From the Wrangler President

Greetings Wranglers,

We have a busy couple of months coming up, spring planning/planting, graduations, camping, Oh! and the 100th Greeley Stampede. Things are definitely coming together, and I want to express my thanks to all the board for their hard work and to you for getting the information done in the system. For some it's a piece of cake. For others it's a mountain to climb; I'm with the group that climbs.

May 18th is the General Membership meeting. It will be back in the 4H Building at 7:00 pm.

Congratulations and Welcome to all our new WITs and Wranglers. We have 44 New Wranglers and 7 New WITs. I also want to mention a few of the WITs from the previous year have graduated to Wranglers. That is another awesome way to gain members to our organization. Welcome all and we hope you have a blessed event. We hope to see you all in May. Be safe and be happy.

More From the Board

Shirt Requests

For those that want another long sleeve, blue shirt please contact me ASAP with the size you need. As soon as I find out the sizes we need for the new Wranglers, I will put in an order if we need to. I have some on hand from last year. Keep in mind these are men's sizes. They are \$40 each. You can pay me when you pick up your extra shirt.

If you want to order a blue polo before the event you must order by May 18th, at the Wrangler General Membership meeting or by contacting Rish Burkholder. Polo shirts start at \$20 and can be picked up on Workday June 18th.

Hello Wrangler Family,

I wanted to let you know that if you miss a meeting, we do record them and we post them on YouTube. If you are interested in the link, please reach out to me or the Board and we will get that link sent to you. We want you to stay up to date as quickly and efficiently as possible. We are approaching the 100th event and I am super excited to see all of you.

Thank you for all you do for our family,

NEWS FROM THE TRAIL ...

Hello Parade Volunteers!

The Stampede is almost here. I hope everyone is ready for another great event. Volunteers are needed for the 4th of July Parade and the daily parades in the park. Be part of the annual Independence Day Celebration. I look forward to seeing you all again.

Thanks much,

Barb Wasung
Parades Trail Boss

Hello All,

I hope this finds you well. As I type this, there are 47 days until the 100th Greeley Stampede! 😬 I don't know about you, but it is approaching very quickly! A few housekeeping items to remember as the event approaches:

1. Please have a new picture taken for your badge. The last time for picture updates will be the May 18th General Membership meeting.
2. Bill has encouraged this the last few meetings, please go into [Volgistics](#) to update, sign up, sign waivers, and enter your emergency contact information. This is all necessary and important information to keep everyone up to date.
3. If you experience any issues at all please reach out to the Wrangler Board or a Trail Boss. We are here for you!

Now, get your boots on and saddle up! It's going to be a fun ride!!

HIDEOUT

I hope everyone is not too windblown. If you want to help in the Hideout, please log into [Volgistics](#) and click on *Profile* tab. At the bottom of that page click on *Area Sign Up Preference* page then type in *Volunteers* in one of the *Choice* lines. The only way we can keep the trailer open from 10 to 10 is to have an adult in there to manage it. The food will be catered again this year so it will be easy set up and tear down. We will be having a meeting on May 20th, Friday night at Nichole Lichtenberg's house, 22498 CR 52, Greeley at 6 pm. We will be serving dinner. So please come hungry and ready to sign up for your shifts.

Howdy from the Spur Club/VIP Patio,

Hope Ya'll have stayed grounded with the horrific winds we've had. 🌀🌀🌀➔➔➔

We're so close to our 100th event and I want to let everyone know how much I appreciate you signing up for the Spur Club or the VIP Patio.

We still need a few more to ensure we are covered in both areas. We can't do the event without you!

We had our full Team meeting on April 30th & THANK YOU for all who attended.

If you did not receive an email about the full Team meeting from Rhonda Donahue -

rkdonahue@hotmail.com or me, kylesconniebear@what-wire.com

we probably do not have your email in our systems correctly.

Please reach out to one of us so we can double check & work on getting future information to you.

PLEASE make sure you are set up in [VOLGISTICS](#) as this is the timekeeper to track the dedicated hours you'll put into the event. Our Board members can help you if you need assistance.

I also track on my laptop BUT it is NOT part of [VOLGISTICS](#).

Until next time, stay safe, happy & healthy my friends.

Security & Guest Services

Hello to all our returning and NEW members of our areas.

As the 100th Greeley Stampede event is only 2 months away we need everyone to focus on getting your schedules to Mic or myself so we can prepare for our daily events. We also will be having training/meetings coming up. I will be sending out information when we have confirmed dates.

To our New Wranglers please see me at the May meeting and I will introduce you to your area personnel. Call me if anyone has any questions and thanks for supporting our areas for this 100th year event.

Greetings Night Shows / Stage Crew!!!

Can you believe we are only 47 days away from the 100th Stampede Event!!! This is a historical opportunity and what a fun time to be involved! The Music (Night Shows) area signup meeting will be Saturday, May 14th from 2-4pm (location yet to be confirmed). During this meeting we will go over new changes, responsibilities, shifts and schedules for both the AWESOME new main stage and the Park Stage. We will plan to take you all on a tour of the new stage (weather permitting) ...this thing is YUGE!!

We have an amazing lineup this year (again)...kicking off with some great local talent on the Park Stage Thursday, June 23, rolling right into a jam-packed weekend of Brad Paisley & Stone Temple Pilots.

For those new Wranglers who may be wondering what we do in Music/Night Shows, here is a quick overview: We work with the band crews to get everything on/off the stages; we handle transportation of the bands/artists to and fro; we coordinate for band/artist merchandise sales; we feed them too. 😊

You will be seeing emails with updates from either myself or Cory Sample over the next several weeks, but in the meantime if you have any questions feel free to reach out to either of us at the NEW email addresses. Please make sure that you have logged into the Wrangler Portal and verified all your contact & emergency contact information and have signed your waiver. I look forward to a funtastic event!!

Demo Derby Info

Hello Wrangler Family,

Less than 47 days until the big event! I am super excited to see all of us down at Island Grove doing what we love. I haven't planned a meeting yet but most likely we will *piggyback* our meeting with the Grounds Meeting so keep an eye on your email for that information. I appreciate everyone who has signed up for the Demo Derby this year. This year is going to be a blast! We do need some more hands for the *clean-up crew* in between each heat to make sure that we aren't leaving any metal or other parts that might hurt someone later. If you have friends or family that would love a front row seat to the Demo Derby and don't mind doing a little bit of work send them my contact information. Thank you for all you do for this event!

Hey Everybody,

This is your Rodeo Trail Boss, Justin Felker. Our Rodeo Committeeman, Shawn Mills and I would like to thank all Wranglers that have signed up to be part of the Rodeo Crew and all Wranglers in general. This will be an exciting year for rodeo in the 100th Greeley Stampede. I am sure we will have to deal with some bumps in the road but nothing that we cannot overcome as a team. I am here for all the rodeo crew at any time. Please feel free to reach out to me. We will be having our Rodeo Crew meeting on May 22nd at 1pm on the VIP patio. Can't wait to have a fun and exciting event with everyone.
