ABOUT THE FAIRGROUNDS...

If you have an event or a “happening” to present, the Glenn County Fairgrounds is the place for you!

Conveniently located in the heart of Orland, the Glenn County Fairgrounds sits on a 45 acre site. It serves the County of Glenn as the 42nd District Agricultural Association’s center for presenting the annual “Glenn County Fair” held during the week that encompasses the third weekend in May.

The Fair boasts of its true County Fair atmosphere and is the hub of the County’s entertainment, social and educational events as well as the venue center designed to accommodate a wide range of activities including Auto Racing, Horse Shows and Equine Events, Livestock Shows and contests, a weekly Flea Market, RV Trailer Groups, Picnics, Dances, Weddings, Dinners and a myriad of other special events.

The Fairgrounds is also home of Northern California’s own Railroad, “The Orland-Newville and Pacific Railroad,” featuring a model narrow gauge railroad with tracks that run through the fairgrounds. The railroad is also available for special parties and offers a unique party experience.

The Fairgrounds is neat and clean, well maintained with plenty of grass, shade trees and beautiful landscaping. There are adequate facilities to meet the needs of every type of event; plenty of parking, electrical hookups for RV groups, kitchen facilities for food preparation, and beautiful settings for outdoor venues as well as a number of buildings available for rent.

The Fairgrounds also has an extensive grouping of historical buildings that have been relocated on the grounds, representing much of the “old time” flavor and history of the region.

Communities Close to the Fairgrounds:
