JUNIOR LIVESTOCK COMMITTEE PURPOSE

The Junior Livestock Committee is a committee that serves to make recommendations and/or provide key information and materials to the board of directors specific to the Glenn County Fair Junior Livestock Show and Auction. The committee does not have any formal authority to govern the organization, that is the committee cannot issue directives which must be followed. The committee serves an important public relations role as well as providing program staff with perspective on programmatic issues. At no time does any member of the committee have access to/or control of any financial accounts or funds. Recommendations made by members are then taken to vote at regular monthly board meetings.
