A contract awarded based on the 5% preference is awarded to the small business, microbusiness, or non-small business for the actual amount of its bid.

A business must be formally certified by DGS to be considered for the small business or microbusiness preference. If not currently certified, a bidder may claim the preference if the bidder submits a complete application for certification with its submittal to DGS by 5:00 p.m. on the bid due date, with a copy of the completed application and proof of its transmission to the DAA with its final submittal. Thereafter, the bidder will need to submit the certification to the DAA no later than **April 19, 2023, 1:30 PM**. A non-small business may receive a preference of 5% if the business commits to subcontract at least 25% of its net bid price with one or more small businesses or microbusinesses. The preference to a non-small business bidder that commits to small business or microbusiness subcontractor participation of 25% of its bid price shall be 5% of the highest responsive, responsible bidder's total score. A non-small business, which qualifies for this preference, may not take an award away from a certified small business.

Note that for this RFP, the proposed contract does not permit subcontracting for food and beverage concessions.

2. Addenda

All bidders should inquire from the contact person listed on the cover sheet whether any addenda have been issued prior to submitting a proposal in response to the RFP.

3. Definitions

The use of "shall", "must" or "will" indicates a **mandatory** requirement or condition in this RFP. Failure to comply with such requirements or conditions will result in the disqualification of a proposal.

The words "should" or "may" indicate a **desirable** attribute or condition but are permissive in nature and may affect the score the proposal receives.

4. Grounds for Rejection of the Proposal

A proposal **shall** be rejected if:

- It is received at any time after the exact time and date set for receipt of bids or not delivered in the manner as stated in Part 2, section C.

- It is not prepared in accordance with the required format or information is not submitted in the format required by this RFP.
- The bidder has submitted multiple bids in response to this RFP without formally withdrawing other bids.

A proposal **may** be rejected if:

- It contains false or misleading statements or references that do not support attributes or conditions contended by the bidder. However, the proposal *shall* be rejected if, in the opinion of the DAA, such information was intended to mislead the DAA in its evaluation of the proposal and the attribute, condition or capability of the requirements of this RFP.
- It is unsigned.

5. Right to Reject Any or All Proposals

It is the policy of the DAA not to solicit proposals unless there is a bona fide intention to award a contract. However, the DAA Board of Directors reserves the right to reject any or all proposals or to cancel the RFP at any time prior to it awarding a contract.

Any bidder may file a protest regarding the awarding of the contract. The initial protest letter and a detailed, written statement of the protest, including the RFP number, the name of the state agency involved and the agency contract person, must be filed with the DAA and with DGS at:

1. Disposition of Proposals

All materials submitted in response to this RFP would become the property of the DAA. All proposals, evaluations, and scoring sheets shall be available for public inspection at the conclusion of the committee scoring process and announcement of intent to award. If an individual requests copies of these documents, the DAA will assess a fee to cover the direct costs of providing duplicates. Documents may be returned only at the DAA's option and at the bidder's expense. One copy of each bidder's proposal shall be retained for official DAA files in accordance with its record retention policy.

2. Confidentiality of Proposals

The DAA will hold the contents of all proposals in confidence until issuance of the “Notice of the Proposed Award”. Once issued, posted and protest period has elapsed, no proposal will be treated as confidential.

3. Modification or Withdrawal of Proposals

Any proposal, which is received by the DAA before the time and date set for receipt of proposals, may be withdrawn, or modified by written request of the bidder. However, to be considered, the modified proposals **must** be received by the time and date set for receipt of proposals in Part 2.

A bidder cannot withdraw or modify a proposal after the due date and time for receipt of proposals and, further, a bid cannot be “timed” to expire on a specific date. For example, a statement like “This proposal and the cost estimate are valid for 60 days” is non-responsive to the RFP and shall on that basis be rejected.

PART 4
EVALUATION, SELECTION, AND SCORING PROCESS

Each proposal shall be evaluated for responsiveness to the DAA's needs as described in this RFP. This part describes the process the DAA will follow when evaluating and scoring proposals and awarding the contract, if any is awarded, and contains the exact scoring criteria to be used.

A. EVALUATION AND SECTION PROCESS

1. Following the deadline for receipt of proposals, each proposal will be reviewed to determine if:
 - Proposal was received by the deadline time and date; and
 - Proposal was delivered in the required manner; and
 - Technical proposals contain the format requirements and all information requested.

If a proposal does not conform to the above requirements, it shall be rejected. This is not a public review.

2. Proposals that meet the requirements as stated in the previous paragraph will be submitted to the Committee for:
 - Review and scoring of the technical proposal.

This is not a public review.

3. The DAA reserves the right to verify any reference and employment experiences referenced or disclosed in a proposal or to ascertain the accuracy of information presented. Misinformation or inaccuracies may be grounds for disqualification or receipt of a lower score.
5. The "Financial Proposal Bid Form" of all qualifying technical proposals are then opened and scored. This is a public opening. The points are added to the technical proposals to obtain a total score.
6. Certified small business bidders shall be granted a preference of 5%.
7. The proposed award will be made to the bidder with the highest final score.
9. In the event of a tie in determining the successful bidder, the tie will be broken by a toss of a coin by a member of the Committee and in the presence of authorized representatives of the tied bidders.
10. All bidders will be notified of the results via email, if provided, and mail.

FORMS TO BE USED IN THE RESPONSE OF RFP 2023-02

The following forms are included for your use in responding to this RFP:

1. Financial Proposal Form
2. Contractor Status Form
3. Authorization to Obtain Credit Check

42nd DISTRICT AGRICULTURAL ASSOCIATION
RFP 2023-02

FINANCIAL PROPOSAL FORM

Money offers will be accepted based on the contractor paying the DAA minimum guarantee and the yearly deposit. The total sum to be paid to the DAA per year shall not be less than a stated guarantee (guarantee shall not be less than \$9,000 per year) with a minimum of 6 races, maximum of 16 races per season.

FORMULA:

To evaluate and determine the points awarded for financial offers, we will use the following examples to determine the bid value of all proposals as outlined below:

**Minimum guarantee per race is \$1,500.00 per race
with a minimum of six races a year and a maximum of 16 races a year.**

Bidder 1 / Proposal 1:

\$9,000 minimum guarantee for a 6-race season

Points will be awarded on the value of \$9,000/6 races = \$1,500 per race

Bidder 2 / Proposal 2:

\$15,500 minimum guarantee for a 10-race season

Points will be awarded on the value of \$15,500 / 10 races = \$1,550 per race

Bidder 3 / Proposal 3:

\$28,000 minimum guarantee for a 16-race season

Points will be awarded on the value of \$28,000 / 16 races = \$1,750 per race

The formula for determining revenue points is based on a fraction of low bid to high bid.

High proposal, Proposal 3, receives the full 30 points

Proposal 2 receives 26.57 points out of 30 points possible

$$\$1,550 / \$1,750 = 0.8857$$

$$0.8857 * 30 = 26.57 \text{ points}$$

Proposal 1 receives 25.71 points out of 30 points possible

$$1,500 / 1,750 = 0.8571$$

$$0.8571 * 30 = 25.71 \text{ points}$$
