

DEPARTMENT S GRANGE DISPLAYS

Superintendents: Tom Gwin & Lillie Savage

All Granges must notify the Grange Display Superintendent by June 1 of their intention to enter classes in this department. Granges may begin setting up their exhibits prior to fair on Sunday, July 26th, beginning at 1:00 p.m. Exhibits must be in place no later than 10:00 p.m. on Tuesday, July 28th, before the Fair.

All entries and awards will be released on Sunday, August 2nd, following closing day of the Fair, 9 a.m. and 2 p.m.

1. Each Grange will own its exhibit and will dispose of it in any manner it sees fit. Each Grange cleans their booth following the fair. This includes the pulling of staples from the backboard of the booth. In addition, each Grange shall clean their area used in setting up their display. This includes tables and chairs utilized by others in the display building.
2. Each exhibitor must refrain from crowding the booth of an adjoining display. The slant of the basic riser in the booth must remain uniform. Shelves or brackets may be added, but they must be removed at the close of the fair.
3. No decorations will be allowed above the backboard.
4. Commercial items may be used in the booth without covering the name.
5. Glass jars used in the display must be recognized as standard canning jars as recommended by USDA.
6. Agriculture products may be grown or purchased. All vegetables, fruits, herbs, and berries must be good quality, and prepared and displayed according to WSU and/or USDA recommendations. Highly perishable food items such as cauliflower, broccoli, fruits, and berries should be replaced in mid-fair. Fresh dairy products are not to be used, only cartons or powdered products. Perishable items may be vacuum packed.
7. Any Grange interfering with the judges during the adjudication of awards will forfeit the rights to all premiums. All officials or judges are required, and all exhibitors are requested to report any violations of this rule to Fair Management.
8. The name of the exhibiting Grange must be covered until judging has been completed. Please place the name of your Grange near the front of the booth, so the name may be uncovered after judging is completed.
9. Subordinate Granges may enter either the produce or project class. The Grange must specify which class they are entering. Each class will be judged separately, with premiums awarded in each class. The Junior Granges must use their respective theme. Other rules as stated in the State Grange Junior Fair Booth Contest will apply.
10. Youth Granges must use their respective theme. Other rules as stated in the State Grange Youth Fair Booth Contest will apply.
11. The judges will score each display separately, with the scores added together to determine the final placement of each display.
12. A copy of all scores will be posted. Comments will be given to each individual Grange.
13. If motion is included in the display, it must be motion throughout the entire fair.

THEME - Choose one of the following themes for your display: "Dancing with the Steers" or "America 250"
