- IV. **NEW BUSINESS:**
 1. Premium Book Changes: The 2020 livestock exhibitor book was reviewed. Candice suggested adding a COVID disclosure. Janice made a motion to approve the livestock premium book with the added COVID disclosure and 2021 dates changes, Staci seconded. Motioned pass.
- V. **OLD BUSINESS:**
 1. Show/Sale Back Up Plans: Overall the group felt this was a workable plan. CEO Martin shared she had an appointment scheduled with Public Health in November to talk all things Fair and would be reviewing this plan with them. There was concern surrounding an all virtual show/sale as shows/sales could be done out of county. CEO Martin felt that the only way we would have to do virtual options would be if something very extreme happened. It was recommended that a live/online sale be considered regardless of how things go in May. Online sale options were also discussed as there were some issues with EZ2Bid at other Fairs. These concerns would be discussed with whatever online platform is chosen should it be needed. It was decided that this would be a working document as things evolve as Fair nears.
