Step 4: Review the guidelines and sign and date below to confirm.

Guidelines

1. Limit one entry per exhibitor per class
2. Open to all Glenn County School Students
3. Projects must be done by students during class time.
4. To enter your classes: school projects must complete the form on the website glenncountyfair.org.
5. **Please bring a copy of your spreadsheet listing all student names, with any no-show projects marked, when dropping items off at receiving.** At that time, notify Fair staff of any projects that will not be arriving. The total number of names must match the number of projects submitted.
6. **All projects must be labeled by the exhibitor or teacher prior to arrival.** The label should include the student's name, teacher name, and school name on the back or bottom right corner of the entry. If items are not labeled, they will not be accepted.
7. All items entered **MUST** arrive with the labeling already affixed prior to dropping them off at receiving.
8. Students who collaborated on a group project, where all items are a part of a single art piece or display, are encouraged to enter in the group or project category.
9. Art should not be framed but should be ready for hanging display.
10. Projects intended for table display must be placed on a stable base and secured to allow for safe movement.
11. The individual submitting the entries is responsible for arranging both the drop-off and pick-up for projects during the specific receiving and release times.
12. For information regarding how to enter please visit our website glenncountyfair.org.
