTED TO SIGN AND DATE ALL BLUE AND 90+ ENTRY CARDS (TAGS) AND TOP AWARD ROSETTES.

25. **Horticulture Scale of Points for judging is listed in the Hb, Chapter 14.**

Division I – Horticulture
“Celebrating Special Days”
 Eligible for Award of Horticulture Excellence
 Georgia National Fair Award of Excellence Rosette
 may be given in each Section.

GNF Awards			
<u>1st</u>	<u>2nd</u>	<u>3rd</u>	<u>HM</u>
\$4	\$3	\$2	

Section A
“Earth Day”

Annuals and Biennials

Eligible for **Award of Merit**

Cut Specimens, Flowering, One Stem

Class

1. *Ageratum houstoniaum*
(ageratum)
2. *Begonia semperflorens* (wax begonia)
 - a. Pink
 - b. Red
 - c. White
3. *Celosia argentea* (cockscomb)
4. *Tagetes erecta* (marigold)
5. *Zinnia elegans* (zinnia)
6. Any other annual or biennial not listed

Section B

“President’s Day”

Flowering Perennials

Eligible for **Award of Merit**

Cut Specimens, Flowering, One Stem

Class

7. *Chrysanthemum x morifolium*
(garden mum)
 - a. Single Bloom
 - b. Spray
8. *Echinacea purpurea*
(coneflower)
9. *Gerbera jamesonii* (gerber daisy)
10. *Helianthus annuus* (sunflower)
11. *Justicia brandegeana* (shrimp plant)
12. *Michaelmas daisy* (aster)
13. *Phlox paniculata* (phlox)
14. *Plumbago auriculata* (plumbago)
15. *Rudbeckia hirta* (blackeyed Susan)

16. *Salvia*

17. Any other flowering perennial not listed

Section C
“Mother’s Day”

Rosa

Eligible for **Award of Merit**

A minimum of two (2) leaves, each with five leaflets, required.

Class

18. *Rosa* (climbing rose)
19. *Rosa* (floribunda rose)
20. *Rosa* (grandiflora rose)
21. *Rosa* (hybrid tea rose)
22. *Rosa* (miniature rose)
23. *Rosa* (mini-floras rose)
24. *Rosa* (old garden rose)
25. *Rosa* (polyantha rose)
26. *Rosa* (shrub rose)
27. *Rosa* (species/wild rose)
28. Any other *rosa* not listed

Section D
“Father’s Day”

**Bulbs, Corms, Rhizomes,
 and Tubers (flowering)**

Eligible for **Award of Merit**

One Cut Stem

Class

29. *Canna generalis* (canna lily)
30. *Dahlia* (dahlia)
31. *Hedychium coronatum* (ginger lily)
32. *Lycoris radiata* (spider lily)
33. *Zingiber zerumbet* (pinecone lily)
34. Any other bulb, corm, rhizome, or tuber not listed

For premiums less than \$20, please refer to the premium section of the General Rules.

Section E “Armed Forces Day”

Herbs (other than *Echinacea purpurea*)

One Cut Stem

Class

35. *Allium carinatur* (chives)
36. *Anethum graucalens* (dill)
37. *Mentha* (mint)
38. *Ocimumbasillicum* (basil)
39. *Rosmarinus officinalis* (rosemary)
40. *Salvia officinalis* (sage)
41. *Thymus vulgaris* (thyme)
42. Any other herb not listed

Section F “Martin Luther King, Jr. Day” Vines

Maximum length 24 inches, must contain an apical tip or new growth and several nodes..

Class

43. *Gelsemium sempervirens*
(Carolina jasmine)
44. *Hedera helix* (ivy) small variety
 - a. Fruited
 - b. Green
 - c. Heart-Leaf
 - d. Variegated
 - e. Miniature
45. *Parthenocissus tricuspidata*
(Boston ivy)
46. *Solanum jasminoides*
(potato vine)
47. Any other vine not listed

Section G “Parents’ Day” Ferns

One Cut Stem

Class

48. *Asplenium nidus* (bird’s nest)
49. *Athyrium niponicum* (Japanese painted)
50. *Nephrolepissexaltata* (Boston)
51. Any other true fern not listed

Section H “Labor Day”

Decorative Foliage

One Cut Leaf Stem

Class

52. *Asparagus densiflorus* (foxtail fern)
53. *Asparagus macowanii* (ming fern)
54. *Aspidistra elatior* (cast iron plant)
55. *Cyperus papyrus* (umbrella plant)
56. *Fatsia japonica* (fatsia)
57. *Hosta spp.* (hosta)
58. *Philodendron selloum*
(Philodendron)
59. *Philodendron spp.* (philodendron)
 - a. Heart-shaped Leaves
 - b. Split-leaf
 - c. Other
60. *Plectranthusscuttelaroides* (coleus)
61. *Sanseveria trifasciata*
(mother-in-law’s tongue).
62. Any other decorative foliage not listed

Section I “Georgia Arbor Day” Shrubs

Eligible for **Arboreal Award**

Cut specimens, one stem unless otherwise noted. Branch length must be at least 12 inches, not to exceed 30 inches from tip of specimen to cut end. Each cut branch must have at least five nodes from cut end to tip and an apical tip. Dwarf/miniature specimen can be no shorter than 6 inches, must contain at least two nodes and an apical tip
Judging Considerations: (*HB*, 2017 edition).

Class

63. *Aucuba japonica* (aucuba)
 - a. Green
 - b. Speckled
 - c. Spotted
 - d. Any other aucuba not listed
64. *Buxus macrophylla* (boxwood)
65. *Callicarpa americana* (beauty berry)
66. *Cleyera japonica* (cleyera)
67. *Euonymus japonica* (euonymous)
 - a. Green
 - b. Variegated
68. *Hibiscus syriacus* (rose of Sharon)

69. *Hydrangea*
 a. *macrophylla* (lace cap)
 b. *macrophylla* (mophead)
 c. *quercifolia* (oakleaf)
 d. Any other hydrangea
70. *Ilexcornuta* (Burfordi and Chinese holly)
71. *Juniperus* (juniper)
72. *Mahonia bealei* (leather leaf mahonia)
73. *Nandina domestica* (nandina)
 a. Berried
 b. Without Berries
74. *Pittosporum tobira* (pittosporum)
 a. Green
 b. Variegated
75. *Podocarpus macrophyllus* (podocarpus)
76. *Pyracantha coccinea* (Firethorn)
77. *Thuja* (arborvitae)
78. *Viburnum setigerum* (tea viburnum)
79. Any other shrubs not listed

Section J “Arbor Day” Trees

Eligible for **Arboreal Award**

Cut Specimens, one stem, branch length must be at least 12” , not to exceed 30”, from tip of specimen to cut end. Each branch must have several nodes and an apical tip. Dwarf/miniature specimen can be no shorter than 6”, must contain at least two nodes and an apical tip. Judging Considerations: (*HB*, 2017 edition).

Class

80. *Acer palmatum* (Japanese Maple)
81. *Acer rubrum* (red maple)
82. *Acer saccharum* (sugar maple)
83. *Cercis canadensis* (redbud)
84. *Cryptomeria japonica* (Japanese cedar)
85. *Cupressocyparis leylandii* (Leyland cypress)
86. *Eucalyptus globulus* (eucalyptus)
87. *Ginkgo biloba* (ginkgo)
88. *Ilex opaca* (American holly)
89. *Lagerstroemia x natchez* (Natchez crape myrtle)
90. *Liquidambar styraciflua* (sweetgum)

91. *Magnolia grandiflora* (southern magnolia)
92. *Pinus* (pine)
93. Any other tree not listed

Section K “Memorial Day” Collections

Eligible for **Collectors Showcase Award**
 Five specimens (cut specimens, container-grown plants, or sets of fruits, vegetables, or nuts) exhibited in individual, identical or compatible containers (or plates, mats, etc., for fruits, vegetables, or nuts), furnished by the exhibitor, to be placed by the exhibitor in the designated area (a flat table-top surface 24” wide and 31” deep with no height restrictions). For fruits, nuts, or vegetables, five sets of three like specimens are required. Container-grown plants are to be staged in containers no more than 7” in diameter. For fruits, nuts or vegetables, individual plates or mats are to be no more than 10” in diameter. Advance registration is required by October 3.

Class

94. Container-Grown Plants
 a. Flowering
 b. Foliage
95. Cut Specimens
 a. Flowering
 b. Foliage
96. Fruits
97. Nuts
98. Vegetables

Section L “4th of July” Displays

Eligible for **Collectors Showcase Award**
 Five specimens (cut specimens, container-grown plants, or sets of fruits, vegetables, or nuts) exhibited in individual, identical or compatible, containers (or plates, mats, etc., for fruits, nuts, or vegetables), furnished by the exhibitor to be placed by the exhibitor in the designated area (a flat table-top surface 24” wide and 31” deep with no height restrictions). For fruits, nuts, or vegetables, five sets of three like specimens

are required. Container-grown plants are to be staged in containers no more than 7" in diameter. For fruits, nuts, or vegetables, individual mats or plates are to be no more than 10" in diameter. Requires advanced registration by October 3. Space for each display is 24" wide by 31" deep. Staging is important, and the exhibitor may enhance the presentation by using backgrounds, underlays, risers, or other decorative elements, without detracting from the plant material. Containers may be opaque. (HB 2017, 2nd edition, Chapter 6, Pg. 60)

Class

- 99. Container-Grown Plants
 - a. Flowering
 - b. Foliage
- 100. Cut Specimens
 - a. Flowering
 - b. Foliage
- 101. Fruits
- 102. Nuts
- 103. Vegetables

All exhibits must have been grown by the exhibitor in Georgia and selected from this year's growth, except nuts, which may come from last year's crop. Only one entry per variety may be made in each class by an exhibitor or from the same garden or orchard. Specimens will be staged in containers furnished by the Show Committee. Judging Considerations: See Scale of Points, 2017, 2nd edition of *Handbook*, Chapter 14. Uniformity in size, shape, color and texture is of major importance; specimens should be typical of variety, with average or slightly above average size. Freshness, maturity, and condition are also important. Specimens should be clean, free from blemishes, cracks, insect damage, dust or spray residue.

Fruits, Nuts, and VegetablesGNF Awards: 1st 2nd 3rd HM

\$10 \$8 \$6

Section M**"Labor Day"
Fruits**

Class

- 104. *Citrus limon* (lemons) (5 specimens)
- 105. *Diospyros kaki* (Persimmons oriental) (5 specimens)
- 106. *Pyrus communis* (pears) (5 specimens)
- 107. *Pyrus malus* (apples) (5 specimens with stems)
 - a. Green
 - b. Red
 - c. Yellow
- 108. *Rubus fruticosus* (blackberries) (12 specimens)
- 109. *Vitis rotundifolia* (muscadines) (12 specimens)
- 110. Any other fruit not listed (5 specimens)

**Section N
"Veterans Day"
Nuts**

Class

- 111. *Carya illinoensis* 'Mahan' (pecan) 12 specimens
- 112. *Carya illinoensis* 'Stuart' (pecan) 12 specimens
- 113. *Carya tomentosa* (hickory) 12 specimens
- 114. Any other variety not listed

**Section O
"Columbus Day"
Legumes and Vegetables**
Eligible for *Award of Merit*

Class

- 115. *Abelmoschus esculentus* (okra) (10 specimens)
- 116. *Brassica oleracea* (cabbage) (1 specimen)
- 117. *Capsicum* (bell pepper) (5 specimens)
- 118. *Capsicum* (hot pepper) (10 specimens)
- 119. *Curcubita* (pumpkin) (1 specimen)

120. *Curcubita* (squash, yellow)
(5 specimens)
a. crookneck
b. straight
121. *Ipomoea batatas* (sweet potatoes)
(5 specimens)
122. *Lycopersicon esculentum* (Tomatoes)
(5 specimens exhibited with stem side down)
a. beefsteak
b. cherry
c. determinate
d. indeterminate
e. Any other tomato not listed
123. *Phaseolus* (beans) (12 specimens)
a. pole
b. snap
124. *Raphanum sativus* (radishes)
(5 specimens)
125. *Solanum tuberosum* (Irish potato)
(5 specimens)
126. Any other vegetable not listed

Container-Grown Plants

GNF Awards:

1st	2nd	3rd	HM
\$6	\$4	\$3	

All container-grown plants must be in containers not exceeding 14" in diameter; a saucer under the planter is required. No more than 15 container-grown entries will be accepted from any one exhibitor. Exhibitors should attach their name and address to the bottoms of their containers. Exhibitors may water their container-grown plant(s) if needed during the show (after judging has been completed); they are asked to contact a Hostess for assistance in doing so. Each container-grown plant must have been in the possession of the exhibitor at least 90 days prior to the show, with the exception of multiple plantings, which must have been growing together in the exhibitor's possession for at least six weeks.

Section P "St. Patrick's Day" Flowering Container-Grown Plants Must be in bloom

Eligible for **Grower's Choice Award**

Class

127. *Begonia* spp. (begonia)
a. *Begonia coccinia* (angel wing)
b. *Begonia semperflorens* (wax)
c. *Begonia tuberhybrida* (tuberous)
d. Any other begonia not listed
128. *Bromeliad* spp.
129. *Chrysanthemum* (garden mum)
a. Daisy
b. Pompon
c. Quill
d. Spider
e. Any other chrysanthemum not listed
130. *Pelargonium* (geranium)
a. *Pelargonium x hortorum* (garden geranium)
b. *Pelargonium peltatum* (ivy geranium)
c. Any other geranium not listed
131. *Saintpaulia* (African violet)
a. Single crown, single petal
b. Single crown, double petal
c. Miniature, single crown, single petal
d. Miniature, single crown, double petal
132. Any other flowering/colorful bract container-grown plants not listed

Section Q "Citizenship Day" Foliage Container-Grown, except herbs

Eligible for **Grower's Choice Award**

Class

133. *Asparagus densiflorus* "Meyers"
(foxtail fern)
134. *Asparagus macowanii* (ming fern)
135. *Begonia masoniana* (ironcross)

136. *Begonia rex* (rex)
 137. *Cacti*
 a. Desert
 b. Jungle
 138. *Chamaedorea* spp. (palms)
 139. *Chlorophytum comosum* (spider plant)
 140. *Codiaeum variegatum* (croton)
 141. *Dieffenbachia amoena* (dumb cane)
 142. *Dracaena* spp.
 143. *Epipremnum aureum* (pothos)
 144. *Ficus* spp. (figus)
 145. *Hedera helix* (ivy)
 146. *Philodendron* spp. (philodendron)
 a. heart-shaped leaves
 b. split-leaf
 c. lacy
 d. any other philodendron not listed
 147. *Schefflera* (*Schefflera* spp.)
 148. Succulents
 a. *Agave* spp. (agave)
 b. *Aloe barbadensis* (aloe vera)
 c. *Beaucarniarecuvata* (ponytail palm)
 d. *Crassula argentea* (jade plant)
 e. *Euphorbia* spp. (euphorbia)
 f. *Sansevieria trifasciata* (mother-in-law tongue)
 g. *Sempervivum tectorum* (hens and chicks)
 h. Any other foliage container-grown not listed

Section R
“Juneteenth”
Container-Grown Plants: Herbs

Class

149. *Mentha x piperita* (mint)
 150. *Ocimum basilicum* (basil)
 151. *Origanum* spp. (oregano)
 152. *Pelargonium* spp (scented geranium)
 153. *Rosmarinum officinalis* (rosemary)
 154. *Salvia* spp. (sage)
 155. *Tagetes lucida* (tarragon)
 156. *Thymus* spp. (thyme)
 157. Any other herb not listed

“National Day of Prayer”
Container-Grown Plants:
Hanging Plants

Class

168. Ferns
 169. Flowering
 170. Foliage
 171. Vines

Division II - Design Rules

1. Exhibitors use the NORTH or WEST Gates. Follow designated Flower Show Signs to the Miller-Murphy-Howard Building to unload. The NGC Exhibit Policies are printed in the *Handbook for Flower Shows*, Chapter 7, Pg 79, Exhibiting in the Design Division, NGC Policies and Guidelines.
2. Designs may be entered from 3:00 PM to 7:00 PM on Thursday, October 6, and on Friday, October 7, from 7:30 AM to 9:00 AM. All entries in the Design Division must be pre-registered by September 15.
3. After a reservation is accepted, if that individual is unable to exhibit, he/she must obtain a substitute and inform the design entries chairman prior to the show.
4. There will be four (4) exhibits in each class in Division II.
5. Exhibitors are limited to one entry in each class and may enter more than one class. The exhibitor is required to conform to the stated description and limitations of the Design Type if named in the class.
6. Each design must be the work of one exhibitor and may not come from previous flower shows.
7. Exhibitors must place a 3 x 5 inch card with each exhibit listing all plant material used in design. Plant material's scientific name is required. Cards of explanation are permitted and will be provided by the exhibitor.
8. Some plant material, fresh and/or dry must be used in every exhibit as per Section requirements.
9. A single flower or a container-grown plant is not a "design".
10. No artificial flowers, foliage, fruits or vegetables are permitted in the Design Division, or any other division of a Standard Flower Show. Artificial is defined as "imitation" or "copy", hand-crafted, manufactured to represent and/or appear as real, such as: silk, plastic, singing or speaking, motorized or metallic flora.
11. Manufactured items having a basic utilitarian use other than to simulate plant material are permitted. Acceptable examples are: dinnerware, cabbage-shaped soup tureen, apple-shaped plate, or floral motif napkin rings, etc.
12. Products manufactured from plant material whose natural state as plant material has been so altered as to be given new identity and a specific name, is permitted. Examples: paper, lumber, bowl, and basket.
13. Plant material that has been treated to alter its exterior appearance may be used only in its dried state; fresh plant material may never be treated.
14. Religious symbols used in design must be displayed in a respectful and non-offensive manner and in accordance with policies of local religious organizations.
15. The American flag and other national flags must be displayed in a respectful manner in order not to offend. The American and other Nations flags may not be incorporated into any competitive designs, nor may they be used as underlays, swags, or the like.
16. All living members and taxidermal representations of the Animal Kingdom are disallowed in competitive designs.
17. The following are permitted in all design classes unless prohibited by the schedule, or specific requirements of a Design Top Award:
 - a. Accessories and featured objects.
 - b. Clipped, stripped, bent or otherwise manipulated fresh plant material.
 - c. A contrived flower if it is so constructed of plant material fresh and/or dried, must appear as an obvious fantasy flower and/or foliage.
 - d. Objects which add interest when tastefully used, e.g., feathers, antlers, coral, horns, starfish, sponges, sea fans, shells, nests, manufactured or crafted simulations of birds, animals, etc. for toys or as decorative items.
 - e. All staging properties, such as panels, frames, pedestals, columns, boxes, cubes, etc., may be incorporated into designs.
 - f. Living plants with roots attached, e.g. moss, *Bromeliaceae*.
 - g. Native Plants not on the state conservation/native plant list, grown by exhibitor or obtained in a legal manner and so identified. Plants on the conservation list are not allowed.
18. Exhibits must be approved by the Design Division Consultant before the

exhibitor leaves. Rules for Design Types, Advanced Design Types, Table Designs, and Table Appointments are printed in the *Handbook for Flower Shows*, Chapter 7.

19. Designs must be staged and ready for judging by 9:30 AM on October 7. Judging will begin at 10:00 AM.

20. Exhibitor may use self-contained lighting. (battery)

Considerations in Judging Designs

Designs for this Schedule are to be judged from directly in center-front, and at least 4' from the exhibit. Small designs will be judged at eye level. Judges are requested to review the red, yellow, and white winning exhibits to determine if any of them scored 90 or above and so indicate on the entry card. **An Accredited Judge on the judging panel is requested to sign and date all blue and 90+ entry cards (tags) and Top Award Rosettes.**

Judging Qualities

1. **Conformance** (*HB 2017, 2nd edition, Chapter 11, Pg 106*)

2. **Design** (*HB 2017, 2nd edition, Chapter 11, Pgs 106-107*)

3. **Selection of Components** (*HB 2017, 2nd edition, Chapter 11, Pgs 108-109*)

4. **Expression** (*HB 2017, 2nd edition, Chapter 11, Pg 109*)

5. **Distinction** (*HB 2017, 2nd edition, Chapter 11, Pg 109*)

All designs are judged by the same scale of points:

Design Scale of Points

Conformance	14
Design	48
Selection of Components	12
Expression	10
Distinction	16

Total 100

Division II DESIGN
“Celebrating With Family and Friends”
 Eligible for Design Excellence Award

Unless otherwise noted the Show Committee furnishes tables, cubes and pedestals. Other staging properties such as background panels, frames, niches, risers, underlays, or other, (optional or required) are to be furnished by exhibitor.

For premiums less than \$20, please refer to the premium section of the General Rules.

SECTION A “Dining with Family and Friends”

Eligible for **Table Artistry Award**

Consultant: Barbara Jones 229-891-0445

GNF Awards: 1st 2nd 3rd HM
 \$15 \$10 \$8 \$6 *

Class 1 “Thanksgiving Brunch”

Exhibition Table Design - Staged on 30” black cube placed in a space 5’ wide x 5’ deep in front of a lattice wall. Exhibitor to furnish a background panel not to exceed 42” high x 30” wide. Exhibition table design is not meant to be functional. Plant material is required. (HB 2017, 2nd edition, Chapter 7, Pg 76)

Class 2 “Christmas Day Dinner”

Functional table for one - Staged using a 24” black cube placed in a space 5’ wide x 5’ deep, with no height restriction, in front of a cream colored wall. (HB 2017, 2nd edition, Chapter 7, Pg 76)

Class 3 “New Year’s Eve Midnight Supper”

Functional table for two (2) Staged using a 35” diameter round table 30” high. Free standing, but will be judged from the front as determined by placement of the entry card. Exhibitor furnishes table cloth that extends to the floor. No height restriction. (HB 2017, 2nd edition, Chapter 7, Pg 76)

SECTION B “Celebrating our Culture”

Eligible for **Designer’s Choice Award**

Consultant: Mary Tomlinson, 229-403-6046

GNF Awards: 1st 2nd 3rd HM
 \$15 \$10 \$8 \$6 *

Class 4 “Hanukkah - The Festival of Lights”

Illuminary Design - A creative design incorporating lights for special effects and as an integral part of the design. Each staged using a 40” high black pedestal with a 16” round top. No height restriction. Staged in front of a cream colored wall in a space 5’ wide x 5’ deep. (HB 2017, 2nd edition, Chapter 7, Pg 74)

Class 5 “Joyous Kwanzaa - Celebrating African Heritage, Unity, and Culture”

Panel Design - A creative design using a structural panel or panels as an integral part of the design, staged on a 40” high black pedestal with 20” square top. Placed in a space 5’ wide x 5’ deep with no height restriction. Free standing, but will be judged from the front as determined by placement of the entry card. (HB 2017, 2nd edition, Chapter 7, Pg 75)

Class 6 “Easter Sunrise Service -

Creative Design - A creative design staged on a 40” high black pedestal with an 18” round top, placed in a space 5’ wide x 5’ deep with no height restrictions. Free standing, but will be judged from the front as determined by placement of the entry card. (HB 2017, 2nd edition, Chapter 7, Pg 72 - 79)

Eligible for **Petite Award**
Consultant - Kay King 478-394-0883
GNF Awards: 1st 2nd 3rd HM
\$15 \$10 \$8 \$6 *

Class 7 “Engagement Party”

Angular Petite Design - A creative design emphasizing strong angles that may be acute, obtuse, reflex, or right, or a combination of angles. Staged on a 48” high black pedestal with an 18” square top, placed in a space 4’ wide x 4’ deep. Maximum design dimensions 12” in any direction. Free standing, but will be judged from the front as determined by placement of the entry card. (*HB* 2017, 2nd edition, Chapter 7, Pg 73)

Class 8 “Wedding Day”

Creative Petite Design - A creative petite design staged on a 48” high black pedestal with an 18” square top, placed in a space 4’ wide x 4’ deep. Maximum design dimensions 12” in any direction. Free standing, but will be judged from the front as determined by placement of the entry card. (*HB* 2017, 2nd edition, Chapter 7, Pg 72-79)

Class 9 “Happy Anniversary”

Exhibition Table Petite Design - An exhibition table petite design not meant to be functional. Staged on a 48” high black pedestal with an 18” square top, placed in a space 4’ wide x 4’ deep. Maximum design dimensions 12” in any direction. Free standing, but will be judged from the front as determined by placement of the entry card. (*HB* 2017, 2nd edition, Chapter 7, Pg 72-79)

For premiums less than \$20, please refer to the premium section of the General Rules.

Division III Education
“Celebrating Our Nation”
Rules

Educational Top Award, rosette of brown and white ribbons one may be given to the highest scoring exhibit scoring 95 or above in Division III, Education, Class 1, Exhibits 1, 2, and 3. Must be the work of an individual or organization. One per show may be awarded. A minimum of two educational exhibits designated as eligible must be present. (HB 2017 2nd edition, Chapter 5, Pgs 43-44). The GNF awards each exhibitor \$50.)

1. Educational Exhibits may be the work of more than one individual or organization unless a Student Judge or an Accredited Judge is seeking exhibiting credit for preparing an educational Exhibit. The

educational exhibits are competitive.

2. An exhibit must occupy a minimum of eighteen (18) square feet surface area

3. Plant material is not required, although NGC encourages the use of some plant material where appropriate.

4. No artificial plant material is permitted in an Educational Exhibit.

5. Advance registration is required with Educational Entries/Consultants Chairman before October 3.

6. The Scale of Points for Educational Exhibits is listed in *HB 2017*, 2nd edition, Chapter 14, p. 130.

7. Consultant: Kay King, 478-394-0883

8. Show committee will provide a 6' table.

SECTION A
Educational Exhibits

“Celebrating our Heroes”

Educational Exhibits: (*HB 2017*, 2nd edition, Chapter 8)

Eligible for *NGC Educational Award*

Class I - One Nation Under God

Exhibit 1 “Blue Star/Gold Star Markers”

Remembering Veterans and their Families

Exhibit 2 “United States Flag Etiquette”

Honoring the Flag of the United States of America

Exhibit 3 “Plant America”

Inspiring members to reach beyond the confines of their backyard beds

**Division IV Youth
Rules
“Celebrating Childhood”**

1. The NGC Exhibit Policies are printed in the *Handbook for Flower Shows, 2nd edition*, Chapter 9, “Exhibiting in the Youth and Sponsored Groups Division, NGC Policies and Guidelines”.
2. Youth Exhibits are evaluated using the Horticulture, Design, and Education Scale of Points. Eligible for Youth Award in each age category.
3. Design classes 7-9 will be sub-divided according to dried, fresh or combination of fresh and dried.

Consultant: Mary Phillips, 229-377-9234, Chairman

Consultant: Beth Miller, 229-873-2484

**SECTION A
Horticulture
“Celebration of Earth”**

Youth Designs
“Celebration of Fun”

GNF Awards: 1st 2nd 3rd HM
\$15 \$10 \$8 \$6 *

For premiums less than \$20, please refer to the premium section of the General Rules.

Consultant: Mary Phillips, 229-377-9245

Class 7 “Birthday Bash” Age preschool 7 years

A creative design using a cone party hat furnished by exhibitor. Staged on a 20” x 20” area with no height restriction on an 8’ table 30” high.

Class 8 “Celebrating the Seasons” Age 8-12 years

A creative design using roots or wood furnished by exhibitor. Staged on a 20” x 20” area with no height restriction on an 8’ table 30” high.

Class 9 “May Day” Age 13-18 years

A hanging design using a metal flag pole 35.5” high with a 12” arm on one side furnished by Show Committee. Staged in a 20” x 20” area on an 8’ table 30” high.

SECTION C Educational Exhibits
“Celebrating the Future”

Eligible for **Youth Award in each category.**

\$25 award to each exhibit (furnished by the Flower Show Committee)

Each entry is staged on a card table that is skirted and covered in white furnished by Show Committee.

Consultant: Mary Phillips, 229-377-9245

Class 10 - “Celebrating Teachers - Future Educators”

Age preschool - 7 years

Class 11 - “Celebrating Scientists - Future Scientists”

Age 8 -12 years

Class 12 - “Celebrating the Military - Future Military Members”

Age 13 -18 years

State Conservation List

Georgia Department of Natural Resources' List of Endangered, Rare, & Threatened Plants: as of December 2014

Scientific Name	Common Name	State Status
1. <i>Acmispon helleri</i>	Carolina Trefoil	Endangered
2. <i>Allium speculae</i>	Flatrock Onion	Threatened
3. <i>Alnus maritima</i> ssp. <i>georgiensis</i>	Georgia Alder	Threatened
4. <i>Amorpha georgiana</i>	Georgia Indigo Bush	Endangered
5. <i>Amphianthus pusillus</i> :	Pool Sprite	Threatened
6. <i>Arabis georgiana</i>	Georgia Rockcross	Threatened
7. <i>Arnoglossum diversifolium</i>	Variable-leaf Indian-plantain	Threatened
8. <i>Asclepias purpurascens</i>	Purple Milkweed	Rare
9. <i>Asplenium heteroresiliens</i>	Marl Spleenwort	Threatened
10. <i>Astragalus michauxii</i>	Sandhill Milk-vetch	Threatened
11. <i>Aureolaria patula</i>	Spreading Yellow Foxglove	Threatened
12. <i>Balduina atropurpurea</i>	Purple Honeycomb Head	Rare
13. <i>Baptisia arachnifera</i>	Hairy Rattleweed	Endangered
14. <i>Berberis canadensis</i>	American Barberry	Endangered
15. <i>Brickellia cordifolia</i>	Heartleaf Brickellia	Threatened
16. <i>Calamagrostis porteri</i>	Porter's Reed-grass	Rare
17. <i>Calamintha ashei</i>	Ochoopee Wild Basil	Threatened
18. <i>Carex baltzellii</i>	Baltzell's Sedge	Endangered
19. <i>Carex biltmoreana</i>	Granite Dome Sedge	Threatened
20. <i>Carex dasycarpa</i>	Velvet Sedge	Rare
21. <i>Carex misera</i>	Wretched Sedge	Threatened
22. <i>Carex radfordii</i>	Radford's Sedge	Threatened
23. <i>Carya myristiciformis</i>	Nutmeg Hickory	Rare
24. <i>Ceratiola ericoides</i>	Sandhill Rosemary	Threatened
25. <i>Chamaecyparis thyoides</i>	Atlantic White-cedar	Rare
26. <i>Chelone cuthbertii</i>	Cuthbert's Turtlehead	Threatened
27. <i>Clematis fremontii</i>	Fremont's Leatherflower	Endangered
28. <i>Clematis socialis</i>	Alabama Leatherflower	Endangered
29. <i>Convallaria majuscula</i>	American Lily-of-the-valley	Rare
30. <i>Coreopsis integrifolia</i>	Floodplain Tickseed	Threatened
31. <i>Coreopsis latifolia</i>	Broadleaf Tickseed	Rare
32. <i>Crataegus triflora</i>	Three-flowered Hawthorn	Threatened
33. <i>Croomia pauciflora</i>	Croomia	Threatened
34. <i>Cuscuta harperi</i>	Harper's Dodder	Endangered
35. <i>Cymophyllus fraserianus</i>	Fraser's Sedge	Threatened
36. <i>Cypripedium acaule</i>	Pink Ladyslipper	Unusual
37. <i>Cypripedium kentuckiense</i>	Kentucky Ladyslipper	Endangered
38. <i>Cypripedium parviflorum</i>	Yellow Ladyslipper	Rare
39. <i>Desmodium ochroleucum</i>	Cream-flowered Tick-trefoil	Threatened
40. <i>Dicerandra radfordiana</i>	Radford's Mint	Endangered
41. <i>Dichantheium hirstii</i>	Hirst's Witch Grass	Endangered

Scientific Name	Common Name	State Status
42. <i>Draba aprica</i>	Sun-loving Draba	Endangered
43. <i>Echinacea laevigata</i>	Smooth Purple Coneflower	Endangered
44. <i>Elliottia racemosa</i>	Georgia Plume	Threatened
45. <i>Epidendrum magnoliae</i>	Greenfly Orchid	Unusual
46. <i>Eriocaulon koernickianum</i>	Dwarf Hatpins	Endangered
47. <i>Evolvulus sericeus</i>	Silky Morning-glory	Endangered
48. <i>Fimbristylis perpusilla</i>	Harper's Fimbrly	Endangered
49. <i>Forestiera godfreyi</i>	Godfrey's Wild Privet	Endangered
50. <i>Forestiera segregata</i>	Florida Wild Privet	Rare
51. <i>Fothergilla gardenii</i>	Dwarf Witch-alder	Threatened
52. <i>Fothergilla major</i>	Mountain Witch-alder	Threatened
53. <i>Gentianopsis crinita</i>	Fringed Gentian	Threatened
54. <i>Gymnoderma lineare</i>	Rock Gnome Lichen	Endangered
55. <i>Habenaria quinqueseta</i>	Michaux's Spider Orchid	Threatened
56. <i>Hartwrightia floridana</i>	Hartwrightia	Threatened
57. <i>Helianthus verticillatus</i>	Whorled Sunflower	Endangered
58. <i>Helonias bullata</i>	Swamp Pink	Threatened
59. <i>Hydrastis canadensis</i>	Goldenseal	Endangered
60. <i>Hymenocallis coronaria</i>	Shoals Spiderlily	Threatened
61. <i>Illicium floridanum</i>	Florida Anise	Endangered
62. <i>Isoetes melanospora</i>	Black-spored Quillwort	Endangered
63. <i>Isoetes tegetiformans</i>	Mat-forming Quillwort	Endangered
64. <i>Isotria medeoloides</i>	Small Whorled Pogonia	Threatened
65. <i>Jamesianthus alabamensis</i>	Alabama Warbonnet	Endangered
66. <i>Jeffersonia diphylla</i>	Twinleaf	Rare
67. <i>Kalmia carolina</i>	Carolina Bog Laurel	Threatened
68. <i>Leavenworthia exigua</i> var. <i>exigua</i>	Least Gladecress	Threatened
69. <i>Leiophyllum buxifolium</i>	Sand-Myrtle	Threatened
70. <i>Leitneria floridana</i>	Corkwood	Threatened
71. <i>Lilium michiganense</i>	Michigan Lily	Rare
72. <i>Lilium philadelphicum</i>	Wood Lily	Endangered
73. <i>Lindera melissifolia</i>	Pond Spicebush	Endangered
74. <i>Litsea aestivalis</i>	Pond Spice	Rare
75. <i>Lotus helleri</i>	Carolina Trefoil	Endangered
76. <i>Lysimachia fraseri</i>	Fraser's Loosestrife	Rare
77. <i>Lythrum curtissii</i>	Curtiss' Loosestrife	Threatened
78. <i>Macbridea caroliniana</i>	Carolina Bogmint	Rare
79. <i>Macranthera flammea</i>	Hummingbird Flower	Threatened
80. <i>Marshallia mohrii</i>	Coosa Barbara Buttons	Threatened
81. <i>Marshallia ramosa</i>	Pineland Barbara Buttons	Rare
82. <i>Matelea alabamensis</i>	Alabama Milkvine	Threatened
83. <i>Matelea pubiflora</i>	Trailing Milkvine	Rare
84. <i>Megaceros aenigmaticus</i>	Bighorn Hornwort	Threatened
85. <i>Monotropsis odorata</i>	Sweet Pinesap	Threatened
86. <i>Morella inodora</i>	Odorless Bayberry	Threatened
87. <i>Myriophyllum laxum</i>	Lax Water-milfoil	Rare
88. <i>Najas filifolia</i>	Narrowleaf Naiad	Endangered
89. <i>Nestronia umbellula</i>	Indian Olive	Rare
90. <i>Neviusia alabamensis</i>	Alabama Snow-wreath	Threatened
91. <i>Oxypolis canbyi</i>	Canby Dropwort	Endangered
92. <i>Pachysandra procumbens</i>	Allegheny-spurge	Rare
93. <i>Packera millefolia</i>	Blue Ridge Golden Ragwort	Threatened

Scientific Name	Common Name	State Status
94. <i>Paronychia virginica</i>	Yellow Nailwort	Endangered
95. <i>Pedicularis lanceolata</i>	Swamp Lousewort	Endangered
96. <i>Pediomelum piedmontanum</i>	Dixie Mountain Breadroot	Endangered
97. <i>Penstemon dissectus</i>	Cutleaf Beardtongue	Rare
98. <i>Pinguicula primuliflora</i>	Clearwater Butterwort	Threatened
99. <i>Pityopsis pinifolia</i>	Sandhill Golden-aster	Rare
100. <i>Platanthera integrilabia</i>	Monkeyface Orchid	Threatened
101. <i>Prenanthes barbata</i>	Barbed Rattlesnake Root	Rare
102. <i>Pteroglossaspis ecristata</i>	Crestless Plume Orchid	Threatened
103. <i>Ptilimnium nodosum</i>	Harperella	Endangered
104. <i>Quercus oglethorpensis</i>	Oglethorpe Oak	Threatened
105. <i>Rhododendron prunifolium</i>	Plumleaf Azalea	Threatened
106. <i>Rhus michauxii</i>	Dwarf Sumac	Endangered
107. <i>Rhynchospora solitaria</i>	Solitary Beakrush	Endangered
108. <i>Rudbeckia auriculata</i>	Swamp Black-eyed Susan	Endangered
109. <i>Rudbeckia heliopsisidis</i>	Little River Black-eyed Susan	Threatened
110. <i>Sabatia capitata</i>	Cumberland Rose Gentian	Rare
111. <i>Sageretia minutiflora</i>	Climbing Buckthorn	Threatened
112. <i>Sagittaria secundifolia</i>	Kral's Water-plantain	Threatened
113. <i>Salix floridana</i>	Florida Willow	Endangered
114. <i>Sanguisorba canadensis</i>	Canada Burnet	Threatened
115. <i>Sapindus marginatus</i>	Soapberry	Rare
116. <i>Sarracenia flava</i>	Yellow Flytrap	Unusual
117. <i>Sarracenia leucophylla</i>	Whitetop Pitcherplant	Endangered
118. <i>Sarracenia minor</i>	Hooded Pitcherplant	Unusual
119. <i>Sarracenia minor var. minor</i>	Hooded Pitcherplant	Unusual
120. <i>Sarracenia minor var. okefenokeense</i>	Okefenokee Giant	Unusual
121. <i>Sarracenia oreophila</i>	Green Pitcherplant	Endangered
122. <i>Sarracenia psittacina</i>	Parrot Pitcherplant	Threatened
123. <i>Sarracenia purpurea var. burkii</i>	Rose Pitcherplant	Endangered
124. <i>Sarracenia purpurea var. montana</i>	Mountain Purple Pitcherplant	Endangered
125. <i>Sarracenia purpurea var. purpurea</i>	Southern Purple Pitcherplant	Endangered
126. <i>Sarracenia rubra</i>	Sweet Pitcherplant	Threatened
127. <i>Schisandra glabra</i>	Bay Star-vine	Threatened
128. <i>Schwalbea americana</i>	Chaffseed	Endangered
129. <i>Scutellaria montana</i>	Large-flowered Skullcap	Threatened
130. <i>Scutellaria ocmulgee</i>	Ocmulgee Skullcap	Threatened
131. <i>Sedum nevi</i>	Nevius Stonecrop	Threatened
132. <i>Sedum pusillum</i>	Granite Stonecrop	Threatened
133. <i>Shortia galacifolia</i>	Oconee Bells	Endangered
134. <i>Sibbaldiopsis tridentata</i>	Mountain Cinquefoil	Endangered
135. <i>Sideroxylon macrocarpum</i>	Ohoopce Bumelia	Rare
136. <i>Sideroxylon thornei</i>	Swamp Buckthorn	Rare
137. <i>Silene ovata</i>	Ovate Catchfly	Rare
138. <i>Silene polypetala</i>	Fringed Champion	Endangered
139. <i>Silene regia</i>	Royal Catchfly	Endangered
140. <i>Solidago simulans</i>	Cliffside Goldenrod	Endangered
141. <i>Spiraea virginiana</i>	Virginia Spirea	Threatened
142. <i>Spiranthes magnicamporum</i>	Great Plains Ladies-tresses	Endangered
143. <i>Stewartia malacodendron</i>	Silky Camellia	Rare
144. <i>Streptopus lanceolatus var. lanceolatus</i>	Rosy Twisted Stalk	Threatened
145. <i>Stylisma pickeringii var. pickeringii</i>	Pickering's Morning-glory	Threatened

Scientific Name	Common Name	State Status
146. <i>Symphyotrichum georgianum</i>	Georgia Aster	Threatened
147. <i>Thalictrum cooleyi</i>	Cooley Meadowrue	Endangered
148. <i>Thalictrum debile</i>	Trailing Meadowrue	Threatened
149. <i>Thaspium pinnatifidum</i>	Glade Meadowparsnip	Endangered
150. <i>Torreya taxifolia</i>	Florida Torreya	Endangered
151. <i>Trientalis borealis</i>	Starflower	Endangered
152. <i>Trillium persistens</i>	Persistent Trillium	Endangered
153. <i>Trillium pusillum</i>	Dwarf Trillium	Endangered
154. <i>Trillium reliquum</i>	Relict Trillium	Endangered
155. <i>Tsuga caroliniana</i>	Carolina Hemlock	Endangered
156. <i>Veratrum woodii</i>	Ozark Bunchflower	Rare
157. <i>Viburnum bracteatum</i>	Limerock Arrow-wood	Endangered
158. <i>Waldsteinia lobata</i>	Barren Strawberry	Rare
159. <i>Xerophyllum asphodeloides</i>	Eastern Turkeybeard	Rare
160. <i>Xyris tennesseensis</i>	Tennessee Yellow-eyed Grass	Endangered
