Rules:

1. Entries will not be accepted after July 6th. All substitutions must be made by that date.
2. To enter, please go to:
<https://www.fairentry.com/Fair/SignIn/23268>
You will be required to make an account and apply via FairEntry.
3. All sheep entered in group/pair classes must first show in individual classes.
4. All sheep being exhibited must have an ear tag with a state flock number. No exceptions. Tags and numbers can be obtained by calling the Federal Veterinarian office in Olympia. This is a scrapie-tracing program, and tags are free of cost.
5. All sheep and goats, except castrated males and those moving directly into slaughter channels, must have official USDA National Scrapie Eradication assigned flock identification.
6. All animals must be in the barn by 8PM on Tuesday, prior to the fair. Animals must remain in place until fair closure on Saturday, and any other entry/exit requests are subject to special permission by the Fair Manager and the Department Superintendent.
7. Because of limited barn space, those entries received first will receive the first available barn space. The fair reserves the right to limit the number of animals per exhibitor.
8. All animals entered in this department must be accompanied by registration papers. Animals under one year of age may be exhibited if eligible for registration and accompanied by the registration number of the sire and dam.
9. 4-H and FFA exhibitors will be allowed to enter their purebred animals in open classes and will be entitled to premium moneys. Appropriate stall fees must be paid by all exhibitors in open classes. All 4-H and FFA exhibitors must participate in fitting and showing.
10. No exhibitor may receive more than two premium payments in any one class.
11. Exhibitors are required to perform herdsmanhip duties. Exhibitors will be responsible for the entire care of their animals.
12. All animals must be kept unblanketed from 10:00AM until 8:00PM each day of the fair, except on the show day when animals may be blanketed until showing is completed. Sheep may be blanketed, if accompanied by educational posters as to why.
13. All animals on display at the Grays Harbor County Fair must be entered into competition, except with special permission of the Fair Board Livestock Committee and Department Superintendent.
14. In order to make the show run smoothly, classes will not be held an unreasonable length of time for late entries. The judge may exclude these animals from the judging ring.
15. Feed and supplies may be delivered to the barn before 9:30AM and after 10:00PM. There will be no moving vehicles on the fairgrounds at any other times.
16. All ribbons and awards won must be put on display over the animal.
17. For health requirements and official rules and regulations, please refer to general rules.
