

STAMPEDE FOUNDATION

To support our community and students pursuing higher education by awarding scholarships & grants.

The Greeley Stampede Foundation, a 501c3 nonprofit organization, was established in 2001 to grant higher education scholarships to graduating high school seniors. The first scholarship given was for \$500, and the Foundation now awards \$50,000 annually to deserving graduating Weld County high school seniors and provides additional grants for education programs like the Greeley Evans School District 6 Back-To-School Event, Poudre Learning Center and Success Foundation.

Funding for the Greeley Stampede Foundation scholarships comes from three annual events produced by the Greeley Stampede: the Stampede Golf Tournament, the Western Art Show & Gala, and the Big Buckle Ball. Proceeds from these popular events have funded more than \$665,000 in scholarships to 644 well deserving Northern Colorado students since its inception.

Thanks to JBS and their Hometown Strong initiative, they have matched the Foundations \$50,000 high school seniors scholarship fund to total \$100,000 to celebrate 100 years of the Greeley Stampede. This will make this year's scholarships now worth \$5,000 each!
