- IV. **OLD BUSINESS:**
  - 1. 2021 Task List: The Auction Task list was reviewed. When we got to the Auctioneers, Matt brought up the need to have it online at all. He stated he had spoke with Jake Parnell after the Tehama County Auction and that only a handful of lots had sold through the online platform. Everyone understood where he came from but felt it was too late to properly communicate that with all buyers at this point. It was decided to leave the Auction as an in person/live online combo. The need for Show announcers was brought up, Clay said he would announce the beef show and would reach out to see if he could find announcers for the other species. Breakfast duties were reviewed, Willows FFA would drop ice chest to Eleintas on Friday and the burritos would be delivered on Saturday morning. Breakfast would be served in a “to-go” fashion, meaning burritos would be placed in a paper bags to be taken to the buyers seat at the auction. Diane would help with the resale load out of the small animals on Sunday morning. CEO Martin stated that Ryan Edson has volunteered to slap tag the hogs on Friday night. Matt reported that he had been working the Stokes family on the hats. CEO Martin presented the Committee with the week schedule. Changes included no clean up weigh in times at the end of the day, no exhibitors meeting and barn clean up/release would be Sunday morning instead of Sunday afternoon since all animals would be off grounds Sunday morning.
