

The Georgia Living Store

The Georgia Living Store is a consignment shop for our exhibitors (ages 18 and above) in the Georgia Living Program.

REQUIREMENTS: In order to sell items in the Georgia Living Store, you must be a 2023 participant in one or more of the Georgia Living competitions at the Fair that require you to make your entry (antiques entries do not qualify for participation in the Georgia Living Store). You must have a confirmed entry for your items to be accepted at the store.

TO SIGN UP: call or email **by September 2, 2023**. You will be issued a control number and receive a consignment agreement. As soon as you have your inventory list complete, **send a copy to us** so that we will have an idea about what's coming to the Fair and so we can create your barcodes. Barcodes will be emailed to you to be printed and attached to your items prior to receiving.

INVENTORY: We hope to stock the Store with a wide variety of **quality** items that have been **hand-made** (a must!) by our talented exhibitors and are representative of the Georgia Living Competitions... woodcarving, pottery, photos, decorative arts, hobby crafts, needle arts, crochet, quilts and quilted items - just to name a few. We are not able to sell food items. Space is limited; therefore, we will not be able to accept hanging pieces larger than 24" x 24" or items that are unusually large, with the exception of textiles that may be folded. **We will not knowingly accept items that are soiled, aged, made from kits or items with strong odors (i.e., items that smell musty, or smell of pets, smoke, etc.). We reserve the right to reject items that may be objectionable or that are not of competition quality.**

All items must be tagged and inventoried prior to arrival. Items not tagged and inventoried will not be accepted.

Each item must be tagged with your assigned control number, your own inventory control number, description and price. Tags should be large enough to accommodate this information along with a 1/2" x 1 3/4" barcode label and must be clearly legible - neatly printed by hand or machine. Barcode may be placed on the front or the back of the tag. You may also print your own tags, as long as the barcode, price, and vendor number are included.

Examples of acceptable tags:

The inventory numbers on your tags must match the inventory list turned in to the Store with your items. Tags are removed at point of sale for inventory tracking. If you wish the buyer to be able to contact you after the sale, you may use two part tags with your contact information on the top part of the tag. Do not use stickers that cannot be removed from your items. If you use tags that are not easily removeable, we will not be able to provide this information at the end of the fair.

Please use the provided inventory form. If you need additional space, you may duplicate the form. Alternatively, you may use your own spreadsheet if all of the information from the provided form is included (the signed statement of understanding regarding loss or damage must be present). You may list multiples of items with the same barcode on the same line. For example, #36 - (1-20).

Please also include a total number of items for each price point (17 items at \$4.99, 3 items at \$12.99, etc.). This helps facilitate the printing of barcodes for your items. NOTE: To make pricing more uniform in the store, all price points must end in the number 9 (\$.99, \$1.29, \$10.99, etc.).

Our space is limited, but we will be selling for 11 days, so we will need a good number of items. Plan to bring up to 30 items; if we sell out and need more from you, we will call you to restock. There are no minimum limits. However, you should plan to consign enough inventory to cover the expense of including your items in the store. **Your items must be tagged and inventoried before you bring them.** Items not tagged and inventoried will not be accepted. There will not be room to tag them at receiving. Please bring your items in a suitable storage container with a lid that can be stacked; label all pieces of containers with your name and contact number. These containers will have to be stacked and stored for approximately a week before we have access to the Heritage Hall to set up the store.

COMMISSION: The Fair will retain 25% of sales to cover costs of operating the Store.

PAYMENT: Accounts will be settled after the Fair is over. Checks will be processed by Nov. 30, 2023.

VOLUNTEER OPPORTUNITY: When they drop off their items, consignors may sign up to volunteer to work shifts in the store during the Fair. You will be provided one admission pass which will get you into the fair on your scheduled day.

RECEIVING OF CONSIGNED ITEMS: Consigned items may be dropped off with your entries during regular receiving times. **Last delivery date for store inventory will be September 23.** When delivering consignment items be sure to bring your claim tag from your entry. Restocking during the Fair will be by appointment only.

PICKUP DAYS: Tuesday, October 17, 12:00 p.m. - 8:00 p.m. and Wednesday, October 18, 10:00 a.m. - 4:00 p.m.
