

Help continue the Stampede tradition

Let's kick open the chutes and get back to Stampede traditions this summer! The Gold Spur Donor Program is an excellent way for businesses and individuals to support Colorado's premier community celebration through the donation of monetary funds and/or in-kind goods & services.

Traditionally,

- ✿ more than 275 community organizations & individuals participate in the donor program
- ✿ receives more than \$700k in support including \$175k in cash donations
- ✿ this program provides an opportunity to network and make a direct impact on your community

The Stampede has been & will always be about the community. Over the past 5 years, the event has donated more than \$375k to community organizations that volunteer during the event, raised more than \$315k to support education in Weld County and invested more than \$1.5 million for Island Grove Park improvements.

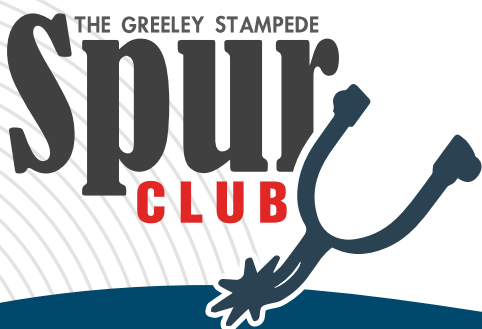

This year's celebration will be different than the prior ninety-eight community events as it will be modified due to the timing of the event and the current COVID situation.

Gold Spur donors are vital to the success of the Greeley Stampede and are needed to put on the community event. As a thank you, donors may receive a modified package that includes rodeo & concert tickets, event parking and hospitality passes.

We greatly appreciate your patience and flexibility as we continue to plan for this year's modified Stampede. Together we can continue Stampede traditions for our community.

SILVER	\$1,000+	<ul style="list-style-type: none"> - two (2) event Spur Club hospitality area passes - two (2) tickets to six (6) PRCA Pro Rodeo performances - two (2) tickets to five (5) SuperStars Series concert - one (1) premium event parking pass
