WELCOME TO THE GREELEY STAMPEDE

We invite you to tap into the branding and marketing power of Colorado's premier summer western celebration by becoming a sponsor and partner of the 2023 Greeley Stampede.

More than 250,000 rodeo fans, concert goers and western revelers come to enjoy affordable entertainment. The Greeley Stampede is more than the #1 local attraction in the region over the 4TH of July holiday – it is simply the most targeted way to reach every facet of the Northern Colorado community.

For 100 years in NoCo, the Greeley Stampede has been the most popular and long standing community tradition, and as a sponsor you will receive exposure throughout the event. Signage placement is available in multiple prominent areas of Island Grove Regional Park along with recognition by park attractions and event announcers – all potential benefits which ensure prominent exposure throughout the 12-day event.

Your presence is reinforced through your company logo on appropriate collateral materials, including event guides, pocket schedules, promotional brochures and other media. Your recognition may extend online through a year-round ID and link on the popular Greeley Stampede website and social media pages.

Also, the Stampede is one of the few live entertainment opportunities in Northern Colorado that brings the entire family together as the majority of Stampede visitors come with parents, siblings and other relatives. You have the opportunity to provide firsthand experience with your product or service by connecting with our guests where they are open to an introduction at an event they consider an old friend.

All of our partners receive an extensive and exclusive package of premium event tickets, admission, parking and hospitality passes. Take advantage of our Partner Concierge Service to purchase additional admission, parking or rodeo tickets at a special reduced rate.

Whether your target market consists of twenty-something music lovers, budget conscious mothers, discerning art lovers, passionate rodeo fans ... or anyone in between, the Greeley Stampede can connect your brand, product or service with the right people in a meaningful way. When you support something they care about, they will support you. Stampede, fully customizable, partnership packages start at \$8,000.

The dedicated promotional staff at the Greeley Stampede can develop meaningful and effective activation programs to promote your business or brand ... there are truly no limits. I look forward to discussing with you how we can work together to create a successful partnership.

Our Mission & Event History

Our Mission:

To celebrate our nation's independence, preserve our western heritage, and strengthen our community.

Event History:

The Greeley Stampede is a non-profit 501c4 organization that is rich in tradition and heritage dating back to the late 1800's. It began as a community celebration to honor local potato farmers and has since grown into an internationally acclaimed festival attracting over 250,000 people annually from all parts of the United States and many foreign countries.

Officially named the Greeley Spud Rodeo in 1922, the event featured bucking bronc riding, fancy roping, a pie eating contest, a horse race, motorcycle and bicycle races, and a two-mile Model T Ford "free for all" race. Estimated attendance in that first official festival was 2,500 people.

In an effort to give the event some national recognition, the Greeley Spud Rodeo era ended and, thus, began the age of the "Go West with Greeley" Rodeo. The name was taken from the famous phrase by the city's name sake, Horace Greeley, who said "Go west young man. Go west."

The Greeley Independence Stampede name came in 1972 by means of a community contest and featured professional rodeos, country concerts, July 4th parade, and carnival midway, mixed with food and fun galore!

Today, the event is Colorado's premier summer western celebration. The 2023 event marks the 101st annual Greeley Stampede that will feature 13 days of affordable family entertainment including rodeo, music, parades, shopping, festival food and fireworks.

What sponsors are saying about the 100th Greeley Stampede:

"I had one of the best times I have ever had at the Stampede. I was so proud to work for a company that is a sponsor and get to see the value you are not just as a dollar sign but as a part of the stampede family."

"Overall amazing event! Thank you for being so welcoming to us and open to our ideas. We can't wait to work with you more in the future."

"The 100th was fantastic. Well executed by all the hundreds of volunteers and vendors who make things happen. Looking forward to 2023 already!"

"The 100th Greeley Stampede was definitely one for the books! Lots of memories made. Thank you for all the smaller events within the event that brought our families and community together."

BUILDING FOR THE NEXT 100 YEARS

The Greeley Stampede is working on two major capital improvement construction projects that will benefit the event & community. Projects are scheduled to be completed by late spring 2023.

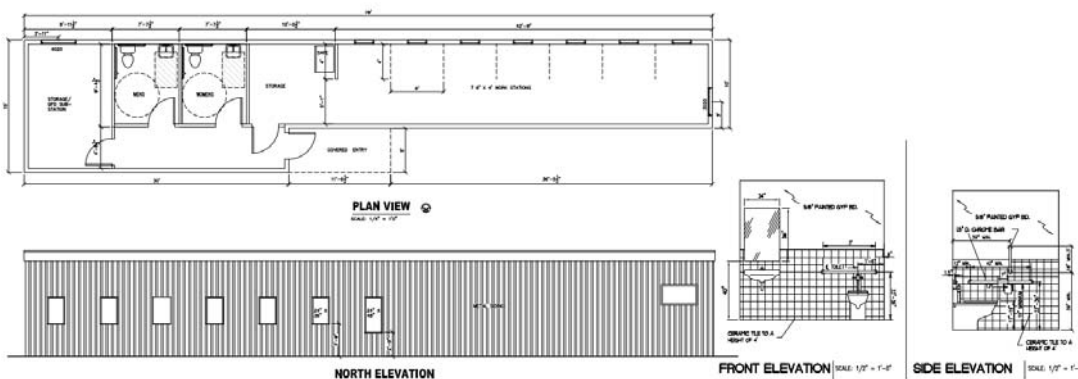

Legacy Project

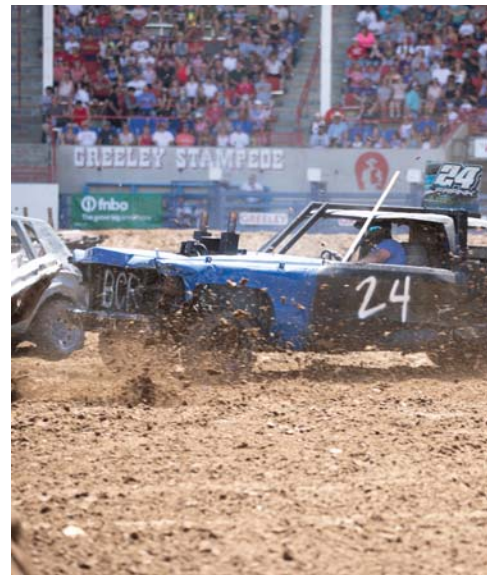

A top priority is to preserve and showcase the Stampede's history for future generations to experience. The Stampede is currently building a new office that will include a museum wing called Kinter Hall in recognition of the private donation to fund the project. The new construction will also have space to properly store archives and provide more efficient office space.

Park Ticket Offices

More than 250,000 guests visit Island Grove Park during the annual celebration. The Stampede is constructing two permanent ticket offices, located near the 11th Avenue park entrance and the 14th Avenue park entrance, to offer a better guest ticket purchase experience, more efficient admission process and improved ammenidities for the ticket staff & volunteers.

Event Dates: Thursday, June 22- Tuesday, July 4, 2023
