- IV. **NEW BUSINESS:**
1. Auction Task List – CEO Martin presented the committee with the 2019 Auction Task List. She stated that we still didn't know what the 2021 year will bring but wanted them to see what was needed to be done. It was agreed that this would be a working document as things progress.
 2. Steer Weigh Ins – Steer Weigh Ins are scheduled for January 18th beginning at 8:00 AM at the Orland Livestock Yard. CEO Martin has talked with the office to confirm but chairs Bitle and Ward stated they would also check in.
 3. Ear Tag Distribution – CEO Martin stated ear tags were in and she would be reaching out over the next month to get tag counts and get them out.
- V. **OLD BUSINESS:**
1. Show/Sale Back Up Plans: CEO Martin unfortunately did not have any new news to report about the shows as she had not caught up with the county. She asked the group when they were hoping to have a plan of action. Some members want an answer now while others wanted to wait until it got closer. CEO Martin reported that she would push harder to get a meeting with the county by the end of the month. Anna asked if it would be helpful if members began talking to County Supervisors and at this point anything can help. The auction was also discussed. Janice made a motion to add the online live stream option for the auction whether we are allowed to have on in person or not, Anna seconded, motion passed. Members and the public gave auction recommendations to CEO Martin.
