HEALTH REQUIREMENTS FOR EXHIBITION OF LIVESTOCK IN GEORGIA
All animals being exhibited in any type of livestock show (local, county, area, district, or state) must have an official certificate of veterinary inspection (health certificate). The health certificate must be issued within 30 days of the exhibition.

V. EXOTIC ANIMALS

A. Llama and alpacas are now exempt from negative brucellosis test requirements. Those entering the Fair must still be accompanied by a Certificate of Veterinary Inspection and be identified by a USDA approved metal ear tag, unique and individual tattoo, notarized photograph, or an electronic identification device (microchip). If electronic identification is used the consignee is responsible for providing the appropriate reading device for verification.

B. Individual identification of llamas, alpacas, and camels may be exempted provided the animals are accompanied by the following:

- A certificate of veterinary inspection with a general description
- A photograph of each animal being exhibited
- A notarized letter which verifies the animals being exhibited are those included on the certificate of veterinary inspection and the photographs. An official certificate of veterinary inspection must show proof of the above requirements for the appropriate species.

3. **ENTRIES:** Entries close September 15, 2021. All fees and copy of registration papers must accompany entry form.

All checks for llama entry fees should be made to:

SSLA

and should be mailed with entry form and copy of registration to:

Southern States Llama Assoc.

SATURDAY, OCT. 16, 2021 - Performance Classes - 8:30 am

Animals may only show in ONE Performance Division (animals showing in Youth Division May NOT show in Open or Novice Division)

Performance classes are open to any llama or alpaca five months of age or older.

Novice classes are open to all llama or alpacas who have never entered in Advance class and/or who have earned no more than three ribbons in either first, second or third place in Open or Novice division in previous shows, in the respective classes. At the option of the exhibitor, after placing once in either first, second or third, the llama may enter **Advanced division**.

Advanced classes are open to all entries who have previously placed first, second or third place in Open or Novice division in that category at previous shows, or to any llama deemed capable of competing at the advanced level by its owner. Once a llama has entered an Advanced class it is no longer eligible to compete in Novice, regardless of placement. Llamas being shown in Youth classes by more than one youth, are not eligible to enter the Novice or Advanced classes at the same show, in that category.

Pack Classes: Alpacas now may be used in Pack Classes. Llamas or Alpacas must be at least 5 months of age to compete in Novice or Advanced pack classes. Llamas/Alpacas 5 to 36 months old must carry a pack system or training pack with two cinches, filled with lightweight material to simulate a full pack. Llamas/Alpacas 36 months or older must have a pack with two cinches and removable panniers and carry a minimum of 20 lbs.

Youth Pack Classes: The llama must be 12 months or older and carry a two cinch pack. Panniers do not have to be removable - up to 36 months, only lightweight material. Llamas over 36 months can carry up to 10 lbs in the intermediate class.

Youth Performance Champion: In order to qualify, youth must compete in Youth Obstacle, PR and Pack, and use the same animal for all three classes.
