FOUNDATION AWARDS \$52,500 IN SCHOLARSHIPS

Each year the Greeley Stampede Foundation awards scholarships to Northern Colorado high school seniors to support our community and students pursuing higher education. Since the Foundation began the program, more than \$585,000 in scholarships have been awarded with \$52,500 this year.

Recipients were selected based on their outstanding academic results, school involvement, leadership in the community, and plans to further their education. The selected 2021 Greeley Stampede Foundation High School Academic Scholarship recipients represent 11 Weld County High Schools with each student receiving \$2,500. The Foundation Board is proud to help these community minded students build a bright future for themselves and, as a result, our community.
