**All Exhibitors/Vendors/Concessionaires must open their booths on time and will remain open until the official, specified closing time for their booth area, on each particular day.**

**On Saturday, the last day of the Fair, dismantling of outdoor booths or displays shall not occur before 11:00pm. (Please note the exceptions for Indoor and Low Traffic areas mentioned above)**

7. Notice of cancellation must be received at least 30 days prior to the opening date of the Fair in order to obtain a refund. Though we do have security personnel on site, and the good of our Commercial Exhibitors/Vendors is taken very seriously, it is not the responsibility of the Fairgrounds to protect or insure the property of our Exhibitors from potential damage or theft. Please have all tents and booth structure materials secured and able to withstand high winds.
23. **Commercial Exhibits/Vendors/Concession booths must remain open to the public and supervised by a competent attendant, during all officially specified business hours of the Fair (specified times for each booth area).** Opening late and/or closing early because of a lack of staff to cover booths is not acceptable.
