CAMPING RULES:

1. Each camping site is \$50.00 for the week and includes one season parking pass allowing vehicles to come and go out of the campgrounds through Pit Road. **One vehicle per camping space is allowed and must possess/display the Fairgrounds Camping Area Parking Pass.** All vehicles entering the fairgrounds must have a parking pass. If you have additional vehicles or one that does not fit into your campsite, you must purchase an additional parking pass **and** park in the Pavilion Parking Lot. All camping units will use Pit Road. Do not drive through the Pavilion Parking Lot.
2. There are a limited number of power sites available, and they will be assigned at the Grays Harbor County Fairgrounds **sole discretion**. Fairgrounds acceptance of the completed camping reservation form does not guarantee or imply placement in a requested camping site. Priority in assignment of power sites **may** be given to camping reservation applications that demonstrate a medical need for power, and **may** also be assigned in order of receipt of fully paid reservation forms, **although order of receipt is not the only consideration, nor does it guarantee a specific site.** Prior year placement in a power site does not guarantee placement in same site in the future. Portable toilets are placed near the campgrounds and restrooms and showers located in the horse barn area are open for campers.
3. **No dogs** are allowed on the Fairgrounds during the County Fair unless they are service dogs on a leash.
4. Lanes between rows of camping units must remain open at all times for emergency access and fire protection. Vehicles blocking emergency access will be towed at the owner's expense.
5. The Grays Harbor County Fairgrounds assumes no responsibility for damages to the camping units, personal property, or injuries. In addition, the Fairgrounds will not be responsible for the security of the campground area.
6. No alcoholic beverages or controlled substances are allowed. The fairgrounds management will have the authority to shut down camps and vacate sites as necessary for failure to comply with this requirement.
7. No open fires are allowed on Grays Harbor County Fairgrounds. You may use barbeques and other devices that contain and raise fires off the ground. No open pits.
8. There is a 11:00 p.m. quiet-time to respect fellow campers and neighbors. Campsites will need to have all loud music off and keep conversations low. Fair staff, Fair Board, and/or Grays Harbor County Deputies will be on the grounds and will have the authority to shut down camps and/or vacate sites as necessary.
9. Camping registrations will be accepted no earlier than **FRIDAY, JULY 15, 2022** and may be turned into the Grays Harbor County Fair Office.

Completion of the attached 2022 Grays Harbor County Fair Exhibitor Camping Reservation Form and payment thereof constitutes acceptance of the foregoing rules by the adult in charge and all persons using the assigned area.
