

# 2023 Georgia National Fair Fair Bear Writing Competition for Fourth, Fifth and Sixth Grades

## Story Theme:

### “Fair Bear Discovers the Public Library”

Fair Bear loves to read and decides to visit his local public library. When he walks through the door, he is amazed to discover that there is so much more to a library than just checking out a book.

Students are asked to write about Fair Bear's visit to the public library. What does he discover when he walks through the door? How does he feel when he receives his first library card? What activities do they have? What books will he take home?

Teachers, this is an excellent Creative Writing exercise that also introduces the unlimited possibilities that our Georgia Public Library System offers. It's easy to enter and a great opportunity to win prize money for your school!

# The “Bear” Facts

You are invited to write a story about a very special American black bear who lived from about 1980 to 1993 in middle Georgia near the Georgia National Fairgrounds. The bear was seen off and on by people who lived in the area. None of the people who saw the bear could believe it was really a bear at first! Once, the black bear was seen in a neighborhood subdivision located in a wooded area across the interstate from the Fairgrounds. Another year the bear was seen on a nearby road south of the Fairgrounds, paws on the top wire of a fence, watching the cars go by. In June 1993, the last reported encounter was described by a Perry resident who was jogging through the Fairgrounds just before dark. “I heard tractor-trailer trucks putting on brakes on the interstate and I looked to see why they were slowing down. I saw a large black animal standing by the fence near the west gate entrance to the Fairgrounds. I stopped jogging to get a better look at the animal and realized it was a black bear. The bear was standing with its paws on the fence watching me. Then the bear climbed over the fence and again stood on its back feet to get a better look at me. I didn’t try to get a better look at the bear; I ran!” The bear’s path often crossed I-75 near the Fairgrounds, which is a very busy interstate. “Fair Bear” has become the Georgia National Fair mascot.

Fair Bear has been the subject of the Georgia National Fair writing competition for 4th, 5th and 6th graders since 1994.
